BLUFFTON TOWN COUNCIL MEETING MINUTES

ELECTRONIC MEETING

April 14, 2020

Mayor Sulka called the meeting to order at 6:00 p.m. Council members present were Mayor Pro Tempore Fred Hamilton, Larry Toomer, Bridgette Frazier, and Dan Wood. Town Manager Marc Orlando, Deputy Town Manager Scott Marshall, Town Clerk Kimberly Chapman, Director of Growth Management Heather Colin, Director of Finance and Administration Chris Forster, Director of Engineering Bryan McIlwee, Emergency Manager Captain Scott Chandler, and Town Attorney Terry Finger were also in attendance.

Pledge of Allegiance and Invocation were given by Councilmember Bridgette Frazier.

Adoption of Agenda:

Roll call was taken to adopt a motion to amend the agenda by moving Formal Item number 3, Consideration to Approval of an Amendment to the Master Plan for Property Referred to as Pinecrest within the Buckwalter Planned Unit Development for Purposes of Modifying a Portion of Pinecrest Way to One-Way Traffic Westbound Only from Pinecrest Amenity Parking Lot to Masters Way up on the Formal Item Agenda to item number 1 so applicant can more easily participate in electronic meeting format. The amendment to the agenda was approved by unanimous vote.

Adoption of Minutes:

Town Council Regular Meeting Minutes of March 17, 2020.

Roll call was taken to adopt the Town Council Regular Meeting Minutes of March 17, 2020. The vote was unanimous.

Town Council Emergency Meeting Minutes of March 31, 2020.

Roll call was taken to adopt the Town Council Emergency Meeting Minutes of March 31, 2020. The vote was unanimous.

Presentations, Celebrations and Recognitions:

Mayor Sulka read the following proclamations:

- Fair Housing Month Proclamation
- Arbor Day Proclamation
- Child Abuse Prevention Month Proclamation

Public Comment:

There were none.

Communications from Mayor and Council:

Wood stated that he is thankful to the citizens of Bluffton for listening to the Governors orders and that he has noticed all the blue ribbons on buildings to support police and first responders. He has ordered his own ribbons and encouraged others to do the same.

Hamilton and Toomer echoed Woods statement.

Frazier stated that she echoed Wood's statement as well and wanted to offer support to residents in Hampton who have experienced damage from the recent tornados. Frazier stated that Jasper County is collecting non-perishable items for the victims.

Mayor Sulka stated that she is disappointed that we are unable to participate in the PGA RBC Heritage Tournament this year and thanked residents for everyone helping their neighbors.

Communications from Town of Bluffton Emergency Manager, Captain Scott Chandler:

Captain Chandler stated that the Bluffton Police Department is actively enforcing the Governor's orders including social distancing, the closure of non-essential businesses, lodging and travel restrictions, and access restrictions for both beaches and water and the home or work order. The Police Department has also partnered with the Bluffton Township Fire Department on a cleaning process (3 times per day), is self-monitoring all staff coming into the building and is requiring the wearing of N95 masks. There are currently 198 positive COVID-19 cases and 7 deaths in our state and that the situation must be taken seriously. Chandler recommended that citizens refer to the South Carolina Emergency Management Divisions website for accurate information.

Workshop Items:

Discussion Related to Residential Solid Waste and Recycling Collection Services – Bryan McIlwee, Director of Engineering

McIlwee stated as background that the Town entered into a contract with Waste Management on September 1, 2010 to provide residential waste and recycling collection services. The initial contract term was three years with the ability to renew for an additional two-year term. In June 2014, a third contract amendment extended the term of the agreement to June 30, 2018

DRAFT

with an automatic extension to June 30, 2020 unless either party provided a 180-day written notice not to extend. The contract was extended and will be expiring on June 30, 2020.

A Request for Proposal (RFP) was posted for thirty days requesting that proposals from interested and qualified firms with past, proven, and positive experiences in providing weekly residential curbside solid waste pickup and weekly or bi-weekly residential curbside recycling pickup under a fixed price contract was posted.

Three submittals were received on the due date of March 24, 2020. The submittals received were:

- Waste Management of Georgia (Waste Management)
- Republic Services of South Carolina (Republic Services)
- Waste Pro of South Carolina (Waste Pro)

The Town's evaluation committee evaluated the submittals for methodology, experience, schedule and cost and determined that Waste Management provided the best value on the requested criteria and staff recommends that Waste Management provide residential solid waste and recycling collection services for the Town.

Under Waste Management's current contract, the collection rate is $9.92 per household per month and there is a total of 9,289 households (at last count) being serviced. The weekly collection is that of a 96-gallon cart for trash and an 18-gallon bin for recyclables.

Waste Management's proposals are as follows:

- Base Service Price Proposal
    - Weekly collection, residential 96-gallon cart: $6.09/residential per month
    - Weekly collection, recyclables, 18-gallon bin" $6.55/residential per month
    - Total cost for base service - $12.64/ residential unit per month
- Alternate Service Price Proposal
    - Bi-weekly collection, recyclables, 96-gallon cart: $5.01/residential per month
    - Total cost for alternate service: $11.10/residential per month

Value added items that have been proposed by Waste Management are as follows:

- Bagster Dumpster in a Bag Program – a cost effective, on-demand waste management solution that is lightweight, easy to transport, and smaller and more manageable than a large roll-off dumpster.
- Partnership in local Bluffton events or participating with the following groups for a variety of events:
    - Special Olympics
    - United Way of the Lowcountry
    - Relay for Life
    - May River Clean Up
    - Boys and Girls of the Lowcountry

DRAFT

    - 43 Key Seconds/Lutzie 43
    - Bluffton Christmas Parade

Alternatives for Town Council consideration:

- Selection of either weekly or bi-weekly recycling collection for contract and FY21 budget
    - Weekly: 18-gallon bin - $6.55/residential unit per month
    - Bi-weekly: 96-gallon cart- $5.01/residential unit per month
    - $1.54 difference per residential unit per month
    - Based on the current count of 9,289 household count, approximately $171,660 total annual cost difference
- Bi-weekly option costs less
    - $1.54 per residential unit per month
- Results in fewer trucks on the roads
- Higher level of service
    - 433% increase in material per collection
- Staff receives numerous requests for 96-gallon recycling carts
- Based on historical knowledge, expect more residents will participate in recycling and volumes will increase
- Carts better secure recyclables preventing litter

Council was in consensus to continue weekly trash pickup with bi-weekly recycle in a larger 96-gallon cart. Comments from Town Council were that Waste Management will need to educate residents of the change in regard to the larger bin for recycling and the bi-weekly pickup change. It was also requested that the partnerships not be limited to the list that was given and it be negotiable.

Formal Items:

Consideration of Approval of an Amendment to the Master Plan for Property Referred to as Pinecrest within the Buckwalter Planned Unit Development for Purposes of Modifying a Portion of Pinecrest Way to One-Way Traffic Westbound Only from Pinecrest Amenity Parking Lot to Masters Way – Heather Colin, Director of Growth Management

Colin stated that the applicant, Willy Powell, with Ward Edwards Engineering, on behalf of the owner, Pinecrest Property Owners Association, Inc., is requesting approval of a Master Plan Amendment to the Initial Master Plan for Pinecrest. The project proposes to convert the existing two-way traffic to one-way traffic flow of Pinecrest Way, from Masters Way to the last entrance into the amenity center parking area so as to restrict access from Masters Way.

The project proposes to add the following improvements:

- Traffic arrow pavement markings along Pinecrest Way;
- One-Way signage along Pinecrest Way to direct Amenity-related movements; and
- “Do Not Enter” signage at the intersection of Pinecrest Way and Masters Way, visible from Masters Way

DRAFT

The subject road is zoned Buckwalter Planned Unit Development (PUD) and is located within the Pinecrest Master Plan, which encompasses approximately 429 acres and identified as a portion of tax map number R610 030 000 0711 0000.

The Town of Bluffton's Planning Commission voted at their February 26, 2020 meeting to recommend to Town Council to approve the Master Plan Amendment request with the following condition.

1. The Applicant must provide proof via Certified Mail that the 13 affected single-family property owners on Pinecrest Way are notified of the request for a Master Plan Amendment.

This application is for an amendment to the Pinecrest Master Plan which is located within the Buckwalter PUD and is subject to the standards set forth in the Buckwalter PUD Concept Plan, Development Agreement and the Pinecrest Initial Master Plan. The subject roadway lies within the Pinecrest Initial Master Plan which was originally approved in January 2002 and further amended September 2002. Town staff determined the proposed roadway change to be a major amendment to the master plan per the guide of Section 5.8.9(A) of the Town of Bluffton Planned Unit Development Ordinance referenced within the Buckwalter PUD.

Staff comments on the review of the Master Plan Amendment were reviewed at the June 25, 2019 meeting of the Development Review Committee (DRC). The Applicant has provided a response to staff comments provided at the DRC.

Town Council is required to consider the criteria set forth in Section 3.9.3 of the Unified Development Ordinance in assessing an application for a Master Plan. These criteria are provided below followed by a Staff Finding(s).

1. **Section 3.9.3.B. Promotion of and consistency with the land use goals, environmental objectives and overall intent of the policies within the Comprehensive Plan.**

   Finding. The application is consistent with the Comprehensive Plan.

   This Amended Master Plan proposes to convert Pinecrest Way, a two-way street, into one way traffic flow towards Masters Way. This would prevent unnecessary traffic coming from Masters Way through Pinecrest Way to access Bluffton Parkway. By eliminating cut-through traffic, it creates a safer environment for the residents along this street.

2. **Section 3.9.3.C. Consistency with the intent of the Planned Unit Development Zoning District as prescribed in this Ordinance.**

   Finding. This request will be consistent with the Town of Bluffton Zoning and Development Standards Ordinance that applies to the Buckwalter Concept Plan.

   This amendment does not propose to change the land uses or intensity of development.

DRAFT

3. **Section 3.9.3.D. As applicable, consistency with the provisions of the associated Development Agreement and/or PUD Concept Plan.**

   Finding. The proposed master plan is consistent with the provisions of the Buckwalter Development Agreement.

4. **Section 3.9.3.E. Compatibility of proposed land uses, densities, traffic circulation and design with adjacent land uses and environmental features, as well as the character of the surrounding area.**

   Finding. The application is compatible with the surrounding area.

   Pinecrest Way was built as a local street to primarily provide access to the

   recreational amenities for the community and not to provide an alternate route to access Bluffton Parkway for non-residents of Pinecrest. The Pinecrest Golf Club is the only commercial use accessed by Pinecrest Way. The Pinecrest community pool and recreational courts are the only other uses accessed through this street.

5. **Section 3.9.3.F. Ability to be served by adequate public services, including, but not limited to, water, sanitary sewer, roads, police, fire, and school services. For developments that have the potential for significant impact on infrastructure and services the applicant shall be required to provide an analysis and mitigation of the impact on transportation, utilities, and community services.**

Finding. The property can be served by adequate public services and has previously provided an analysis and mitigation measures on the impact on transportation, utilities, and community services with the Buckwalter Development Agreement and Concept Plan.

6. **Section 3.9.3.G. Demonstration of innovative site planning techniques that improve upon the standards in other allowable Town of Bluffton zoning districts with the purpose of enhancing the Town of Bluffton's health, safety and welfare.**

   Finding. The applicant proposes to use applicable signage to discourage wrong-way traffic and direct residents to amenities. By preventing off-site traffic from using the community's street as a bypass, there will be a reduction in traffic.

7. **Section 3.9.3.H. Ability of the site to sufficiently accommodate the densities and land use intensities of the proposed development.**

   Finding. The previously approved master plan found the plan to sufficiently accommodate the densities and land-uses proposed and no new development is planned with this application.

8. **Section 3.9.3.I. Conformance with adopted or accepted plans, policies, and practices of the Town of Bluffton.**

DRAFT

Finding. The application can be in conformance with adopted or accepted plans, policies, and practices of the Town with the following modifications.

Toomer made a motion to approve the Master Plan for Pinecrest as presented. Wood seconded. Roll call was taken. The motion passed unanimously.

Consideration of an Emergency Ordinance Authorizing the Town Manager to Extend the Deadline for Payment of Business License Renewals, Hospitality Tax Payments and Accommodations Tax Payments and to Waive Late Fees on Payments due and not Paid between April 1, 2020 and June 1, 2020 until June 1, 2020 – Chris Forster, Director of Finance and Administration

Forster gave an overview. He stated that on March 13, 2020, President Donald Trump declared a national emergency to assist with combating the outbreak of respiratory illness due to a novel coronavirus (COVID-10). On March 15, 2020, the Honorable Henry McMaster, Governor of South Carolina, issued Executive Order No. 2020-08 related to 2019 Novel Coronavirus (COVID-19) and declared that a State of Emergency exists in South Carolina. On March 16, 2020, Mayor Lisa Sulka and the Town of Bluffton declared a local state of emergency in the Town of Bluffton.

The deferral of Hospitality Tax collections will delay the collection of an estimated $196,000 until June 14, 2020. The deferral of Local Accommodations Tax will delay the collection of an estimated $71,000 until June 14, 2020. The deferral of outstanding Business License renewal fees will delay the collection of an estimated $1.1 million until June 14, 2020. The Town currently has sufficient cash balances in the corresponding funds to sustain us until the revised tax due date of June 14, 2020.

Frazier made a motion to approve an Emergency Ordinance Authorizing the Town Manager to Extend the Deadline for Payment of Business License Renewals, Hospitality Tax Payments and Accommodations Tax Payments and to Waive Late Fees on Payments Due but Not Paid between April 1, 2020 and June 1, 2020 until June 1, 2020. Toomer seconded. Roll call was taken. The motion passed unanimously.

Consideration of a Resolution Amending the Policy and Procedure Manual for Acquisition and Disposition of Real Property by the Town of Bluffton to Incorporate an Introduction Outlining Possible Considerations for Conveyances, a Real Estate Transaction Table and Checklist, and Add References to the Growth Framework Map as Appropriate – Heather Colin, Director of Growth Management

Colin stated that the purpose for the amendment to the Policy and Procedure Manual for the Acquisition and Disposition of Real Property by the Town of Bluffton is to incorporate general criteria for conveyances, a transaction checklist, and reference documents.

DRAFT

The general authority for the Town of Bluffton to acquire and sell real property and rights derives from the South Carolina Code of Laws, 1976, as amended, Section 5-7-40 which provides:

> *"All municipalities of this State may own and possess property within and without their corporate limits, real, personal or mixed, without limitation, and may, by resolution of the council adopted at a public meeting and upon such terms and conditions as such council may deem advisable, sell, alien, convey, lease or otherwise dispose of personal property and in the case of a sale, alienation, conveyance, lease or other disposition of real or mixed property, such council action must be effected by ordinance."*

The Town has conducted numerous real estate transactions for things such as the construction of public projects, the creation and preservation of public open space, economic development, and growth management efforts through purchase, sale, donation, and condemnation of real property and rights. The Town carries out these transactions through procedures based upon State Law, Town Code, best practices, and any grant related or other special requirements. Town Council memorialized these processes via the adoption of a Resolution approving the Manual on April 11, 2017.

Staff proposes that these revisions include the addition of an introduction outlining considerations for acquisitions and sales as follows:

1. Creation, expansion, and/or enhancement of economic development pursuant to the Town's Comprehensive Plan which may also align with or support the strategy, vision, and goals of partner economic development organizations such as the Don Ryan Center for Innovation, Beaufort County Economic Development Corporation, SouthernCarolina Regional Development Alliance, and the South Carolina Department of Commerce.
2. Furthers the Town's Affordable Housing initiatives.
3. Reduction of future development levels in high-density areas which are located outside the Place Types identified by the Growth Framework Map.
4. Preserves open space.
5. Creation of public access and/or view to the May River, New River, area creek(s), and/or cove(s).
6. Furthers the goals and initiatives of the Town's Strategic Plan, Comprehensive Plan, May River Action Plan, Neighborhood Plan(s), and other planning documents.

DRAFT

7. Provides an opportunity to enact restrictive covenants on real property for resale where appropriate.

8. Furthers environmental, wildlife, and natural resources conservation and/or historic preservation efforts within the Town.

9. Creation, expansion and/or enhancement of public properties, facilities, and/or infrastructure, which include, but are not limited to the following:

    a. Beautification;

    b. Drainage;

    c. Lighting;

    d. Local Utilities;

    e. Parks;

    f. Pathways;

    g. Public Safety Initiatives;

    h. Recreation Areas and Facilities;

    i. Right-of-Way;

    j. Stormwater Mitigation; and

    k. Vehicle Parking Areas.

10. Implementation of Town of Bluffton Capital Improvement Projects and/or to assist Beaufort County, local governments, regional governments, local utility providers and/or other partners fulfill their Capital Improvement Projects as deemed appropriate by Town Council.

11. Results of Due Diligence activities.

12. Any other purpose deemed necessary by the Town of Bluffton Town Council.

Further additions include the Town of Bluffton Growth Framework Map, a Real Estate Transaction Table and Checklist, an Ordinance 2007-19 establishing the Town's transfer of development rights and development rights bank as appendices of the Manual.

Hamilton made a motion to approve a Resolution Amending the Policy and Procedure Manual

DRAFT

DRAFT

BLUFFTON TOWN COUNCIL SPECIAL MEETING MINUTES

ELECTRONIC MEETING
April 23, 2020

Mayor Sulka called the meeting to order at 10:00 A.M. Council members present were Mayor Pro Tempore Fred Hamilton, Larry Toomer, Bridgette Frazier, and Dan Wood. Town Manager Marc Orlando, Deputy Town Manager Scott Marshall, Town Clerk Kimberly Chapman, Chris Forster Director of Finance and Administration, Chief of Police Chris Chapmond, Emergency Manager Captain Scott Chandler, Mike Levine, Interim Chief Executive Officer of the Don Ryan Center for Innovation, and Town Attorney Terry Finger were also present.

Pledge of Allegiance and Invocation were given by Mayor Sulka.

Adoption of Agenda:

Wood made a motion to adopt the agenda as presented. Toomer seconded. Mayor Sulka took roll call and all were in favor – the motion carried unanimously.

Formal Items:

Consideration of a Resolution to Establish and Affirm its Full Support of the Town of Bluffton Small Business Economic Resiliency Plan to Mitigate the COVID-19 Global Pandemic Financial Impact to Small Businesses- Marc Orlando, Town Manager

Orlando stated that on March 13, 2020, the Governor of South Carolina, issued Executive Order No. 2020-08 related to COVID-19 and declared that a State of Emergency exists in South Carolina. On March 16, 2020 the Mayor of the Town of Bluffton, Lisa Sulka issued a proclamation declaring a state of emergency throughout the Town to protect public health and safety of individuals within the Town of Bluffton. The extent of the long-term impact on small businesses within Bluffton is still uncertain but recent weekly unemployment claims have spiked higher than we have seen in recent history. The Federal CARES Act was passed on March 27th with $562 million for Small Business Association (SBA) Loans and $10 billion for grants. An additional $350 billion of funding was allocated to SBA for a payroll protection program and $17 billion for debt relief on existing SBA loans. This is a limited amount of funding and additional funding is currently uncertain.

The Bluffton Small Business Support Plan is as follows:

1. Promotion of the Beaufort County Economic Development Corp. Business Survey: Help provide support for making informed decisions rather than decisions based on assumptions.

2. DRCI Small Business Concierge: Leverage DRCI resources and partnerships to serve as a resource guide that connects small businesses with available financial resources.

DRAFT

a. Town of Bluffton Partners: Establish MOU defining roles and expectations.
    1. Don Ryan Center for Innovation
    2. Beaufort County Economic Development Corporation
    3. University of South Carolina Beaufort (SBDC)
    4. Greater Bluffton Chamber of Commerce
    5. HHI-Bluffton Chamber of Commerce
    6. Beaufort County Black Chamber of Commerce
    7. Others as determined by Town Manager

b. Lowcountry Resource Guide (Appendix A): Outline all available resources with contact information and reference links to applicable websites within a comprehensive document made publicly available to local small businesses. Identify and define all the following:
    1. Federal Assistance
    2. South Carolina Assistance
    3. Regional Nonprofit Fund/Program Assistance
    4. Regional Private Fund/Program Assistance
    5. Municipal Assistance

c. Referral and Advisement Program: Establish an administrative structure to assist with connecting businesses with appropriate programs and financial support.

d. Complementary DRCI Resources: Waive DRCI membership fees for 12 months and waive the cost of rent for The Hub for 12 months.

e. Legal Assistance: Establish a MOU with local legal resources to provide small businesses with pro bono legal assistance to navigate through legal questions and concerns of potential negative economic impacts as a result of the COVID-19 pandemic.

f. Develop New Growth Program: To address the needs of Bluffton's existing businesses to manage cash flow and business deficiencies, program and manage stimulus funds (SBA and similar) and to sustain and grow during economic uncertainty.

3. Small Business Advocate: The Town of Bluffton and local leaders can serve as an advocate for small businesses as they face unusual challenges and financial pressures as a result of government actions to contain the spread of COVID-19.

    a. Establish communication with local utilities to strongly encourage them to follow local actions in delaying payment due dates and waiving late fees.

DRAFT

b. Communicate with property owners, publicly or individually, to strongly encourage them to be lenient on tenants regarding late payments and to defer eviction actions.

4. Tax Relief: Defer license and tax deadlines to reduce financial burdens on businesses in the short term until economic activity can return to normal.

    a. Defer the February, March, and April, Local Hospitality Tax and Local Accommodations Tax payments until June 14, 2020 (Item is complete).

    b. Defer the Business License renewal deadline from April 30, 2020 until August 7, 2020.

5. Potential Future Actions: Apply for appropriate stimulus grant funds (SCDOC, CDBG, etc.) to directly assist businesses through Town programs including but not limited to a revolving loan program, business assistance, and other related initiatives with a priority for resources that support most at risk businesses as a result of the impacts of COVID-19.

Toomer made a motion to approve a Resolution to Establish and Affirm its Full Support of the Town of Bluffton Small Business Economic Resiliency Plan to Mitigate the COVID-19 Global Pandemic Financial Impact to Small Businesses. Hamilton seconded. Roll call was taken, and the vote was unanimous.

Communications from Mayor and Council:

Toomer suggested the opening of the floating dock due to public safety concerns for families getting in and out of the boats. Toomer asked that the remainder of Town Council visit the dock so that they can see what is going on.

Wood stated that he is proud of the great things that local charities are doing in our community and included Councilwoman Frazier's work that she is doing.

Councilwoman Frazier stated that the announcement that Beaufort County schools will be closed for the remainder of the school year and the remainder of all learning will be virtual was made.

Mayor Sulka stated that she feels that we should expect businesses and employers to wear masks.

Chief Chapmond stated that businesses are opening slowly and that he encourages the use of face masks. Hamilton concurred. Orlando stated that he will look at other resolutions and how they are being implemented by other municipalities.

BLUFFTON TOWN COUNCIL SPECIAL MEETING MINUTES

ELECTRONIC MEETING
April 28, 2020

Mayor Sulka called the meeting to order at 11:00 A.M. Council members present were Mayor Pro Tempore Fred Hamilton, Larry Toomer, Bridgette Frazier, and Dan Wood. Town Manager Marc Orlando, Deputy Town Manager Scott Marshall, Town Clerk Kimberly Chapman, Chris Forster Director of Finance and Administration, Chief of Police Chris Chapmond and Town Attorney Terry Finger were also present.

Pledge of Allegiance and Invocation were given by Mayor Pro Tempore Fred Hamilton.

Adoption of Agenda:

Wood made a motion to adopt the agenda as presented. Frazier seconded. Mayor Sulka took roll call and all were in favor – the motion carried unanimously.

Public Comment:

Public comment was received until two hours before the meeting start time through the website and via email to the Town Clerk and read aloud for the record:

Leah McCarthy, 51 Spartina Crescent, Bluffton - I urge Town Council and Mayor Sulka to recognize the need for the entire county to get on board with such an ordinance, otherwise this will not be as effective as needed. I also urge the town to provide the signage and sanitation products necessary to be sure the sanitation products are compliant with CDC recommendations for killing bacteria and viruses, signage needed for businesses so the message is continuous across the board, and face masks. Majority of the sanitizer on the market and available is below the 60% alcohol content as recommended by the CDC. Many people are using gloves which is spreading germs more than hand washing and they are not properly disposing of those gloves. I also encourage council to look at the residents inside the gates of Palmetto Bluff. There are many events happening that do not follow any of these guidelines as well as many residents not following any recommendations for social distancing, protective face masks, etc. It is "business as usual" inside the gates. If there is any financial burden to be imposed on businesses for these recommendations, I suggest the Town of Bluffton provides the necessary items. Furthermore, keep in mind, many who live in "Bluffton" do not understand the lines between the town and the county. Many business owners and their employees do not even understand the difference. This is not going to be anywhere near as effective unless Beaufort County Council is implementing the same requirements.

Mike Raymond, 5827 Ginkgo Lane, Bluffton – Honorable Mayor and Members of Town Council, Note: A copy of the proposed ordinance could not be located on the Town's website. The following comments are made in speculation of possible measures under consideration.

DRAFT

Essential businesses have been operating just fine for over six weeks without a guiding ordinance from the Town. Why, now, would it be necessary for local government to attempt regulation? Will regulations apply equally to both essential businesses, that have been open, and those that are about to reopen? Can mandates for operating policies be put into place fairly and equally across all markets, industries, building sizes, sales volumes as well as for essential and non-essential businesses? Can Kroger be regulated the same as Bluffton General Store? Can personal behavior of individual shopping adults be mandated and enforced? Concern for public health is appreciated, but a local government ordinance that attempts to regulate either commercial or personal behavior at this point is neither necessary nor justified. Thank you

Tina Toomer, Bluffton - Good morning, as the owner of the Bluffton Oyster Company and Toomer Seafood Restaurant with my husband I would like to express my concern in regard to the ordinance being considered today about retail/restaurant employees wearing a face mask. Personally, over the last 7 weeks we have experienced hardships on both of our businesses. we have followed strict guidelines even before being required to for the health and safety for our employees and staff- we have implemented measures of one customer at a time in our market, 6 ft distance, using gloves at all times, aprons and washing our hands constantly-we only have one employee other than ourselves working during the week on the inside and two on the outside. We are exhausted with keeping our business open with very limited staff- I feel my intelligence is being questioned about not going to all measures about protecting people. You are asking that we wear masks, have proper signage, provide sanitation stations; what is the rest of Beaufort County doing? The big box stores are not requiring this. I have researched WHO and also talked to my daughter who is on the front line and all statistics show that a mask should be worn if you are taking care of someone with COVID or you are sick. I would expect that these 2 categories of people would be staying home. Our retail market is wide open for ventilation and we are cooking on the outside in open air. I think that this is a personal decision and should be left up to the individual businesses because we are all in different categories. IF THE ENTIRE COUNTY was requiring this, I might would change my mind.

Formal Items:

Consideration of an Emergency Ordinance to Decrease the Risk of Exposure to COVID-19 when Shopping or Visiting Retail Stores- Scott Marshall, Deputy Town Manager

Marshall stated that the City of Charleston, South Carolina, in response to Executive Order 2020-28 adopted an Emergency Ordinance on April 20, 2020, titled “Decreasing Risk of Exposure to COVID in Retail Businesses.” The ordinance specifies certain requirements for retailers about maximum occupancy signage, social distancing practices, sanitation/cleaning standards and monitoring of employees.

The Town of Hilton Head Island adopted a Resolution on April 21, 2020 “Urging All Citizens to

Wear Protective Face Masks When Shopping or Visiting Retail Stores."

The ordinance presented for Town Council consideration captures elements of both the City of Charleston Emergency Ordinance as well as the Town of Hilton Head Island Resolution.

After Council discussion, the item died due to lack of a motion.

Staff was tasked with working with the Town Attorney to craft a Resolution rather than an Ordinance that will "urge the use of masks" rather than to "require."

Consideration of an Ordinance to Authorize the Town Manager to Extend the Deadline for Payment of Business License Tax Renewals until August 7, 2020 and to Waive All Late Fees Assessed on Renewals Due but not Paid between April 30, 2020 and August 7, 2020 – First Reading – Chris Forster, Director of Finance and Administration

Forster stated that on March 13, 2020, President Donald Trump declared a national emergency to assist with combating the outbreak of respiratory illness due to a novel coronavirus (COVID-10. On March 15, 2020, the Honorable Henry McMaster, Governor of South Carolina, issued Executive Order No. 2020-08 related to 2019 Novel Coronavirus (COVID-19) and declared that a State of Emergency exists in South Carolina. On March 16, 2020, Mayor Lisa Sulka and the Town of Bluffton declared a local state of emergency in the Town of Bluffton. On April 14, 2020 the Council passed an ordinance to extend the deadline for Hospitality Tax remittance, Local Accommodations tax remittance and the Business License renewal deadline until June 14, 2020.

Forster stated that the deferral of outstanding Business License renewal fees will delay the collection of an estimated $1.0 million until August 7, 2020. The Town currently has sufficient cash balances in the corresponding funds to sustain us until the revised tax due date of August 7, 2020.

Hamilton made a motion to approve the First Reading of an Ordinance Authorizing the Town Manager to Extend the Deadline for Payment of Business License Tax Renewals until August 7, 2020 and to Waive all Late Fees that May Have Been Assessed on Renewals Due but not Paid between April 30, 2020 and August 7, 2020. Frazier seconded. Roll call was taken and the motion was approved unanimously.

Communication from Mayor and Council:

Wood stated that he wanted to thank the local non-profit organizations such as God's Heart, Volunteers in Medicine, the Bluffton Soup Kitchen and others for all of the help that they are providing to residents.

DRAFT

Frazier encouraged all residents wear masks and follow the CDC guidelines to stay safe.
Sulka stated that there is a map on the Town of Bluffton website that shows links to non-profit agencies that are helping people through the pandemic. Sulka encouraged residents to follow CDC guidelines.

Hamilton made a motion to adjourn at 11:59 a.m. Frazier seconded. The motion carried unanimously.

BLUFFTON TOWN COUNCIL SPECIAL MEETING AND WORK SESSION MINUTES

ELECTRONIC MEETING
April 30, 2020

Mayor Sulka called the meeting to order at 6 P.M. Council members present were Mayor Pro Tempore Fred Hamilton, Larry Toomer, Bridgette Frazier, and Dan Wood. Town Manager Marc Orlando, Deputy Town Manager Scott Marshall, Town Clerk Kimberly Chapman, and Town Attorneys Terry Finger and Richardson LaBruce were also present.

Pledge of Allegiance and Invocation were given by Councilman Wood.

Adoption of the Agenda:

Toomer made a motion to adopt the agenda as presented. Wood seconded. Roll call was taken, and the motion was approved unanimously.

Public Comment:

Public comment was received until two hours before the meeting start time through the website and via email to the Town Clerk and read aloud for the record:

Jae Rocha, Groveview Rd, Bluffton - I went to Sams club on Tuesday, while the store is counting incoming customers it was chaos in the store. More than half the customers were Not wearing masks and not being aware of others space. The employees did not seem to care and there are no one way arrows in the isles I was under the impression there were rules for these stores.

Angela Smith, 897 Fording Island Rd, Bluffton - At this point people's civil rights are being violated. The duration and severity of the restrictions in place are unconstitutional and based on conflicting, false and/or exaggerated numbers and data. The pools and playgrounds should reopen immediately. Kids are playing outside together all of the time anyway, and people are becoming increasingly restless the longer this drags out. Being confined to homes and restricted indefinitely is not living. We have the constitutional rights to life, liberty, and the pursuit of happiness. The fearful and medically fragile can continue to stay inside at their choice but the rest of us should be able to legally start living again (many are finding ways to do so anyway).

Justin Jarrett – 4 Ashbourne Court, Bluffton - I applaud council for being proactive on this issue and attempting to reach a resolution that gives our local businesses a fighting chance to get through this without endangering the public health. I think it's important to remember that we can never know if we were too cautious, while the cost of failing to take appropriate precautions would be devastating. Wearing a mask while in public is the least we can do to the protect the most vulnerable among us during this time, and if we wish to be able to move freely throughout the community, we need to take the responsibility to protect our neighbors. Thank you for your efforts to provide a solution that achieves both.

DRAFT

Stephen Ball, 22 Plantation Park Drive, Bluffton - As a small business owner in the town of Bluffton, The Great Frame UP, my employees are required to work but DO NOT want to wait on people who do not wear masks. As long as the City does not REQUIRE masks and the big box stores do not require masks, then I cannot require them. The resolution means nothing without teeth. I applaud you for stepping out and addressing the mask issue but do not bother if you don't require their use in public buildings and retail establishments.

Mike Raymond, 5827 Ginkgo Lane, Bluffton - Honorable Mayor and Council Members, Beaufort County has had 11 deaths attributed to Covid-19, which, for the 190,000 residents, equates to a risk that is nearly unmeasurable. Nonetheless, the public and local businesses have demonstrated their understanding of and practiced safety measures diligently. At this point, any town resolution to shape or reinforce behavioral policies will be redundant and send a confusing message since it will conflict with state mandates that are winding down and federal guidelines that are about to expire. Thank you

Vallee Bubak, 470 Lake Bluff Drive, Bluffton - Dear Town of Bluffton Elected Leaders and Officials; Remember how Doctors Fauci and Birx said masks could be unhelpful? It was because people who aren't trained medical workers will touch their mask and their face and other surfaces, thereby spreading the virus more broadly than if they had not been wearing a mask. The masks also make it harder to breath and get fresh air. I am concerned that we will have a false sense of security with them, and people will put themselves at greater risk. I wouldn't include masks in the recommendations from the town because of the risks with wearing one. I also would let businesses decide what to do since they are the ones assuming the risks and legal liability. If the Town mandates certain guidelines, then it is assuming responsibility if those guidelines turn out to be problematic. Ultimately taxpayers and citizens could ultimately bear the responsibility for lawsuits against the Town. Please open up and let the public and the business owners make their own decisions.

Carol Weir, Bluffton - Thank you for considering a recommendation that Bluffton residents wear masks when entering local businesses and that employees of businesses serving the public also wear them. While the effectiveness of masks is an ongoing debate, wearing one signifies that the wearer is taking the threat of COVID-19 seriously and practicing social distancing. They are visual reminders that we should all be careful now. The bottom line is that healthcare experts have asked us to do this and we should support our officials and healthcare workers by doing what they ask us to do. Masks say, "I care about the health of others." If we all wear them in public indoor spaces, we are saying to each other: "I care about protecting you, and I can see that you care about protecting me."

Linda Sampogna, 16 Canters Circle, Bluffton - I think it is imperative that the council vote in favor of a mask ordinance. Today a report was published in the Island Packet stating SC was one of the worst places in the country and one of only 7 states to get an F rating for social distancing. Those of us who wear masks and are responsible will not continue to shop or do

business in stores where masks are not required. It's up to you, members of the council, to protect the citizens of Bluffton. It's not political, it's public safety.

Formal Items:

Consideration of an Emergency Resolution of the Town of Bluffton, in Furtherance of the Health, Public Safety and Welfare of the Town of Bluffton, to Urge Businesses and Citizens to Maintain Necessary and Proper Protective Procedures for the Health, Safety and Welfare of the Citizens of the Town of Bluffton – Scott Marshall, Deputy Town Manager

Marshall stated that there were concerns with the proposed Emergency Ordinance to Decrease the Risk of Exposure to COVID-19 when Shopping or Visiting Retail Stores that was presented for consideration at the Special Town Council Meeting on April 28, 2020, due to the punitive aspects of the proposed Ordinance and the mandates that were contained within it.

The Ordinance did not receive a motion but that there were good practices that Town Council wanted to consider an alternative that would reinforce the Governor's direction. The intent of the Resolution presented is to express the full support of South Carolina Governor Henry McMaster's Executive Order 2020-28 and to recommend and encourage best practices to protect employees and patrons in light of the allowed opening of additional retail establishments.

The Three Articles contained in the Resolution are as follows:

Article 1. Citizens are encouraged and urged to wear protective face masks and use other recommended safety measures when shopping and visiting retail stores opened by Executive Order of the Governor during the State of Emergency.

Article 2. The Town of Bluffton advises it will enforce all Executive Orders of the Governor of the State of South Carolina that have been issued regarding the COVID-19 pandemic. The Executive Orders have been issued to promote the health, safety and welfare of the citizens of the Town, its employers, and employees. Executive Order 2020-28 will be enforced, and it mandates:

1) Emergency Maximum Occupancy Rate. The business shall limit the number of customers allowed to enter and simultaneously occupy the premises so as not to exceed five (5) customers per 1,000 square feet of retail space, or twenty percent (20%) of the occupancy limit as determined by the Fire Marshal, whichever is less.

2) Social Distancing Practices. The business shall not knowingly allow customers, patrons, other guests, employees or contractors to congregate within six (6) feet of one another, exclusive of family units.

3) Sanitation. The business should implement all reasonable steps to comply with

any applicable sanitation guidelines promulgated by the CDC, DHEC, or any other state or federal public health officials.

Article 3. A Best Practices Guide for businesses and urges all business owners, employees, and citizens to use legitimate and sincere efforts to implement these Best Practices.

The Best Practices Guide is as follows:

1) Social Distancing Best Practices. To facilitate social distancing, businesses should further implement the following:

a. Maintain signage and/or mark floors and aisles to remind and help individuals stand at least 6 feet apart, including outside when in line and in store checkout lines.

b. In stores with multiple aisles, designate each aisle as one-way to lessen cross traffic and enable social distancing.

c. Frequent reminders to customers and staff about distancing and hygiene.

2) Sanitation Best Practices. To facilitate the best sanitation, the business should implement all reasonable steps to comply with any applicable sanitation guidelines promulgated by the CDC, DHEC, or any other state or federal public health officials. Reasonable steps include:

a. Operating under heightened hygiene and cleaning standards:

1) Promote etiquette for coughing, sneezing, and handwashing and avoid touching face, especially eyes, nose, and mouth.

2) Avoid handshaking.

3) Encourage the use of masks by employees.

4) Ensure adequate air circulation.

5) Discourage workers from sharing resources or other work tools and equipment, when possible.

6) Require routine disinfecting and perform routine environmental cleaning (e.g., workstations, countertops, handrails, doorknobs, break rooms, bathrooms, other-common areas), either twice a day or after each use.

7) Those cleaning should: Wear gloves; Clean surfaces with soap and water if dirty before disinfecting; Use EPA-registered or similar household disinfectant, diluted bleach, or alcohol solutions; Provide disposable wipes so that commonly used surfaces (e.g., doorknobs, keyboards, remote controls, phones, desks, keypads) can be wiped down by employees before each use; provide no-touch trash bins.

DRAFT

8) Make hand sanitizer, soap and water, or effective disinfectant readily available at or near the entrance, at checkout counters, or anywhere else where people have direct interactions.

9) Provide additional pop-up handwashing stations or facilities if possible.

10) Personal Protection Equipment (PPE) should not be shared and should be disposed of properly.

11) After using gloves, employees should wash their hands.

b. Monitoring employees for symptoms:

1) Employees who are sick or who appear to have symptoms should be separated from other employees and customers immediately and sent home.

2) Immediately clean and disinfect areas the sick employee visited.

3) Monitor employee symptoms, especially fever. If employees need to take simple medications acetaminophen, ibuprofen, or aspirin, they should take temperature beforehand.

4) Train managers/leadership to spot symptoms of COVID-19 and to be clear on relevant protocols.

5) Discourage employees to come to work if they feel sick.

6) Non-punitive leave policies should be used, so employees do not feel pressured to come to work if they are sick. Remind employees to repo1t any illness to manager, especially if sick with fever, cough, muscle aches and pains, sudden changes in smell or taste, sore throat, and/or shortness of breath.

7) If an employee is confirmed to have COVID-19, employers should inform fellow employees while maintaining confidentiality unless the employee consents to having their name released; fellow employees should self-monitor for symptoms for 14 days.

c. Providing signage at each public entrance to inform all employees and customers that they should:

1) Avoid entering if they have a cough, fever, or feel generally unwell.

2) Maintain a minimum of 6-foot distance.

3) Wear face coverings.

4) Encourage customers to order food and other items online for home delivery or curbside pickup.

DRAFT

d. Ensuring cleaning wipes are near shopping carts and shopping baskets.

e. Assigning employees to disinfect carts and baskets regularly.

f. Wiping down shared equipment before and after use; ensure disinfectants and paper towels to wipe down equipment are available.

Wood made a motion to approve the Emergency Resolution of the Town of Bluffton in Furtherance of the Health, Public Safety and Welfare of the Town of Bluffton, to Urge Businesses and Citizens to Maintain Necessary and Proper Protective Procedures for the Health, Safety and Welfare of the Citizens of the Town of Bluffton. Hamilton seconded. Roll call was taken, and the motion was approved unanimously.

TOWN COUNCIL

STAFF REPORT
Department of Growth Management

MEETING DATE:	May 12, 2020
PROJECT:	Discussion and Direction on the Town of Bluffton Historic District Financial Incentives to Promote and Support the Preservation of Historic Structures
PROJECT MANAGER:	Heather Colin, AICP Director of Growth Management

RECOMMENDATION: Direct staff to initiate the process to establish a localized "Bailey Bill" and to consider additional local options to provide financial and other incentives for the rehabilitation and preservation of historic properties.

BACKGROUND: In the FY2019-2020 Strategic Action Plan, Town Council seeks to offer incentives to help support historic preservation, specifically rehabilitation of "historic" structures, through mechanisms such as tax incentives and/or façade improvement programs.

The Strategic Action Plan establishes a vision for the Town of Bluffton based on six strategic areas where Town efforts will be most focused: Fiscal Sustainability, Economic Growth, Town Organization, Community Quality of Life, Infrastructure, the May River & Surrounding Rivers and Watersheds, and Affordable and/or Workforce Housing. Each Strategic Action Plan focus area is supported by objectives or guiding principles. To achieve these principles, supporting initiatives are identified to create a work program for the upcoming year. This initiative most closely aligns with the Economic Growth focus area and the following principles:

> ***Principle 3:*** Focus on strategic economic development pursuits that will increase local jobs, generate additional revenue and create demand for supporting businesses in target industries; and,
>
> ***Principle 4*****:** Develop and implement a collaborative economic gardening strategy with local businesses.

Incentives may encourage owners of historic structures to rehabilitate their properties which, in turn, helps to preserve the Town's older buildings, heritage and culture; support tourism, which supports the local economy; and, increase property values. Rehabilitation, according to Section 12-120 of the South Carolina Code of Regulations, is "the process of returning a building or buildings to a state of utility, through repair or alteration, which makes possible an efficient contemporary use while preserving those portions and features of the building(s) that are significant to its historic, architectural and cultural values."

As shown in the attached matrix (see Attachment 1), there are a variety of local, state and federal grants and tax incentives available to support historic rehabilitation efforts, each with varying eligibility criteria. One particularly promising incentive is a State of South Carolina special property tax assessment commonly known as the "Bailey Bill" (See Attachment 2).

BAILEY BILL

Enacted by the South Carolina General Assembly in 1990 and amended in 2011, the Bailey Bill allows local governments the option of offering special property tax assessments—a tax abatement—for rehabilitated historic properties and low-and-moderate income rental properties. The special assessment permits a property owner to lock-in the taxable assessed value of the property based on its fair market value prior to rehabilitation. Taxes are not paid on the increased value of the property until the special assessment period ends, which could be up to 20 years. The length of the assessment is determined by the local government.

The Municipal Association of South Carolina (MASC) provides the below chart to show examples of potential savings for both residential and commercial properties.

Examples of Potential Savings Resulting from the Bailey Bill (Over a 20 Year Period)		
	Residential	Commercial
Increased Value Due to Renovations	$50,000	$150,000
Assessment Ratio	4%	6%
Avoided Annual Assessment	$2,000	$9,000
Combined City/County Millage Rate	0.200	0.200
Avoided Annual Tax Payment	**$400**	**$1,800**
Avoided Annual Tax Payment 20 Years	**$8,000**	**$36,000**

This tax abatement can be a catalyst for property owners to undertake rehabilitation projects. Should the owner decide to sell the property during the abatement period, the tax abatement would be transferable to the new owner.

BAILEY BILL MINIMUM REQUIREMENTS

Per Section 5-21-140 of the South Carolina Code of Laws, as amended, municipalities have the same power and authority as counties (Section 4-9-195) to grant a special property tax assessment for rehabilitated historic properties. Ideally, both a municipality and the county in which it is located would offer the incentive, as the city of Beaufort and Beaufort County does, to allow for greater tax savings. To offer this incentive, the Town of Bluffton must first adopt a special tax assessment ordinance (i.e., the Bailey Bill).

Once adopted, and after voluntary application by the property owner, the assessment would be available for qualifying properties upon approved preliminary and final certifications by the Town. The preliminary review allows the Town to confirm that the

structure is on the Town's contributing structure list and to approve the proposed rehabilitation activities. Final certification allows the Town to review completed work and ensure that it is consistent with the preliminary approval. Once established that a property qualifies and prior to any improvements, the Applicant will be required to apply for a Certificate of Appropriateness – Historic District for approval by the Historic Preservation Commission.

Chapter 12 (South Carolina Department of Archives and History) of the South Carolina Code of Regulations, Sections 12-120 thru 12-125 (Rehabilitation of Designated Historic Buildings) outlines the minimum standards and process for the Bailey Bill as shown in Attachment 2. The main components include:

- Establishing a preliminary and final certification process for eligible properties (Sec. 12-121, Local Governing Body Certification), including designating the responsible agency or department to preform duties, as well as notifying the County Assessor's office of the special tax assessment and of any certified properties; and,

- Establishing a system for designation of qualifying properties (Sec, 12-122, Designation of Property as Historic), which, at minimum, requires: 1) being designated on the National Register of Historic Places; 2) being designated as contributing to an individual property or historic district listed on the National Register of Historic Places; or, 3) being 50 or more years older and meeting the local criteria for designation as a contributing structure; and,

- Rehabilitation work must comply the minimum standards (Sec. 12-125 Standards for Rehabilitation) and process (Sec. 12-124 Review of Rehabilitation Work) established by the State.

Numerous communities in South Carolina have adopted this special assessment program, including but not limited to City of Beaufort, Beaufort County (only for the areas of Daufuskie Island and the City of Beaufort), Columbia, Richland County, Camden, Hartsville, Darlington County and Greenville County.

STEPS IN THE PROCESS TO ADOPT A LOCAL BAILEY BILL: The Bailey Bill was previously discussed at a Town Council workshop in May 2018. Prior to adoption of a local Bailey Bill ordinance, related additional steps in the process were identified as needing to occur before the ordinance could be adopted. They include:

1. Make Necessary Corrections to the Unified Development Ordinance

   The first step is to correct inconsistent terminology in the Unified Development Ordinance (UDO) relating to "historic structures" and "contributing structures," as well as updating the definition of contributing structures. To be eligible for the Bailey Bill, a property would have to be classified by the Town as a contributing structure.

   The current definition references contributing structures from the 1996 National Register of Historic Places nomination, the "most recent Bluffton Historic Resource Survey" or any other structure that is designated as provided by in UDO Section 3.25 (Designation of Contributing Structure).

For easy reference, there should be one list. This list, an inventory of all contributing resources within the Town, is proposed as part of a separate process to update the Unified Development Ordinance. A revised definition of contributing structures and the list of all such structures will be reviewed at a future Town Council workshop tentatively scheduled for July 14.

2. **Prepare an Updated Historic Resources Survey for the Town of Bluffton**

   Related to the UDO amendments, Town Staff also recommended that the Town's historic resources survey be updated to determine if additional structures may qualify for contributing structure status. This resulted in the *Town of Bluffton Historic Resources Update*, which was undertaken in 2019. This initiative is tentatively scheduled for a Town Council workshop on July 14th for review and subsequent adoption by Resolution.

3. **Develop the Special Property Tax Assessment (i.e. Bailey Bill) Ordinance**

   Prior to developing an ordinance, the following questions will need to be answered:

   a. ***What is the Length of the Assessment Period?***

      Based on research of other South Carolina communities, the assessment period is usually 10 or 20 years. During this period, the qualifying property is assessed at the pre-rehabilitation fair market value. The City of Beaufort and Greenville County both have a 10-year period, while the City of Columbia and Richland County have a 20-year period.

      Staff would recommend being consistent with the City of Beaufort and establish a period of 10 years.

   b. ***What Minimum Investment is Required by the Property Owner?***

      As with the length of the assessment discussed above, the minimum investment by a property owner varies. The City of Beaufort requires a minimum investment of more than 75%.

      Staff would recommend being consistent with the City of Beaufort and establish a minimum investment of 75% of the assessed tax value of a building.

      Example: If a property's structure is valued at $100,000, a property owner that is willing to invest $75,000 (75% of the value of the building) in improvements would qualify for the 10 year assessment period. The property owner would continue to pay taxes on the $100,000 value and not would have been the reassessed value at the completion of the project.

   c. ***Which Structures Would Qualify?***

      Section 12-122 identifies three (3) categories of property that may qualify as "historic": 1) any property listed individually on the National Register of Historic Places; 2) any property that contributes to an individual property or historic

district listed on the National Register of Historic Places; or, 3) any property 50 or more years old that meets the local government's criteria for designation.

An inventory of all contributing resources within the Town is proposed as part of a separate process to update the Unified Development Ordinance. The list of all contributing structures, both national and/or local, will be reviewed at a future Town Council workshop tentatively scheduled for July 14th meeting.

d. *Which Rehabilitation Efforts Qualify? Should There Be a Cap or Limit on Qualifying Expenses for Some Activities?*

Per Section 12-120 of the Act, one (1) or more of the following activities would qualify:

- Improvements located on or within the contributed structure;
- Improvements outside but directly attached to the contributing structure, which are necessary to make the building fully usable (but not the new construction of rentable/habitable floor space);
- Architectural and engineering services attributable to the design of the improvements; and,
- Costs necessary to maintain the historic character or integrity of the building.

e. *Who Would be Responsible for Oversight of the Ordinance?*

Per Section 12-121 of the Act, Town Council is required to designate an agency or department to perform preliminary and final certifications of qualifying properties. Typically, this would be a historic board of review, such as the Town's Historic Preservation Commission.

Staff would recommend that the Historic Preservation Commission review the preliminary and final certifications for qualifying properties.

4. Draft the Special Property Tax Assessment Ordinance

Based on feedback from the Historic Preservation Commission (scheduled as a workshop on the May 6 agenda) and Town Council, staff will draft an ordinance that is similar to the City of Beaufort's Ordinance (see Attachment 3) to adopt a special property tax assessment for rehabilitated historic structures.

5. Work with Beaufort County to Expand Tax Savings

Town staff is in the process of working with Beaufort County to identify the necessary steps to pursue the special assessment ordinance for county property taxes in addition to Town of Bluffton taxes. In 2014, the County approved such an ordinance for the City of Beaufort after review by and support from the County's Finance Committee.

OTHER INCENTIVES AND GRANTS

While the Bailey Bill has been the most sought incentive, Attachment 1 lists grants and incentives presently available and that could be utilized. Should Town Council wish to consider any of the incentives not yet in place, Staff could bring these forward in the future in the form of ordinances, resolutions or policies.

NEXT STEPS:

BAILEY BILL

1. Conduct a workshop with Historic Preservation Commission (scheduled for May 6).
2. Continue to work with Beaufort County staff to identify next steps to pursue a special assessment for County property taxes.
3. Draft an Ordinance modeled on the City of Beaufort's Ordinance.
4. Adopt the associated proposed amendments to the Unified Development Ordinance, updating and clarifying the definition of a contributing structure and updating the contributing structure list based on the updated historic resource survey (Tentative July 14th Town Council as a workshop agenda item).
5. Present the Ordinance for first reading to Town Council with the UDO Amendments listed above.
6. Work with Beaufort County staff to have a corresponding Ordinance adopted by Beaufort County Council.
7. Once adopted by Beaufort County Council, present a second and final reading to Town Council for approval (TBD).

TOWN OF BLUFFTON INCENTIVES

1. Some of the incentives presented can be implemented with little to no funding obligations (Technical Assistance, & Education).
2. Direct staff to explore the necessary requirements to waive certain building permit fees associated with improvements to any structure in the local historic district.
3. Direct staff to explore the necessary requirements to implement various grants, revolving loans or other economic incentives to provide financial assistance for improvements to any structure in the local historic district.

Various Grants & Tax Incentives for Redevelopment in the Old Town Bluffton Historic District

Grant/Tax Incentive	Eligibility	Criteria
FEDERAL		
20% Federal Historic Rehabilitation Tax Credit	Income producing Historic Building, Mixed-Use Historic Building (partial credit)	Federal income tax credit equal to 20% of rehabilitation costs. In general, each dollar of tax credit earned reduces the amount of federal income taxes owed by one dollar.
Federal Income Tax Incentives for Easement Donations	Owner Occupied Historic Residence, Income producing Historic Building, & Mixed-Use Historic Building	Rehabilitation work is not required for this incentive. The incentive is based on the charitable contribution of a partial interest in a historic property (i.e. easement) to a government or nonprofit organization. When donors donate partial interests — or easements — on historic buildings, they pledge to preserve significant historic features and agree to obtain.
10% Federal Rehabilitation Tax Credit	Available for the rehabilitation of buildings placed in service before 1936 that are not individually listed in the National Register or contributing buildings in a National Register historic district	The 10% federal income tax credit only applies to buildings rehabilitated for non-residential uses. To qualify for the credit rehabilitation costs must exceed the adjusted basis of the building (purchase price minus land value).
Federal Income Tax Credit for Low Income Housing	Income tax credit for acquisition, construction, or rehabilitation of low-income housing	Many developers have used the Low-Income Housing Tax Credit in conjunction with the 20% Federal Historic Rehabilitation Tax Credit to rehabilitate historic buildings to provide rental units for low income residents.

Various Grants & Tax Incentives for Redevelopment in the Old Town Bluffton Historic District

Grant/Tax Incentive	Eligibility	Criteria
STATE		
10% State Historic Rehabilitation Tax Credit	Income producing Historic Building, Mixed-Use Historic Building (partial credit)	Owners of historic buildings in South Carolina who meet the requirements for the 20% Federal Historic Rehabilitation Tax Credit may also qualify for a state income tax credit. Taxpayers do not have to go through a separate State Historic Preservation Office (SHPO) application process. Successfully completing the federal application process qualifies them for the state credit.
25% State Historic Rehabilitation Tax Credit	Owner Occupied Historic Residence, Mixed-Use Historic Building (partial credit)	South Carolina State income tax credit equal to 25% of allowable rehabilitation expenses. In general, each dollar of tax credit earned reduces the amount of state income taxes owed by one dollar. (Allowable expenses include exterior rehabilitation work; repair of historic structural systems, improving energy efficiency; repairs and installation of heating, air-conditioning, plumbing, and electrical systems; restoration of historic plaster; and architectural and engineering fees.)
Property Rehabilitation Incentives	Abandoned Buildings Revitalization Credit & SC Textile Revitalization Credit	Either the Textile Revitalization Credit OR the Abandoned Buildings Revitalization Credit may be combined with historic rehabilitation credits. If a project is pursuing the historic rehabilitation tax credits (both federal and state), the project must follow the review and approval process required for those credits.
Various Grants	Through the SC State Library, Grant Research Assistance	Various grants are available through the website for projects ranging from; Humanities, Arts Commission, Parks, Recreation & Tourism, MASC and various other institutions.

REHABILITATION OF DESIGNATED HISTORIC BUILDINGS

(Statutory Authority: 1976 Code § 4-9-195(D))

12–120. Definitions.

A. "Act" means the legislation authorizing the governing bodies of counties and municipalities to grant special property tax assessments to "rehabilitated historic properties" and "low and moderate income properties."

B. "Administrative Review Committee" means a committee of the State Board of Review that shall include three or more members with two or more members representing the fields of architecture, architectural history, or related fields as appropriate.

C. "Department" means the South Carolina Department of Archives and History.

D. "Expenditures for rehabilitation" means the actual costs of rehabilitation relating to one or more of the following:

1. Improvements located on or within the historic building as designated;

2. Improvements outside of but directly attached to the historic building which are necessary to make the building fully useable (such as vertical circulation) but shall not include new construction of rentable/habitable floor space;

3. Architectural and engineering services attributable to the design of the improvements; or

4. Costs necessary to maintain the historic character or integrity of the building.

E. "Historic Property" means tangible real property that has been granted historic designation by the local governing body. Historic Property may include more than one historic building, including a historically-related complex, such as a house and barn or courthouse and jail. Historic Property may also include non-historic buildings or structures that are not eligible for the special property tax assessment.

F. "Local Governing Body" means county or municipal governments with jurisdiction over rehabilitated historic properties or low and moderate income rental properties seeking the special property tax assessments authorized by the Act.

G. "National Register of Historic Places" means the list of districts, sites, buildings, structures, and objects significant in South Carolina history, architecture, archaeology, engineering, and culture, that is maintained by the Secretary of the United States Department of the Interior under authority of the National Historic Preservation Act.

H. "Rehabilitation" means the process of returning a building or buildings to a state of utility, through repair or alteration, which makes possible an efficient contemporary use while preserving those portions and features of the building(s) that are significant to its historic, architectural and cultural values.

HISTORY: Added by State Register Volume 17, Issue No. 3, eff Mar 26, 1993. Amended by State Register Volume 35, Issue No. 5, eff May 27, 2011.

12–121. Local Governing Body Certification.

A. General. The local governing body shall establish a system for preliminary and final certification of properties that are eligible under the Act. The local governing body may designate, in its discretion, an agency or department to perform its duties under the Act. The local governing body shall notify the county assessor, auditor, and treasurer that it has established the special property tax assessments and of any properties certified for the special property tax assessments.

B. Scope. The special property tax assessment of rehabilitated historic property shall apply to the building or structure that is rehabilitated, the real property on which the building is located, and additional real property surrounding the building or structure that has been determined significant to

the historic character of the building by the local governing body. The special assessment shall not apply to rehabilitation expenses on buildings or structures that are not historic.

HISTORY: Added by State Register Volume 17, Issue No. 3, eff Mar 26, 1993. Amended by State Register Volume 35, Issue No. 5, eff May 27, 2011.

12–122. Designation of Property as Historic.

A. General. The local governing body shall establish a system for designation of historic properties in cases where such a system is not already in place.

B. Eligible Properties. The following categories of property may be designated historic by the local governing body:

1. Properties listed individually in the National Register of Historic Places;

2. Properties that contribute to an individual property or historic district listed in the National Register of Historic Places; or

3. Properties fifty or more years old that meet the local governing body's criteria for designation (see R.12–123).

C. Moved buildings.

1. General. The Department discourages the moving of historic buildings from their original sites.

2. If a building already designated historic by the local governing body is to be moved as part of rehabilitation work for which certification is sought, the owner must document that the building retains the characteristics that made it eligible for historic designation on the former site. The local governing body shall verify that the historic building retains those qualities on its new site.

3. If a building not yet designated historic is to be moved as part of rehabilitation work for which certification is sought, the local governing body shall determine whether the building meets its criteria for designation on its new site.

4. If a building listed in the National Register of Historic Places is to be moved as part of rehabilitation work for which certification is sought, the owner must follow the specific federal procedures that enable the building to remain listed. The owner should contact the Department early in the planning process if moving is a necessary step in their project.

D. Removal of Historic Designation.

1. The local governing body may remove the historic designation if the property no longer possesses the qualities that made it eligible for designation.

2. In the case that a property had been designated historic based on its listing in the National Register of Historic Places and the property is removed from the National Register, one of the following must occur:

a. The property must be designated historic based on the local criteria; or

b. The property loses the historic designation as of the date of removal from the National Register of Historic Places.

3. The date of the removal of historic designation shall be the basis for the date of the end of the special property tax assessment.

E. Technical Assistance. The Department shall provide technical assistance and advice, upon request, to the local governing body in carrying out the responsibilities under the Act.

HISTORY: Added by State Register Volume 17, Issue No. 3, eff Mar 26, 1993. Amended by State Register Volume 35, Issue No. 5, eff May 27, 2011.

12–123. Criteria for Designation.

A. General. The local governing body shall establish criteria for designation of historic properties.

B. Categories of Significance. Categories of significance for the criteria may include but are not limited to the following:

1. Architecture;

2. Culture;

3. Engineering; or

4. History.

C. Sample Criteria and Technical Assistance. The Department shall provide sample criteria, technical assistance, and advice, upon request, to the local governing body in carrying out the responsibilities under the Act.

HISTORY: Added by State Register Volume 17, Issue No. 3, eff Mar 26, 1993. Amended by State Register Volume 35, Issue No. 5, eff May 27, 2011.

12–124. Review of Rehabilitation Work.

A. General. The owner of any property seeking approval of rehabilitation work pursuant to the certification process of a local government (see R.12–121) shall comply with the procedures described in this regulation.

1. The owner shall submit a completed Rehabilitated Historic Property Application with supporting documentation to the Reviewing Authority (as defined in the Act). Owners who undertake any rehabilitation work without prior approval from the Reviewing Authority do so at their own risk and may disqualify all rehabilitation work from eligibility under the Act.

a. In cases where the ordinance requires owners to apply for preliminary certification before any project work begins, the application must be provided to the Reviewing Authority prior to beginning any project work.

b. In cases where the ordinance does not require owners to apply for preliminary certification before any project work begins, owners are strongly encouraged to submit the application prior to undertaking any rehabilitation work.

c. In cases where the owner proposes changes in the proposed work prior to final approval of rehabilitation work, owners are strongly encouraged to submit the changes prior to undertaking such rehabilitation work.

d. In cases where the owner proposes additional work after final approval of rehabilitation work but before the end of the special assessment period, owners are strongly encouraged to submit the additional work prior to undertaking such rehabilitation work.

2. The approval of rehabilitation work is based on the Standards for Rehabilitation (see R.12–125). The final approval of rehabilitation work by the Reviewing Authority is based on the completed work.

B. Rehabilitated Historic Property Application.

1. The Department shall provide a Rehabilitated Historic Property Application for owners to use when applying for the special assessment. In cases where the Department is not the Reviewing Authority, then the local governing body may develop an application that requests the same information as the application provided by the Department.

2. Part A —Preliminary Approval of Rehabilitation Work form, shall be used by the owner to describe the historic significance of the building, and to request preliminary approval of proposed rehabilitation work.

3. Part B —Final Approval of Rehabilitation Work form, shall be used by the owner to request final approval of completed rehabilitation work when the Reviewing Authority has already issued preliminary approval of rehabilitation work.

4. Parts A and B shall be used by the owner to request final approval of completed rehabilitation work when the Reviewing Authority has not issued preliminary approval of rehabilitation work.

5. Continuation/Amendment form shall be used by the owner to describe changes in the proposed work prior to final approval of rehabilitation work or to describe additional work after final approval of rehabilitation work but before the end of the special assessment period.

C. Review Process.

1. General. The Reviewing Authority shall review the application and determine if the rehabilitation work is consistent with the Standards for Rehabilitation. Rehabilitation work that is consistent with the Standards for Rehabilitation shall be approved. The Reviewing Authority shall notify the owner of this determination in writing. If the rehabilitation work is not consistent with the

Standards for Rehabilitation, the Reviewing Authority shall deny the rehabilitation work and, where possible, advise the owner of necessary revisions. An authorized representative of the Reviewing Authority may inspect Historic Properties during the review process. The owner may appeal the determination by the Reviewing Authority that a rehabilitation project is not consistent with the Standards for Rehabilitation, see R.12–124D. In cases where the Department is the Reviewing Authority, the Department shall notify the local governing body of review decisions.

2. The Reviewing Authority shall consider the description of the rehabilitation work provided in the Part A - Preliminary Approval of Rehabilitation Work form and any attachments as the basis for the approval or denial of the rehabilitation work. In cases of discrepancy, the description in the application shall prevail over any/all attachments. After a project has received preliminary approval of rehabilitation work, the owner is responsible for reporting any proposed substantive changes in the work described in the application to the Reviewing Authority by written statement to ensure continued consistency with the Standards for Rehabilitation Such changes should be described on a Continuation/Amendment form as provided by the Reviewing Authority. The Reviewing Authority shall determine if the proposed changes are consistent with the Standards for Rehabilitation and notify the owner in writing. Owners who undertake any rehabilitation work without prior approval from the Reviewing Authority do so at their own risk and may disqualify all rehabilitation work from eligibility under the Act.

3. The Reviewing Authority shall consider the documentation of the completed rehabilitation work for the approval or denial of the completed rehabilitation work. Approval of Part B constitutes final approval of the rehabilitation work by the Reviewing Authority.

4. An authorized representative of the Reviewing Authority may inspect completed projects during the special assessment period to determine if the work is consistent with the Standards for Rehabilitation.

D. Administrative Review and Appeal. An owner may appeal a denial decision by the Reviewing Authority by requesting it in writing within thirty (30) days of the date of that decision.

1. The owner may appeal a decision of the board of architectural review by following the process provided by state law (S.C. Code of Laws, Sections 6–29–890 through 6–29–940).

2. The owner may request an administrative review of a decision by the Department in writing within thirty (30) days of the date of that decision.

3. The Administrative Review Committee shall hear the request, based on the application, information in the files of the Department, and additional information (if any) provided. In considering the request, the Administrative Review Committee shall take into account alleged errors in professional judgment or alleged prejudicial procedural errors by Department officials. The decision of the Administrative Review Committee may:

a. Reverse the decision of the Department;

b. Affirm the decision of the Department; or

c. Resubmit the matter to the Department for further consideration.

4. The decision of the Administrative Review Committee shall be the final administrative decision.

E. Additional Work.

1. Additional work on the property, other than ordinary maintenance and/or repair with matching materials, done after the final approval of rehabilitation work by the Reviewing Authority and before the expiration of the special property tax assessment shall be brought to the attention of the Reviewing Authority. Owners who undertake any rehabilitation work without prior approval from the Reviewing Authority do so at their own risk and may disqualify all rehabilitation work from eligibility under the Act.

2. The owner shall provide complete information describing the additional work on a Continuation/Amendment form and any necessary attachments. The Reviewing Authority shall determine if the overall project remains consistent with the Standards for Rehabilitation. The Reviewing Authority shall notify the owner of this determination in writing.

3. If the overall project including the proposed additional work, is not consistent with the Standards for Rehabilitation, the owner shall be notified in writing that the Reviewing Authority

intends to rescind its approval of the project. The owner may then withdraw the request and revise the work in consultation with the Reviewing Authority. The rescission shall be effective thirty days after the date of the letter from the Reviewing Authority, unless the owner has withdrawn the proposal.

4. The Reviewing Authority shall notify the local governing body in writing of the decision to rescind approval of the rehabilitation work.

5. The effective date of the rescission by the Reviewing Authority shall be the basis for the end date of the special property tax assessment.

HISTORY: Added by State Register Volume 17, Issue No. 3, eff Mar 26, 1993. Amended by State Register Volume 35, Issue No. 5, eff May 27, 2011.

12–125. Standards for Rehabilitation.

A. A property shall be used for its historic purpose or be placed in a new use that requires minimal change to the defining characteristics of the building and its site and environment.

B. The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided.

C. Each property shall be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or architectural elements from other buildings, shall not be undertaken.

D. Most properties change over time; those changes that have acquired historic significance in their own right shall be retained and preserved.

E. Distinctive features, finishes, and construction techniques or examples of craftsmanship that characterize a property shall be preserved.

F. Deteriorated historic features shall be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature shall match the old in design, color, texture, and other visual qualities and, where possible, materials. Replacement of missing features shall be substantiated by documentary, physical, or pictorial evidence.

G. Chemical or physical treatments, such as sandblasting, that cause damage to historic materials shall not be used. The surface cleaning of structures, if appropriate, shall be undertaken using the gentlest means possible.

H. Significant archaeological resources affected by a project shall be protected and preserved. If such resources must be disturbed, mitigation measures shall be undertaken.

I. New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be compatible with the massing, size, scale, and architectural features to protect the historic integrity of the property and its environment.

J. New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

ARTICLE 2
QUALITY STANDARDS AND PRACTICES FOR THE MICROFILMING OF PUBLIC RECORDS

(Statutory Authority: Title 30, Chapter 1, Public Records Act)

12–200. Introduction.

The South Carolina Department of Archives and History (hereinafter called the Department) has the responsibility under the Public Records Act (Code of Laws of South Carolina, 1976. Section 30-1-10

CITY OF BEAUFORT, SC

"SPECIAL PROPERTY TAX ASSESSMENTS FOR REHABILITATED HISTORIC PROPERTIES"

CHAPTER 1. - SPECIAL PROPERTY TAX ASSESSMENTS FOR REHABILITATED HISTORIC PROPERTIES

Sec. 10-1001. - Special tax assessment created.

A special tax assessment is created for eligible rehabilitated historic properties for ten (10) years equal to the appraised value of the property at the time of preliminary certification.

(Ord. No. O-23-14, 9-23-14)

Sec. 10-1002. - Purpose.

It is the purpose of this division to:

(a) Encourage the restoration of historic properties;

(b) Promote community development and redevelopment;

(c) Encourage sound community planning; and

(d) Promote the general health, safety, and welfare of the community.

(Ord. No. O-23-14, 9-23-14)

Sec. 10-1003. - Eligible properties.

(a) *Certification.* In order to be eligible for the special tax assessment, historic properties must receive preliminary and final certification.

(1) To receive preliminary certification a property must meet the following conditions:

a. The property has received historic designation.

b. The proposed rehabilitation work receives approval from the historic district review board (HRB); or

c. Be a project that commences on or after the date of the adoption of this ordinance. Preliminary certification must be received prior to beginning work.

(2) To receive final certification, a property must have met the following conditions:

a. The property has received preliminary certification.

b. The minimum expenditures for rehabilitation were incurred and paid.

c. The completed rehabilitation receives approval from the director of planning and development services as being consistent with the plans approved by HRB as part of preliminary certification.

(b) *Historic designation.* As used in this section, "historic designation" means:

(1) the structure is at least fifty 50 years old and is located in the historic district;

(2) The structure is located outside the historic district and is listed on the National Register of Historic Places; or

(3) The structure is listed on the "1997 Beaufort County Above Ground Historic Sites Survey," and has been designated as "historic" according to Section 3.21 of the Unified Development Ordinance and its successors.

(Ord. No. O-23-14, 9-23-14)

Sec. 10-1004. - Eligible rehabilitation.

(a) *Standards for rehabilitation work.* To be eligible for the special tax assessment, historic rehabilitations must be appropriate for the historic building and the historic district. This is achieved through adherence to the standards set out in Section 3.20.C of the Unified Development Ordinance and is successors.

(b) *Work to be reviewed.* The following work will be reviewed according to the standards set forth above:

(1) Repairs to the exterior of the designated building.

(2) Alterations to the exterior of the designated building.

(3) New construction on the property on which the building is located.

(4) Alterations to interior primary public spaces.

(5) Any remaining work where the expenditures for such work are being used to satisfy the minimum expenditures for rehabilitation.

(c) *Minimum expenditures for rehabilitation* means the owner rehabilitates the building, with expenditures for rehabilitation exceeding seventy-five (75) percent of the fair market value of the building. Fair market value means the appraised value as certified to the HRB by a real estate appraiser licensed by the State of South Carolina, the sales price as delineated in a bona fide contract of sale within twelve (12) months of the time it is submitted, or the most recent appraised value published by the Beaufort County tax assessor.

(d) *Expenditures for rehabilitation* means the actual cost of rehabilitation relating to one or more of the following:

(1) Improvements located on or within the historic building as designated.

(2) Improvements outside of but directly attached to the historic building which are necessary to make the building fully useable (such as vertical circulation) but shall not include rentable/habitable floor space attributable to new construction.

(3) Architectural and engineering services attributable to the design of the improvements.

(4) Costs necessary to maintain the historic character or integrity of the building.

(e) *Scope.* The special tax assessment may apply to the following:

(1) Structure(s) rehabilitated.

(2) Real property on which the building is located.

(f) *Time limits.* To be eligible for the special tax assessment, rehabilitation must be completed within two (2) years of the preliminary certification date. If the project is not complete after two (2) years, but the minimum expenditures for rehabilitation have been incurred, the property continues to receive the special assessment until the project is completed or until the end of the special assessment period, whichever shall first occur.

(Ord. No. O-23-14, 9-23-14)

Sec. 10-1005. - Process.

(a) *Fee required.* A fee as set out in the city's fee schedule shall be required for final certification for each application.

(b) *Plan required.* Owners of property seeking approval of rehabilitation work must submit an HRB application with supporting documentation and application fee prior to beginning work.

(c) *Preliminary certification.* Upon receipt of the completed application, the proposal shall be placed on the next available agenda of the HRB to determine if the project is consistent with the standards for rehabilitation in subsection 10-1004(a). After the HRB makes its determination, the owner shall be notified in writing. Upon receipt of this determination the owner may:

(1) If the application is approved, begin rehabilitation;

(2) If the application is not approved, may revise such application in accordance with comments provided by the HRB;

(d) *Substantive changes.* Once preliminary certification is granted to an application, substantive changes must be approved by the HRB. Unapproved substantive changes are conducted at the risk of the property owner and may disqualify the project from eligibility. Additional expenditures will not qualify the project for an extension on the special assessment.

(e) *Final certification.* Upon completion of the project, the project must receive final certification in order to be eligible for the special assessment the director of planning and development services will inspect completed projects to determine if the work is consistent with the approval granted by the HRB pursuant to section 10-1004(a). Final certification will be granted when the completed work meets the standards and verification is made that expenditures have been made in accordance with section 10-004(c) above. Upon receiving final certification, the property will be assessed for the remainder of the special assessment period on the fair market value of the property at the time the preliminary certification was made or the final certification was made, whichever occurred earlier.

(f) *Additional work.* For the remainder of the special assessment period after final certification, the property owner shall notify the HRB of any additional work, other than ordinary maintenance. The HRB will review the work at a regularly scheduled hearing and determine whether the overall project is consistent with the standards for rehabilitation. If the additional work is found to be inconsistent the property owner may withdraw his request and cancel or revise the proposed additional work.

(g) *Decertification.* When the property has received final certification and has been assessed as rehabilitated historic property, it remains so certified and must be granted the special assessment until the property becomes disqualified by any one of the following:

(1) Written notice from the owner to the HRB and the Beaufort County auditor requesting removal of the preferential assessment; or

(2) Rescission of the approval of rehabilitation by the HRB because of alterations or renovation by the owner or the owner's estate which causes the property to no longer possess the qualities and features which made it eligible for final certification.

Notification of any change affecting eligibility must be given immediately to the Beaufort County assessor, auditor, and treasurer.

(h) *Notification.* The city shall, upon final certification of a property, notify the Beaufort County assessor, auditor and treasurer that such property has been duly certified and is eligible for the special tax assessment.

(i) *Date effective.* If an application for preliminary or final certification is filed by May 1 or the preliminary or final certification is approved by August 1, the special assessment authorized herein is effective for that year. Otherwise, it is effective beginning with the following year. The special assessment only begins in the current or future tax years as provided for in this section. In no instance may the special assessment be applied retroactively.

(j) *Application.* Once the HRB has granted the special property tax assessments authorized herein, the owner of the property shall make application to the Beaufort County auditor for the special assessment provided for herein.

DARLINGTON COUNTY, SC

"SPECIAL PROPERTY TAX ASSESSMENT PROGRAM FOR REHABILITATED HISTORIC PROPERTIES"

ARTICLE VI. - SPECIAL PROPERTY TAX ASSESSMENT PROGRAM FOR REHABILITATED HISTORIC PROPERTIES

Sec. 58-121. - Authority.

Pursuant to S.C. Code 1976, §§ 5-21-140 and 4-9-195, as amended (collectively, the "Bailey Bill"), Darlington County is enacting and establishing its special property tax assessment program for rehabilitated historic properties (the "Bailey Bill Program").

(Ord. No. 19-19 , § 1, 11-4-19)

Sec. 58-122. - Definitions.

As used in this article, unless the context shall otherwise require, capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Bailey Bill.

(Ord. No. 19-19 , § 2, 11-4-19)

Sec. 58-123. - Creation of special tax assessment; term.

(a) *Special tax assessment created.* A special tax assessment is hereby created wherein real property that has complied with all provisions of the Bailey Bill Program shall receive a property tax assessment for such real property and any improvements thereon that is based upon the fair market value of such property during the year that preliminary certification of the historic rehabilitation of such property is granted (the "Special Assessment"). Only work that is performed after the Preliminary Certification is granted shall be considered for purposes of determining the Special Assessment.

(b) *Term.* The "Assessment Term" means a period of up to 20 years. The Assessment Term is contingent upon the Expense Percentage (as defined below) of each qualifying property. "Expense Percentage" means the percentage determined by dividing the rehabilitation expenses occurring after the Preliminary Certification by the fair market value of the qualifying property as provided in the Preliminary Certification. If the Expense Percentage equals:

(1) 20-29 percent—the Assessment Term shall be five years;

(2) 30-39 percent—the Assessment Term shall be ten years;

(3) 40-49 percent—the Assessment Term shall be 15 years; and

(4) 50 percent over greater—the Assessment Term shall be 20 years.

Any Special Assessment granted pursuant to the provisions of this Bailey Bill Program shall remain the assessment applicable to such historic property for the purposes of ad valorem taxes for the applicable Assessment Term. If an application for Preliminary Certification is filed by May 1 of any year, or Preliminary Certification is granted by August 1 of any year, the first year of the Assessment Term shall be the year in which such application was filed or Preliminary Certification was granted, as applicable. Otherwise, the first year of the Assessment Term shall be the year following the year in which such application was filed, or Preliminary Certification was granted, as applicable.

(Ord. No. 19-19 , § 3, 11-4-19)

Sec. 58-124. - Eligibility.

(a) *Eligible properties.* In order to be eligible to receive the Special Assessment, a property must be granted a historic designation by county council based upon one or more of the following reasons ("Eligible Properties"):

(1) The property is at least 50 years old; and

(2) It also qualifies under the following:

a. The property is listed on the National Register of Historic Places;

b. The property has been designated as a historic property by county council; or

c. The property is located within an area that has been designated as a historic district by county council.

(b) *Historic designation* . Each property included within the descriptions provided for in section 58-124(a) is hereby granted a "Historic Designation" for the purposes of the Bailey Bill and the Bailey Bill Program (a "Historic Property").

(Ord. No. 19-19 , § 4, 11-4-19)

Sec. 58-125. - Eligible rehabilitation.

(a) In order to be eligible to receive the Special Assessment, a property must undergo a historic rehabilitation (a "Historic Rehabilitation") that adheres to the Secretary of the Interior's Standards for Rehabilitation, together with the county design.

(b) *Rehabilitation work to be evaluated based upon the rehabilitation standards.* The following elements of any Historic Rehabilitation shall be reviewed according to the Rehabilitation Standards:

(1) Repairs to the exterior of the designated building;

(2) Alterations to the exterior of the designated building;

(3) New construction on the property on which the building is located; and

(4) For public or commercial buildings, interior alterations for primary public spaces.

(c) *Expenditures for rehabilitation.* Qualified expenditures for any Historic Rehabilitation include the actual costs of rehabilitation related to one or more of the following:

(1) Improvements located on or within the historic building as designated;

(2) Improvements outside of and directly attached to the historic building which are necessary to make the building fully usable; such improvements shall not include rentable/habitable floor space attributable to new construction;

(3) Architectural and engineering services attributable to the design of the improvements; and

(4) Costs necessary to maintain the historic character or integrity of the building.

(d) The costs of architectural or engineering services shall be limited to a maximum of 20 percent of the total qualified rehabilitation costs. To the extent that the architectural or engineering costs exceed 20 percent of the qualified rehabilitation costs of a Historic Property, such additional costs shall not be includable when determining the Expense Percentage or the Minimum Expenditure (as defined below).

(Ord. No. 19-19 , § 5, 11-4-19)

Sec. 58-126. - Minimum expenditures; fair market value.

In order to be eligible to receive the Special Assessment, the total expenditures that an owner of a Historic Property must incur applicable to a Historic Rehabilitation shall equal or exceed 20 percent of the fair market value of the Historic Property at the time in which Preliminary Certification is granted (the "Minimum Expenditure"). Fair market value shall be based upon the (i) appraised value of the Historic Property as certified by a licensed real estate appraiser and as submitted as part of an application for Preliminary Certification; (ii) the sales price of the Historic Property delineated in a bona fide, arms-length real estate transaction taking place within 12 months of the time that an application for Preliminary Certification is submitted; or (iii) the most recent appraised value determined by the Darlington County Assessor.

(Ord. No. 19-19 , § 6, 11-4-19)

Sec. 58-127. - Reviewing authority designation; jurisdiction.

The County's Historical Commission (the "CHC"), as the board of the county with jurisdiction over historic properties pursuant to S.C. Code 1976, § 6-29-870, as amended, is hereby designated as the "Reviewing Authority," as such term is used in the Bailey Bill, for the purposes of the Bailey Bill Program. The jurisdiction of the CHC is hereby expanded, but only for the purposes of the duties prescribed to the CHC pursuant to the Bailey Bill Program, to include jurisdiction of the Eligible Properties.

(Ord. No. 19-19 , § 7, 11-4-19)

Sec. 58-128. - Approval process.

(a) *Application.* In order to be eligible to receive the Special Assessment, a Historic Property proposing a Historic Rehabilitation must receive Preliminary Certification by the county council using the application and review process provided for in this section. Any owner of a Historic Property may apply to Darlington County for Preliminary Certification of a proposed Historic Rehabilitation by submitting an Application for Preliminary Certification to the Darlington County Historical Commission. In order to receive consideration, all applications must be complete and must include the following fees and other information:

(1) A completed application;

(2) Any application fees that may be required;

(3) A plan detailing the proposed Historic Rehabilitation detailing the scope of work that is to be performed and demonstrating compliance with the Rehabilitation Standards;

(4) Sufficient evidence of the current fair market value of the Historic Property; and

(5) The total amount that the owner anticipates will be expended on the Historic Rehabilitation.

(b) *CHC review.* Provided the finished application (as to all form and content) has been filed with the Historical Commission at least seven calendar days before the regularly scheduled meeting of the CHC, the CHC shall review the submitted application at its next regular meeting; otherwise, consideration shall be deferred until the next occurring meeting of the CHC. Any applicant may be present at any such meeting to offer further explanation regarding the proposed Historic Rehabilitation and answer any questions of the CHC. The CHC shall affirm that the Minimum Expenditure is expected to be met and that the property meets the standard for a Historic Property. The CHC shall review each application and proposed Historic Rehabilitation to ensure that the proposed scope of work complies with the Rehabilitation Standards. If all criteria are met, the CHC may recommend to county council that the Historic Rehabilitation be approved. If the CHC declines to recommend approval to county council, the CHC shall provide the applicant with specific reasons for its denial and the applicant may re-apply under the terms of this section.

(c) *Certificate of appropriateness.* In no instance shall a recommendation to county council for the approval of a Historic Rehabilitation be construed as a grant of a Certificate of Appropriateness by

the CHC; however, applicants are encouraged to submit applications for Preliminary Certification and applications for a Certificate of Appropriateness for any Historic Rehabilitation at the same time and the CHC is hereby authorized to defer the consideration of either application for no more than one regularly scheduled meeting in order to permit both applications to be considered in conjunction.

(d) *County council preliminary certification.* Upon an application receiving a recommendation of approval by the CHC, the application shall be considered at the next regularly scheduled meeting of county council, provided that enough time remains to include such an Application on the upcoming meeting agenda. County council may, by ordinance, approve the application and proposed Historic Rehabilitation and, in such event, shall make specific findings of the following facts regarding the following:

(1) The property constitutes an eligible property;

(2) The Minimum Expenditures are expected to be met; and

(3) The fair market value of the Historic Property that is to be used to calculate the special assessment and the expense percentage.

(e) *Substantive changes.* If at any time during the application process or after Preliminary Certification is granted, the scope of work considered or approved thereunder is substantively changed in any way, the applicant must promptly notify the County Historical Commission who shall decide as to whether such a change requires the prior approval of the county council. If such approval is necessary, such a change may be brought directly before the county council at its next available regularly scheduled meeting for consideration. Unapproved substantive changes are conducted at the risk of the property owner and may disqualify the property from eligibility for the Special Assessment.

(f) *Assessment for two years during work.* Once a proposed Historic Rehabilitation has received Preliminary Certification, the Historic Property shall receive the Special Assessment for an initial period of two years during which the proposed Historic Rehabilitation is undertaken. Any such period shall apply towards the applicable Assessment Term in Section 58-123(b) herein. If, after the expiration of two years, the Historic Rehabilitation is not complete, but the Minimum Expenditure has been met, the Special Assessment shall continue for such time as it is necessary to complete the Historic Rehabilitation. If after the expiration of two years, the Minimum Expenditures have not been met, the county council may, at its discretion, disqualify the property from eligibility for the Special Assessment and any monies not collected due to the special assessment must be returned to the county and other affected taxing districts, as applicable.

(Ord. No. 19-19 , § 8, 11-4-19)

Sec. 58-129 - Rehabilitation monitoring; final certification.

(a) *Monitoring.* During the period which the Historic Rehabilitation is underway, staff of Darlington County Development Services may inspect the work in progress to ensure that the Historic Standards are met. Inspections of any exterior work may be made at any time and inspections of any interior work may be made upon 24-hours notice. The refusal of an applicant to permit inspection shall serve as grounds for the disqualification of the property from eligibility for the Special Assessment. If such an inspection shows substantive deviations from the approved scope of work or a failure to comply with the Historic Standards, the county council may disqualify the property from eligibility for the Special Assessment.

(b) *Final Certification.* Upon completion of the Historic Rehabilitation, the applicant must notify Development Services and request that the property be granted Final Certification. The Development Services Department shall inspect the Historic Property to ensure compliance with the approved scope of work and the Historic Standards. If compliance is found, the Development Services staff shall grant Final Certification and shall provide the property owner with enough documentation of such Final Certification.

(Ord. No. 19-19 , § 9, 11-4-19)

Sec. 58-130. - Notification of the Darlington County Tax Assessor.

Upon receipt of Final Certification, it shall be the responsibility of the property owner to provide such Final Certification to the Darlington County Assessor in order to secure the Special Assessment.

(Ord. No. 19-19 , § 10, 11-4-19)

Sec. 58-131. - Jurisdiction of municipalities.

Any historical property located inside the municipality of the county must be approved by the appropriate jurisdiction. Upon approval, the county will match the special tax assessment.

(Ord. No. 19-19 , § 11, 11-4-19)

Sec. 58-132. - Additional work; decertification.

(a) For the remainder of the applicable assessment period, the property owner shall notify Development Services of any additional exterior work undertaken on the Historic Property, other than ordinary maintenance. Development Services staff will present the proposed work to the CHC at its next regularly scheduled meeting who will review the work and determine whether the overall project is consistent with the standards for rehabilitation. If the additional work is found to be inconsistent, the property owner shall withdraw his request and cancel or revise the proposed additional work.

(b) Once the Historic Property has received Final Certification, it shall remain so certified and must be granted the Special Assessment until the property becomes disqualified by any one of the following:

(1) The expiration of the applicable Assessment Term;

(2) Written notice from the property owner to the County Historical Commission and the Darlington County Auditor requesting removal of the Special Assessment;

(3) Removal of the historic designation by county council; or

(4) Rescission of the approval of the Historic Rehabilitation by the CHC because of alterations or renovation by the owner or the owner's estate which causes the property to no longer possess the qualities and features which made it eligible for Final Certification.

(c) Notification of any change affecting eligibility must be given immediately to the Darlington County Assessor, Auditor, and Treasurer.

RICHLAND COUNTY, SC

"REHABILITATED HISTORIC PROPERTIES"

ARTICLE V. REHABILITATED HISTORIC PROPERTIES

Sec. 23-60. Special tax assessment created.

A special tax assessment is created for eligible rehabilitated historic properties for a period of twenty (20) years equal to the assessed value of the property at the time of preliminary certification.
(Ord. No. 047-08HR, § II, 9-9-08; Ord. No. 019-13HR, § 1, 5-7-13)

Sec. 23-61. Purpose.

It is the purpose of this Article to:

(1) Encourage the rehabilitation of historic properties;
(2) Promote community development and redevelopment;
(3) Encourage sound community planning; and
(4) Promote the general health, safety, and welfare of the community.

(Ord. No. 047-08HR, § II, 9-9-08)

Sec. 23-62. Eligible Properties.

(a) *Certification*. In order to be eligible for the special tax assessment, historic properties must receive preliminary and final certification.

(1) *Preliminary certification*. To receive preliminary certification a property must meet the following conditions:

a The property meets the requirements for historic designation as established in this section.

b. The proposed rehabilitation work receives a recommendation of approval from the appropriate architectural reviewing authority (hereinafter "reviewing authority") and is consistent with the rehabilitation standards as set forth in this article. The reviewing authority shall review all improvements associated with the rehabilitation and make a recommendation to the county regarding the project's eligibility. For the purpose of this article, the reviewing authority shall be defined as follows:

1. In any municipality that has an architectural review board, the municipal board shall serve as the reviewing authority.

2. In the unincorporated areas of the county, and within any municipality that does not have an architectural review board, the South Carolina Department of Archives and History shall serve as the reviewing authority.

c. Be a project that commenced by or after August 17, 2004 to the date of the adoption of this ordinance and work was permitted to have begun prior to receiving preliminary certification, or

d. Be a project that commences on or after the date of the adoption of this ordinance.

(2) *Final certification*. To be eligible for final certification, a property must have met the following conditions:

a. The property has received preliminary certification.

b. The minimum expenditures for rehabilitation as set forth in this article have been incurred and paid.

c. The completed rehabilitation receives a recommendation for approval from the reviewing authority as being consistent with the plans approved by the reviewing authority during preliminary certification.

d. All application fees have been paid in full by the applicant.

e. The property has met all other requirements of this article.

(b) *Historic designation*. In order to be eligible for the special tax assessment, the property must meet one of the following criteria:

(1) The property must be listed on the National Register of Historic Places either individually or as a contributing property in a district, or

(2) The property is designated as a historic property by the county council based upon criteria established by the county council and the property is at least fifty (50) years old.

(c) *Historic property criteria.* In order to be eligible for the special tax assessment, the property must meet one (1) of the following criteria:

(1) Any property included in one (1) of the categories below is considered a historic property:

a. Listed on the National Register of Historic Places,

b. Determined eligible for the National Register by the South Carolina Department of Archives and History,

c. A contributing property in a National Register Historic District,

d. Listed in the Richland County Bicentennial Committee Historic Homes and Buildings Landmark

Program (1981), or

e. City of Columbia Historic Landmark.

(2) All other properties must demonstrate:

a. Association with events that have made a significant contribution to the broad patterns of our history, or

b. Association with the lives of significant persons in our past, or

c. Embodiment of distinctive characteristics of a type, period, or method of construction; or representation of the work of a master; or possession of high artistic values.

Property owners seeking eligibility under this section must file an application with Richland County to receive a historic property determination.

(Ord. No. 047-08HR, § II, 9-9-08; Ord. No. 019-13HR, §§ II, III, 5-7-13)

Sec. 23-63. Eligible rehabilitation.

(a) *Standards for rehabilitation*. To be eligible for the special tax assessment, historic rehabilitations must be conducted according to the following standards:

(1) The historic character of a property shall be retained and preserved. The removal of historic materials or alterations or of features and spaces that characterize each property shall be avoided.

(2) Each property shall be recognized as a physical record of its time, place and use. Changes that create a false sense of historical development shall not be undertaken.

(3) Most properties change over time. Those changes that have acquired historic significance in their own right shall be retained and preserved.

(4) Distinctive features, finishes, and construction techniques or examples of craftsmanship that characterize a property should be preserved.

(5) Deteriorated historic features shall be repaired rather than replaced. Where the severity of deterioration requires replacement or of a distinctive feature, the new should match the old in design, color, texture, and other visual qualities and, where possible, materials. Replacement of missing features shall be substantiated by documentary, physical or pictorial evidence.

(6) Chemical or physical treatments, such as sandblasting, that cause damage to historic materials shall not be used. The surface cleaning of structures, if appropriate, shall be undertaken using the most gentle means possible.

(7) New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be compatible with the massing, size, scale and architectural features to protect the historic integrity of the historic property and its environment.

(8) New additions and adjacent new construction shall be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.

(b) *Work to be reviewed*. The following work will be reviewed according to the standards set forth above:

(1) Repairs to the exterior of the designated building.

(2) Alterations to the exterior of the designated building.

(3) New construction on the property on which the building is located, including site work.

(4) Alterations to interior primary public spaces, as defined by the reviewing authority.

(5) Any remaining work where the expenditures for such work are being used to satisfy the minimum expenditures for rehabilitation, including, but not limited to, alterations made to mechanical, plumbing and electrical systems.

(c) *Minimum expenditures for rehabilitation*. To be eligible for the special property tax assessment, the owner or the owner's estate must meet the minimum expenditures for rehabilitation:

(1) The minimum investment shall be twenty percent (20%) of the fair market value of the building which is to be rehabilitated.

(2) Fair market value means the appraised value as certified to the county by a real estate appraiser licensed by the State of South Carolina, the sales price as delineated in a bona fide contract of sale within twelve months of the time it is submitted, or the most recent appraised value published by the Richland County Tax Assessor.

(d) *Expenditures for rehabilitation* means the actual cost of rehabilitation relating to one or more of the following:

(1) Improvements located on or within the historic building as designated.

(2) Improvements outside of but directly attached to the historic building which are necessary to make the building fully useable (such as vertical circulation) but shall not include rentable/habitable floorspace attributable to new construction.

(3) Architectural and engineering services attributable to the design of the improvements.

(4) Costs necessary to maintain the historic character or integrity of the building.

(e) *Scope*. The special tax assessment may apply to the following:

(1) Structure(s) rehabilitated;

(2) Real property on which the building is located.

(f) *Time limits*. If the project is not complete after two (2) years, but the minimum expenditures for rehabilitation have been incurred, the property continues to receive the special assessment until the project is completed.

(Ord. No. 047-08HR, § II, 9-9-08; Ord. No. 019-13HR, §§ IV, V, 5-7-13)

Sec. 23-64. Process.

(a) *Fee required*. There is a fee required for the review of rehabilitation work during the final certification process. Final certification of the property will not be given until the fee has been paid in full by the applicant. Fees shall be made payable to Richland County. The amount of the fee shall be as follows:

(1) For owner-occupied, non-income producing properties, the fee shall be one hundred and fifty dollars ($150.00).

(2) For income-producing or non-owner occupied properties, the fee shall be three hundred dollars ($300.00).

(b) *Plan required*. Owners of property seeking approval of rehabilitation work must submit a completed rehabilitation of historic property application with supporting documentation to the county administrator or his designee prior to beginning work. Rehabilitation work conducted prior to approval of the application is done so at the risk of the property owner.

(c) *Preliminary certification*. Upon receipt of the completed application, the county administrator or his designee shall submit the plan to the reviewing authority for a recommendation as to whether the project is consistent with the standards for rehabilitation. Upon receipt of the reviewing authority's recommendation, the county administrator or his designee shall notify the owner in writing. Upon receipt of this determination, the property owner may:

(1) If the application is approved, begin rehabilitation;

(2) If the application is not approved, he/she may revise such application in accordance with comments provided by reviewing authority.

(d) *Substantive changes*. Once preliminary certification is granted to an application, substantive changes must be approved in writing by the county administrator or his designee. Any substantive changes made to the property during rehabilitation that are not approved by county administrator or his designee, upon review and recommendation of the reviewing authority, are conducted at the risk of the property owner and may disqualify the project from eligibility during the final certification process.

(e) *Final certification*. Upon completion of the project, the property must receive final certification in order to be eligible for the special assessment. The reviewing authority shall inspect completed projects to determine if the work is consistent with the approval recommended by the reviewing authority and granted by the county during preliminary certification. The review process for final certification shall be established by the reviewing authority and may include a physical inspection of the property. The reviewing authority shall notify the applicant in writing of its recommendation. If the applicant wishes to appeal the reviewing authority's recommendation, the appeal must follow the reviewing authority's appeals process. The county administrator or his designee may grant final certification only if the following conditions have been met:

(1) The completed work meets the standards for rehabilitation as established in this article;

(2) Verification is made that the minimum expenditures have been have been incurred in accordance with the provisions of this article; and

(3) Any fee(s) shall be paid in full.

Upon receiving final certification, the property will be assessed for the remainder of the special assessment period on the fair market value of the property at the time the preliminary certification was made or the final certification was made, whichever occurred earlier.

(f) *Additional work*. For the remainder of the special assessment period after final certification, the

property owner shall notify the county administrator or his designee of any additional work, other than ordinary maintenance, prior to the work beginning. The reviewing authority shall review the work and make a recommendation to the county administrator or his designee whether the overall project is consistent with the standards for rehabilitation. The county administrator or his designee shall notify the property owner in writing if the overall project is consistent with the standards for rehabilitation. If the additional work is found to be inconsistent by the reviewing authority, the county administrator or his designee shall notify the owner in writing within thirty (30) days of its decision to rescind approval. The property owner may withdraw his/her request and cancel or revise the proposed additional work.

(g) *Notification*. Upon final certification of a rehabilitated historic property, the Richland County Assessor, Auditor, and Treasurer shall be notified by the county administrator or his designee that such property has been duly certified and is eligible for the special tax assessment.

(h) *Application*. Once the final certification has been granted, the owner of the property shall make application to the Richland County Auditor for the special assessment provided for herein. The special assessment shall remain in effect for the length of the special assessment period, unless the property shall become decertified under the provisions of this section.

(i) *Date effective*. If an application for preliminary or final certification is filed by May first or the preliminary or final certification is approved by August first, the special assessment authorized herein is effective for that year. Otherwise, it is effective beginning with the following year. The special assessment only begins in the current or future tax years as provided for in this section. The special assessment period shall not exceed twenty (20) years in length, and in no instance may the special assessment be applied retroactively.

(j) *Previously certified properties*. A property certified to receive the special property tax assessment under the existing law continues to receive the special assessment in effect at the time certification was made.

(k) *Decertification*. Once the property has received final certification and assessed as rehabilitated historic property, it remains so certified and must be granted the special assessment until the property becomes disqualified by any one of the following:

(1) Written notice from the owner to the Richland County Auditor requesting removal of the special assessment;

(2) Removal of the historic designation by the county council , based upon noncompliance of the criteria established in Section 26-62(c); or

(3) Rescission of the approval of rehabilitation by the county, at the recommendation of the reviewing authority, because of alterations or renovation by the owner or the owner's estate which causes the property to no longer possess the qualities and features which made it eligible for final certification. Notification of any change affecting eligibility must be given immediately to the Richland County Assessor, Auditor, and Treasurer.

TOWN COUNCIL

STAFF REPORT
Finance & Administration Department

MEETING DATE:	May 12, 2020
PROJECT:	Formal Items: Consideration of Accommodations Tax Advisory Committee Funding Recommendations for Quarter Ending March 31, 2020.
PROJECT MANAGER:	Natalie Majorkiewicz, Treasury Manager

RECOMMENDATION:

In accordance with the grant process, the Accommodations Tax Advisory Committee (ATAC) held a meeting on April 24, 2020 to review the budget and marketing plan (MP) in accordance with the DMO contract and quarterly grant applications. The committee has made the following grant award recommendations for Town Council's consideration:

Requesting Organization	Amount Requested	Amount Recommended
Hilton Head Island-Bluffton Chamber of Commerce (DMO): FY2021 Budget and Marketing Plan (MP)	$ 82,000	$ 82,000.00
Bluffton Historical Preservation Society (BHPS): Welcome Center at the Heyward House	190,000	190,000.00

Total State ATAX Funds Remaining for Distribution	**$ 217,693**	**Total Local ATAX Funds Remaining for Distribution**	**$ 648,590**

* First $25k taken in 1st Quarter of Fiscal Year and Not Applicable to the remaining quarters.

Due to COVID-19, ATAC held its meeting in April rather than on the previously scheduled May 19, 2020 date. With the timing of this April ATAC meeting, the Town of Bluffton has not yet received the quarter ending March 31, 2020 disbursement of accommodations tax revenues from the State as reflected in the chart above. Additionally, the Local ATAX revenue reflects only two of the three months for the quarter. The additional month through April 30 will be included in the next quarter's financial update.

Funds Requested for Distribution:

☐ **Designated Marketing Organization Budget and Marketing Plan for FY2021.**

- As part of contract 2019-33 that began on July 1, 2019, the Hilton Head Island-Bluffton Chamber of Commerce proposed a fiscal year 2021 budget of $82,000 for the Town of Bluffton.
- S.C. Code of Laws Sec. 6-4-10-(3) requires the Town's DMO to manage and direct 30% of the balance of State accommodations tax funds. Estimated amount for FY2021 is approximately $94,600.
- Per Town of Bluffton Code of Ordinances, Sec. 24-26(b), *"the Town may set aside an amount not to exceed eight percent (8%) of Local Accommodations Tax revenue for the Designated Marketing Organization."* Estimated amount for FY2021 is approximately $45,600.
- FY2021 will be the second year of the up to three-year term of the contract.

APRIL 24, 2019

Chairman Sam Britt called the meeting to order at 11:00 a.m. Other committee members present were Jean Wilson, Mike Tripka, Joe Kropiewnicki, Ellen Shumaker, Christy Parker and Nathaniel Pringle. Staff in attendance was as follows: Natalie Majorkiewicz, Treasury Manager and Kristy Carge, Treasury Supervisor.

Roll Call and Confirmation of Quorum
Seven committee members present, zero absent, quorum met.

Adoption of Agenda
Chairman moved to adopt the Agenda.

Tripka motioned to adopt agenda as stated. Kropiewnicki seconded. The motion carried unanimously.

Adoption Minutes:
Chairman moved to adopt the minutes.

Wilson motioned to adopt minutes as stated. Shumaker seconded. The motion carried unanimously.

Introduction of New Committee Members: Nathaniel Pringle
New member provided a brief introduction.

Financial Report: Natalie Majorkiewicz, Treasury Manager
The total funds available for distributions are **$866,283.** State ATAX revenue has not been disbursed to the Town of Bluffton and Local ATAX represents revenue through March 31, 2020 due to the timing of the ATAC meeting. We have 3 applicants for this quarter with $306,000 for requests.

(DMO) Hilton Head Island - Bluffton Chamber of Commerce: Bluffton Marketing Plan 2020-21:
Ariana Pernice, Vice President, Hilton Head Island – Bluffton Chamber of Commerce provided and overview. Due to the current and potential impacts of COVID-19 changes to planned budget have been made. Pernice explained because of the pandemic attempts to project the budget and plan will remain fluid. Bluffton has received Awards and Mentions over 2019 & 2020. With the social channels and website having a 266% overall growth rate, support for these areas are planned to continue. Potential planning is expected to show areas of focus with social, digital push and website. Key areas include "District" designation, National Historic Registrar Designations (Church of the Cross & AME Campbell Chapel), Wright Family Park, Garvin-Garvey House, Bluffton Oyster Company, Palmetto Bluff & the May River. Outreach for these places will be laser targeted to different demographics and personas. New strategies and tactics will be used to streamline and focus in on what is attainable from a marketing perspective. Britt asked if there is the ability to either "scale-up" or "scale-down" the budget should the economy change. Ray Deal, Controller explained a revised budget may need to be submitted depending on what changes come. The DMO budget has been decreased by 60% to adjust for COVID-19.

Kropiewnicki motioned to approve the budget and marketing plan for FY2021. Tripka Seconded. The motion carried unanimously.

Bluffton Historical Preservation Society: Welcome Center at the Heyward House – $190,000:
Kelly Graham, Executive Director and Katie Epps, Director and Curator, provided an overview. Graham provided an overview to the name changes from Bluffton Historical Preservation Society to Historic Bluffton Foundation. Graham explained their budget has dropped from $300,000 to $267,000. The same amount of $190,000 is being asked for this year. Anticipated revenue has been cut drastically due to the inability to hold events. Graham stated they have cut $20,000 from their marketing budget to balance the shortfall in revenue. Over the past year Common Ground has proven to be an income generator, raising over $20,000 through events and rentals. Marketing efforts have shifted focus, with Facebook, drive markets and YouTube channel. The completed film of the history of Bluffton has been released and is available on the Heyward House and HBF (Historic Bluffton Foundation) websites. Graham explained in the 10 days the movie has been available it has been viewed 1,000 times. In-house social media marketing will include 1-minute historic video posts (VLOGS) relating to the Heyward House, artifacts, Bluffton and a virtual history home school program. Britt asked if the CIP fund has been started in their budget. Epps stated this was anticipated to begin this year but without the ability to hold events there unable to generate the additional revenue.

Wilson motioned to grant $190,000 as presented in the Staff Report. Shumaker seconded. The motion carried 6-0 in favor; Pringle recused himself.

Palmetto Bluff Conservancy: Well Living - $100,000:
Alex Gregory, Director of Sales and Marketing gave an overview. Well Living is a first-time event, hosted at the Montage in July. The anticipation is to have this be a continued, sought-after event once travel plans become normal. International and national practitioners, speakers and healers are planned to bring new health focus to the area. Gregory stated the request is for the talent and marketing efforts for the event. Parker asked to confirm if the expected turnout is only for 125 people. Gregory confirmed, adding the original turnout was expected at 250. The current budget is reflected at the reduced amount. Individual ticket sales are close to $3,000 each. Gregory explained the $10,000 for marketing includes website, digital marketing, Montage/Palmetto Bluff database, print ads. Tripka asked how this will become a viable ongoing event. Gregory stated this is intended to be a twice a year event, in both July and January, with hopes of becoming self-sustainable. Britt explained certain expenses are the only eligible parts of the event for funding and not all expenses are eligible per State Code.

Tripka motioned to grant $66,095.45 as presented in the Staff Report. Pringle seconded. The motion carried 5-0 in favor; Kropiewnicki and Shumaker recused themselves.

Society of Bluffton Artists: Promoting the Arts in the Lowcountry and Beyond - $12,000:
Bill Bogle, President of SoBA provided an overview. SoBA credit card transactions and guest book show over 50% are from out of state or out of country. The request for SoBA is directly for public relations and advertising. Methods of advertising include newspapers, print media, information at airports, online services and social media. Kropiewnicki asked for options on revenue generation from virtual art classes? Bogle explained online classes are difficult for instruction and virtual art sales are not as profitable as consumers tend to touch a piece before purchasing. Clarification on the requested amount versus the eligible amount of $12,000 was reviewed. Per the ATax application guidelines only up to 50% of the total budget is eligible.

Shumaker motioned to grant $12,000 as presented in the Staff Report. Kropiewnicki seconded. The motion carried unanimously.

TOWN OF BLUFFTON AGREEMENT
Contract Number 2019-33

COUNTY OF BEAUFORT **STATE OF SOUTH CAROLINA**

THIS AGREEMENT is made the 16th of OCTOBER, 2019 between Hilton Head Island – Bluffton Chamber of Commerce (hereinafter called "Chamber") and the Town of Bluffton (hereinafter called "Town"), a municipal corporation organized and existing under the laws of the State of South Carolina.

WHEREAS, the Town is a recipient of an allocation of State accommodations tax revenues ("ATAX") as defined in South Carolina Code ("S.C.C.") Section 6-4 which must be allocated to a special fund and used only for advertising and promotion of tourism to develop and increase tourist attendance through the generation ofpublicity.

WHEREAS, Chapter 24 of the Bluffton Code of Ordinances allows for locally generated ATAX to be used for advertisements and promotions related to tourism development.

WHEREAS, S.C.C. 6-4 and Chapter 24 of the Bluffton Code of Ordinances specify that one or more organizations may be selected to receive these funds to further such advertisement and promotions so long as they meet specific criteria, including but not limited to: being organized as a non-profit organization employing a full- time executive director, submit an annual budget of planned expenditures, and provide an annual audited financial report generated in accordance with generally accepted accounting principles ("GAAP").

WHEREAS, the Town desires to enter into an Agreement with a non-profit who meets all of the statutory criteria for the purpose of advertising and promotion of tourism to develop and increase tourist attendance within the Town of Bluffton;

WHEREAS, the Town published a Request for Proposal detailing a scope of work, deliverables and specific schedule, and the Chamber responded thereto, and

WHEREAS, the Town and Chamber desire to enter into an Agreement wherein the Chamber shall provide such services as set forth herein and described in their Request for Proposal response 2019-33.

NOW, THEREFORE, for and in consideration of the mutual promises, undertaking and covenants set forth herein, the receipt and sufficiency of which are acknowledged and affirmed by the Town and the Chamber, the parties hereto agree as follows:

1. **Chamber Obligations.**

1.1 Audit. The Chamber agrees to provide an independent auditor's financial report to the Town on an annual basis for each fiscal year it is under contract. The Chamber's fiscal year runs from July 1 to June 30. The audit shall be delivered to the Town no later than November 15 after the applicable fiscal year ends.

The following standards shall apply to the audit and/or the auditor:

(a) The audit shall be conducted in conformity with the statements, rules, policies, and procedures set forth by the American Institute of Certified Public Accountants ("AICPA").

(b) The audit shall be performed in accordance with generally accepted auditing standards ("GAAS").

(c) The auditor must comply with all applicable statement on auditing standards ("SAS") that are issued by the Auditor's Standing Board of the AICPA.

(d) The auditor must maintain malpractice insurance in an amount equal to at least One Million dollars ($1,000,000.00).

(e) The auditor must provide evidence of successful completion of the peer review process approved by the AICPA.

1.2 DMO Report. On a quarterly basis, the Chamber shall produce and deliver to the Town a schedule of revenues and expenses incurred to date for each fiscal year ("the Report") for the designated marketing organization division of the Chamber ("DMO"). The DMO revenue shall include all accommodation tax revenue received from the Town and/or the State of South Carolina. This Report shall be produced under the standards set forth above in Section 1.1(a), (b), and (c) and by the same auditor that has satisfied the standards set forth above in Section 1.2(d) and (e). The Quarterly Reports shall be delivered to the Town within 30 calendar days following October 1, January 1, and April 1, and the Annual Report with cumulative data no later than November 15 after the applicable fiscal year ends.

1.3 ATAX Disbursements. The Chamber shall manage and direct the expenditure of any ATAX monies disbursed to them, whether State or local in origin. In addition, the Chamber shall be eligible to apply for quarterly supplemental grants from the accommodation tax pool and from the emergency reserve fund established by the Town. All public funds received by the Chamber shall be subjected to the auditing and reporting requirements of this Agreement.

1.4 Process. The Chamber shall submit a budget of planned expenditures and a marketing plan ("MP") for the ATAX disbursement for each fiscal year. The MP shall be recommended by the Chamber's marketing professionals and the MP and the budget shall be approved by the Board of Directors of the Chamber. The budget and MP will then be submitted to the Town prior to April 1, The Town's accommodations tax committee ("ATAC") will review and make recommendation to Town Council. Upon the recommendation by the ATAC, the budget and MP shall be forwarded for approval to Town Council before the beginning of each fiscal year.

1.5 Inspection Rights. The Chamber shall provide access, upon reasonable notice, to the Town Manager, Town Council member(s), or Town Manager's designee (who possesses sufficient financial acumen) to inspect the necessary financial records, including third party invoices, of the Chamber in order to verify compliance of the Report in all material respects. This inspection right may be invoked twice per year.

1.6 Web Site. Subject to an agreement on the costs, the Chamber shall develop and maintain a website that is unique to Bluffton which shall remain the work product of the Town under an open Content Management System platform. The design and functionality of the website should be responsive in a variety of environments including desktop, tablet, and mobile. The Chamber will work with the Town to measure website traffic and develop a comprehensive Search Engine Optimization plan.

2. Performance Standards.

2.1 Industry Metrics. The Chamber shall provide the Town with certain tourism metrics as follows ("Industry Metrics"):

(a) Revenue per available room;

(b) Occupancy rates;

(c) Visitor spending studies;

(d) Return on investment for visitor spending per dollar of investment;

(e) Local tax revenues generated by visitors;

(f) Number of visitors;

(g) Number of referrals made to area businesses and number of website hits and click throughs made to area businesses;

(h) Numbers related to mail fulfillment and other contacts;

(i) Industry awards received for marketing and public relations efforts;

(j) Number of jobs created by tourism;

(k) Events held and participation in events by Chamber members; and

(l) Update on public relations efforts to include number of media impressions and dollar equivalent for the media impressions.

The content and format of the Industry Metrics report may change from time to time at the discretion of the Town and in accordance with activities planned in the Marketing Report. The Industry Metrics reports shall be submitted quarterly within 30 calendar days following October 1, January 1, April 1 and July 1. The Industry Metrics report shall also include year over year metrics as available.

2.2. Key Performance Indicators. The Town shall use the Industry Metrics reports to evaluate the performance of the Chamber against the objectives stated in the Marketing Plan, resulting in an evaluation of Key Performance Indicators ("KPIs"). Such evaluation shall take into account outside effects on tourism such as the state of the economy, weather, etc. In the event that the Town, in its sole discretion, determines that the Chamber is not meeting the objectives of the Key Performance Indicators, it shall work with the Chamber on a remedial plan to cure the deficiencies. If the Chamber does not meet the objectives and deadlines of the remedial cure plan, the Town shall have the right to provide written notice of contract termination.

3. Chamber Covenants and Representations.

3.1 The Chamber covenants and represents that it has all necessary licenses, permissions and authority to enter into this Agreement.

3.2 The Chamber covenants and represents to perform all tasks required under this Agreement with a degree of skill and care of reputable organizations of the same profession nationally.

3.3 The Chamber covenants and represents to properly withhold from all wages, commissions, salaries, and fees paid by the Chamber to third parties or employees, agents, or subcontractors of the Chamber all amounts required by state or federal law to be withheld for or on account of taxes, social security payments, or other withholdings mandated by law or regulation.

3.4 The Chamber covenants and represents that it shall maintain the appropriate amounts and coverages of insurance for general liability, auto liability, and workers compensation as determined by the Town for the entire length of the Agreement. The Chamber must provide the Town with a Certificate of Insurance that names the Town as an additional insured on their general liability policy. The Chamber is required to immediately contact the Town should any change to these policies occur during the course of the performance of this contract.

3.5 The Chamber covenants and represents that it shall comply with the most current Federal and State of South Carolina Laws and Regulations, including but not limited to, Fair Labor Standards Act of 1938, Title VII of the Civil Rights Act of 1964, Americans with Disabilities Act of 1990, the South Carolina Wage Act, the South Carolina Worker's Compensation Act, all laws related to the South Carolina Accommodation Tax, and all Town of Bluffton Ordinances.

3.6 The Chamber covenants and represents that the MP shall include a public relations plan and a social media plan, including development and maintenance of the Town of Bluffton tourism web site.

4. Town Covenants and Representations.

4.1 The Town hereby covenants and represents that it will comply with all state and local accommodation tax laws and ordinances in administering all such funds to the Chamber and other non-profit organizations.

4.2 The Town hereby covenants and represents that it shall comply with all such laws and procedures in a manner not to discriminate against one non-profit versus another non-profit.

4.3 The Town hereby covenants and represents that it shall pass a resolution no later than June 30 of the preceding fiscal year allocating the funding for the upcoming fiscal year.

4.4 The Town hereby covenants and represents that it shall cause the funding to be paid quarterly to the Chamber for the budget and MP to be implemented. Quarterly payments will be made within 5 days of receipt of quarterly State ATAX proceeds.

4.5 The Town hereby covenants and represents not to disturb, violate, request to be violated, any laws, loan covenants, policies and procedures, including but not limited to all federal and state laws, and the South Carolina Non-Profit Act which effect the Chamber.

4.6 The Town hereby covenants and represents that the Town has lawful authority required under State law and Town ordinances to enter into and perform this Agreement.

5. **Term.** This Agreement shall be effective July 1, 2019 and shall continue for a period of up to three (3) years unless otherwise terminated as provided herein. Each party retains the right to terminate this Agreement in accordance with Section 6.

6. **Termination.**

6.1 For Cause. If the Performance Standards have not been met, and the Chamber has not cured in accordance with Section 2.2, the Town may terminate this Agreement by providing ninety (90) day notice to the Chamber. In the event the auditor determines fraud has occurred, the Town may terminate this Agreement immediately.

6.2 For Convenience. Each party shall have the ability to terminate the Agreement by providing the other party 90 days' written notice.

7. **Other Provisions.**

7.1 Headings. Headings to paragraphs in this Agreement shall not interpret or alter the meaning of the words in the respective paragraph, nor any other provision of this Agreement.

7.2 Notices. All notices to each party shall be in writing and sent as follows:

STATE OF SOUTH CAROLINA)
) MEMORANDUM OF AGREEMENT 2017-69
COUNTY OF BEAUFORT)

This Memorandum of Agreement (the "Agreement") between the Town of Bluffton (the "Town") and the Bluffton Historical Preservation Society (the "Historical Society") for the preservation of Bluffton's heritage through advocacy, education and community involvement is entered into this 13th day of December, 2016.

WHEREAS, Town of Bluffton has a rich history and cultural heritage which should be protected and preserved for future generations to experience; and

WHEREAS, on October 16, 1981, the Historical Society was established as a non-profit educational and charitable organization in the State of South Carolina; and

WHEREAS, in February of 1998, the decision was made by the Historical Society to purchase the Cole-Heyward house at 70 Boundary Street to establish a house-museum and raise awareness of the need for historic preservation throughout the Town; and

WHEREAS, on February 9, 2000, the Town established the Historic Preservation Commission pursuant to the authority of Title 6, Chapter 29, Section 870 of the South Carolina Local Government Comprehensive Planning Enabling Act of 1994; and

WHEREAS, on February 14, 2001, Town Council adopted a resolution designating the Heyward House Historic Center as the official Welcome Center for the Town of Bluffton; and

WHEREAS, serving a dual function as the Welcome Center and the Heyward House Historic Center, the Historical Society desires that the Town provide a certain amount of funding through the Accommodations Tax (ATAX) process to assist with the cost of operations; and

WHERAS, accommodations tax may be used by the Town to provide additional services to promote tourism and enlarge its economic benefits through advertising, promotion and providing those facilities and services which enhance the ability of the Town to attract and provide for tourists; and

WHEREAS, on November 9, 2003, the Historical Society adopted a Constitution and By-Laws providing for, among other things, the purpose of the organization; and

WHEREAS, on October 11, 2011, the Town adopted the Unified Development Ordinance which, among other things, provides for the functions, duties and powers of the Historic Preservation Commission.

NOW, THEREFORE, for due and valuable consideration, parties agree-to the following assignments in this arrangement for the betterment of the Old Town Bluffton Historic District, now and into the future:

1. The above recitals are incorporated herein.

2. The Bluffton Historical Preservation Society's roles and responsibilities:

A. **Welcome Center.** As the steward of the Heyward House Historic Center and recipient of ATAX funding restricted solely for the operation of the Town of Bluffton Welcome Center with the purpose of promoting tourism by providing those facilities and services which enhance the ability of the Town to attract and provide for tourists in accordance with the criteria associated with ATAX funding, the Historical Society will:

1) Hold the following hours of operation for the Welcome Center: Monday through Friday 10:00AM – 5:00PM and Saturday 10:00AM – 4:00PM, except for holidays designated by the Board;

2) Collaborate with the Town and Town Staff to utilize the facility during conferences and other Town sponsored events when tours of the facility are desired. Admission fees will not be charged to Staff or the attendees;

3) Permit the Town to have use of the Welcome Center for special events with the approval of the Welcome Center's Executive Director. If such events are held, any expenses to promote and host the event will be paid for by the Town;

4) Present an annual budget for the Welcome Center to the Accommodations Tax Advisory Committee for funding consideration. The budget shall be in the format provided by the Town to include specific line items. The recommendation of the ATAX Committee will be provided to Town Council for consideration and final approval;

5) Regularly adopt a July 1 to June 30 fiscal year;

6) Report the Center's income and expenditures to the Town ten days after the end of each fiscal quarter and provide an update on the number of visitors;

7) Present an annual audit performed by an independent Certified Public Accountant. The audit is to be presented to the Town no later than six months following the end of the fiscal year; and

8) Maintain appropriate levels, in the Town's sole opinion, of insurance for general liability, auto liability, professional liability, and workers compensation coverage. The Historical Society must provide the Town with a Certificate of Insurance for each that names the Town as an additional insured.

B. **Community Outreach and Education.** As the liaison and advocate for historic preservation initiatives to the community, the Historical Society will:

1) Bring together people interested in the history of Bluffton and vicinity;

2) Collect materials which illustrate the history of the area;

3) Disseminate historical information;

4) Preserve historic buildings, sites, material culture and archival material;

5) Hold meetings with lectures and papers;

6) Develop and hold regularly occurring educational programs to include walking tours and interpretation programs of the Garvin House located in Oyster Factory Park;

7) Provide regularly occurring educational and training programs on a variety of historic preservation topics that include, but are not limited to: the history of the Bluffton area – its culture, architecture, and heritage; historic preservation programs for youth; and programs for homeowners of historic houses; and,

8) Provide Bluffton History Class as required per Town of Bluffton Ordinance #2011-07 for all operators/drivers of licensed tour companies operating in the Town of Bluffton.

9) Identify and maintain funding and financial assistance opportunities that may benefit the Old Town Bluffton Historic District and fulfill the current roles and responsibilities of the Historical Society.

C. **Caldwell Archives.** As the steward of the Caldwell Archives, the Historical Society when requested will with ample notice:

1) Provide a representative to review the Caldwell Archives for historical documentation and submit comment and recommendation on the historical significance of applications brought before the Historic Preservation Commission;

2) Provide documentation and comment regarding the abatement of properties that have been placed on the Unsafe, Uninhabited Building/Structure List;

3) Provide access to the historical archives to the Town of Bluffton and their contracted consultants for use during the conducting of cultural and architectural surveys to be performed in the future; and

4) Make the Caldwell Archives available both digitally and in hard copy for public use at least one day per week during set hours and with a fee schedule for research/reproduction services posted on the organization's website.

3. The Town of Bluffton roles and responsibilities:

A. Administrate the regulatory compliance necessary for the promotion, protection, and improvement of the public health, safety, comfort, good order, appearance, convenience, prosperity, morals, and general welfare of the residents of Bluffton including the monitoring and abatement of Unsafe, Uninhabited Buildings/Structures;

B. Coordinate the Historic Preservation Commission and the processing and review of Certificates of Appropriateness for the alteration, erection, renovation, demolition,

relocation, or removal, in whole or in part, of any structure located within a HD designated zoning district;

C. Perform all necessary reporting, survey, and documentation to maintain the Certified Local Government status of the Town jointly administered by the National Parks Service (NPS) and the State Historic Preservation Offices (SHPOs);

D. Partner in the research, application, and administration of economic development incentives and other grant, funding, or volunteer opportunities;

E. On the request of the Welcome Center's Executive Director, the Town may, when feasible, provide limited landscaping services to the Welcome Center;

F. Publicize and promote events, exhibits, and services sponsored by the Historical Society or occurring at the Welcome Center through the Town's Public Information Office; and

G. Facilitate and assist the Historical Society with the long-term, safekeeping and stewardship of the Caldwell Archives in a properly controlled environment in a centralized location on-site at Town Hall or at another public facility.

4. Terms of the Agreement.

A. The term of this Agreement shall be for a period of one year commencing on July 1, 2016 and ending June 30, 2017. This agreement will automatically renew on an annual basis for one year terms commencing on July 1 of each successive year, unless terminated in accordance with this Memorandum of Agreement;

B. The Town Manager or his designee may terminate his Agreement within ninety day notice, in whole or in part, at any time for the convenience of the Town. If this Agreement is terminated for the convenience of the Town, the Town will pay the Society the remaining funds approved by Town Council for the then-current fiscal year, if any. The Historical Society may, with ninety days written notice, terminate the agreement;

C. The parties hereto intend that no master/servant, employer/employee, or principal/agent relationship will be created by this Agreement. Nothing contained herein creates any relationship between the Town and the Historical Society other than that which is expressly stated herein. The Town is interested only in the results to be achieved under this Agreement. The conduct and control of the Society's agents and employees and methods utilized in fulfilling its obligations hereunder shall lay solely and exclusively with the Historical Society. The Historical Society's agents or employees shall not be considered employees of the Town for any purpose. No person employed by the

Historical Society shall have any benefits, status, or right of employment with the Town; and

D. The Historical Society shall defend, indemnify, and hold harmless the Town, its officers, directors, agents, and employees from and against any and all actions, costs, claims, losses, expenses, and/or damages, including attorney's fees, whether incurred prior to the institution of litigation, during litigation, or an appeal arising out of or resulting from the conduct of any activity hereby authorized or the performance of any requirement imposed pursuant by this Agreement, however caused or occasioned, unless caused by the willful misconduct or gross negligence of the Town.

TOWN COUNCIL

STAFF REPORT
Department of Finance & Administration

MEETING DATE:	May 12, 2020
PROJECT:	Formal Agenda Item: An ordinance authorizing the Town Manager to extend the deadline for payment of Business License tax renewals until August 7, 2020 and to waive all late fees that may have been assessed on renewals due but not paid between April 30, 2020 and August 7, 2020 - Second Reading.
PROJECT MANAGER:	Chris Forster, MPA, CPFO, CGFM, Director of Finance & Administration

RECOMMENDATION: The Town Council approve the proposed ordinance to extend the Business License tax renewal deadline from the current June 14, 2020 deadline until August 7, 2020, and to waive all late penalties for payments received from April 30, 2020 through August 7, 2020.

BACKGROUND: On March 13, 2020, President Donald Trump declared a national emergency to assist with combating the outbreak of respiratory illness due to a novel coronavirus (COVID-10. On March 15, 2020, the Honorable Henry McMaster, Governor of South Carolina, issued Executive Order No. 2020-08 related to 2019 Novel Coronavirus (COVID-19) and declared that a State of Emergency exists in South Carolina. On March 16, 2020, Mayor Lisa Sulka and the Town of Bluffton declared a local state of emergency in the Town of Bluffton. On April 14, 2020 the Council passed an ordinance to extend the deadline for Hospitality Tax remittance, Local Accommodations tax remittance and the Business License renewal deadline until June 14, 2020. On April 28, 2020 Town Council approved the first reading of the proposed ordinance to extend the Business License tax renewal deadline from the current June 14, 2020 deadline until August 7, 2020.

DISCUSSION: The deferral of outstanding Business License renewal fees will delay the collection of an estimated $1.0 million until August 7, 2020. The Town currently has sufficient cash balances in the corresponding funds to sustain us until the revised tax due date of August 7, 2020.

ORDINANCE No. 2020-_____

TOWN OF BLUFFTON, SOUTH CAROLINA

AN ORDINANCE OF THE TOWN OF BLUFFTON, SOUTH CAROLINA, IN FURTHERANCE OF THE HEALTH, PUBLIC SAFETY AND WELFARE OF THE TOWN OF BLUFFTON, SOUTH CAROLINA, TO FURTHER TEMPORARILY SUSPEND THE ACCRUAL OF THE TOWN'S BUSINESS LICENSE PENALTIES AND INTEREST FOR LATE PAYMENTS; MATTERS RELATED THERETO; AND SEVERABILITY

WHEREAS, on March 31, 2020, the Town passed Ordinance 2020-4 which extended the deadlines for the payment of business license fees through June 14, 2020, which Ordinance 2020-4 is hereby incorporated fully herein as if repeated verbatim; and,

WHEREAS, the Town of Bluffton Town Council believes that it is in the best interest of the citizens and business community of the Town of Bluffton to take decisive action in mitigating the negative fiscal impact of the pandemic to the small business community; and,

WHEREAS, in furtherance of its goals to mitigate the damages caused to the general safety, welfare, health and properties of the citizens of the Town of Bluffton by COVID-19, the Bluffton Town Council adopted the Town of Bluffton Small Business Economic Resiliency Plan on April 23, 2020, which is hereby incorporated fully herein as if repeated verbatim; and,

WHEREAS, the Town of Bluffton Small Business Economic Resiliency Plan encouraged Town Council to adopt an ordinance extending the business license payment deadline to August 7, 2020, for calendar year 2020; and,

WHEREAS, to establish the necessary provisions to accomplish the above, the Town of Bluffton has the authority to enact resolutions, ordinances, regulations, and procedures pursuant to Section 5-7-30 of the South Carolina Code of Laws, 1976, as amended; and,

WHEREAS, the Town of Bluffton Town Council has the power and authority to examine ordinances to ensure that they are properly regarded, enforced, sufficient and satisfactory to the needs of the community and can further suggest amendments as Town Council deems appropriate; and,

WHEREAS, the Town Council of the Town of Bluffton has determined that it is in the best interests of the Town and its citizens, residents, guests, and small businesses to extend the deadline for the payment of 2020 business license fees as authorized under Chapter 6, *Business and Business Regulations*, Article II, *Business Licenses and Regulations*, of the Bluffton Code of Ordinances, until August 7, 2020.

NOW THEREFORE, BE IT ORDERED AND ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF BLUFFTON, SOUTH CAROLINA, in accordance with the foregoing, as follows:

ARTICLE I. **INTENT AND PURPOSE**: The COVID-19 pandemic has had a tremendous impact on local economies throughout the nation, the State, our region, and our town. In an effort to minimize the human loss caused by this pandemic, our local businesses have curtailed services and/or shuttered their doors – many voluntarily - at great financial cost to them. These businesses and industries, in particular, our local food and beverage industry, are essential to a thriving Bluffton economy. They help create and solidify the social, business,

political, religious, civic, and familial relationships that make Bluffton unique. A grace period on the payment of local taxes serves a compelling public interest in substantially increasing the ability of these establishments to reopen after the pandemic subsides, to retain or rehire hundreds if not thousands of unemployed individuals, and to reestablish our local financial and cultural economy. Further, this grace period is intended to save our already burdened taxpayers from spending additional time and money on the preparation and filing of reports and the remittance of tax payments, and to encourage individuals to stay at home.

ARTICLE II. **FURTHER \ EXTENSION OF APRIL 30TH DEADLINE FOR BUSINESS LICENSE RENEWAL AND SUSPENSION OF LATE FEES**: Section 6-22(a) of the Code of Ordinances for the Town of Bluffton, South Carolina, (the "***Town Code***") sets forth a deadline of April 30th for the renewal of all business licenses within the Town of Bluffton. The deadline contained within Section 6-22(a) of the Town Code is hereby amended from April 30, 2020, to August 7, 2020, for all 2020 business licenses. Moreover, all late penalties or interest imposed under Chapter 6, Article II, of the Town Code for the late payment of business license renewals are hereby suspended from March 16, 2020, through August 7, 2020. This extension shall apply only to 2020 business licenses and not to any prior year's business licenses or future years' business licenses.

ARTICLE III. **INCORPORATION**: The above recitals are hereby incorporated herein as if restated fully and are hereby made an integral part hereof so that their contents are a substantive part of this Ordinance. Moreover, this Ordinance is issued in accordance with, and incorporates by reference, Executive Order No. 2020-08 issued by the Honorable Henry McMaster, Governor of South Carolina, on March 13, 2020, declaring that a State of Emergency exists in South Carolina, as further supplemented by additional Executive Orders from the Governor, including but not limited to Executive Order No. 2020-13, and all emergency ordinances and proclamations of the Town of Bluffton, South Carolina, including but not limited to any Emergency Ordinance passed prior hereto.

ARTICLE IV. **SEVERABILITY**: If any provision, clause, sentence or paragraph of this Ordinance or the application thereof to any person or circumstances shall be held invalid, that invalidity shall not affect the other provisions of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are declared to be severable.

DONE, RATIFIED AND ENACTED this ____ day of _____, 2020.

This Ordinance was read and passed at First Reading on April ____, 2020.

Lisa Sulka, Mayor
Town of Bluffton, South Carolina

Kimberly Chapman, Clerk

TOWN COUNCIL

STAFF REPORT
Department of Growth Management

MEETING DATE:	May 12, 2020
PROJECT:	Consideration of Approval of an Ordinance to the Town of Bluffton Code of Ordinances, Chapter 28 – Utilities, Article IV – Small Wireless Facilities in Covered Areas– First Reading
PROJECT MANAGER:	Heather Colin, AICP Director of Growth Management

REQUEST: Approve first reading of an ordinance to amend Chapter 28 – Utilities, Article IV - Small Wireless Facilities in Covered Areas.

BACKGROUND: This ordinance is new in its entirety to establish regulations for wireless "small cell facilities" in public rights-of-way (i.e., covered areas). If adopted, the ordinance will be placed into the Utilities chapter of the Code of Ordinances for the Town of Bluffton.

Small cell facilities are intended to support the next generation of cellular service (5G), which provides greater bandwidth and faster download speeds for the increasing number of devices that require wireless service.

Unlike cell towers that cover a broad area, a small cell facility is an antenna (and its related equipment) that provides cellular coverage for a radius of approximately 1500 feet. Typically, the antenna is attached to a structure within a public right-of-way that is less than 50 feet in height. These types of facilities are mostly located in densely populated places but will expand with the growth of 5G technology.

To deploy these types of facilities quickly and less expensively, the telecommunications industry prefers to use structures within public rights-of-way, such as light poles and traffic light structures. To avoid delays and expenses that occurred when cell towers were first deployed, the telecommunications industry has, to some degree, attempted to pre-empt the degree to which local governments can regulate these facilities.

A Federal Order released by the Federal Communications Commission in September 2018 is intended to remove regulatory barriers that were commonplace with cell towers. This includes a "shot clock" to expedite plan review, capping application costs and limiting aesthetic review of the entire facility.

More than 25 states have adopted legislation, suggested by the telecommunications industry that is even more restrictive than the Federal Order with regards to local government control. The State of South Carolina is also considering similar legislation. House Bill 4262 was approved by the House in 2019; it is presently under review by a Senate sub-committee.

The proposed ordinance is based on a model ordinance provided by the Municipal Association of South Carolina (MASC), which it crafted with the telecommunications industry to streamline the review and permitting process. The ordinance is intended as a guide to prepare local governments to receive applications.

The proposed ordinance is attached as Attachment 1.

NEXT STEPS: Should Town Council consider approval of First Reading of the proposed Ordinance, Staff will present the Ordinance for approval of Second and Final Reading at the June 9, 2020 Town Council Meeting.

ORDINANCE NO. _____

AN ORDINANCE TO ESTABLISH THE STANDARDS FOR THE PLACEMENT OF SMALL WIRELESS FACILITIES IN COVERED AREAS IN THE TOWN OF BLUFFTON, SOUTH CAROLINA; AND FOR OTHER PURPOSES.

WHEREAS, the Town of Bluffton ("Town") encourages wireless infrastructure investment in a manner that promotes the interests of the public health, safety and welfare; and,

WHEREAS, the Town recognizes that Small Wireless Facilities together with high capacity transport medium such as fiber optic cabling may be effectively deployed in Public Rights-of-Way upon certain terms and conditions; and,

WHEREAS, this Ordinance is intended to grant non-exclusive and conditional municipal consent to use of Rights-of-Way and establish a standard application process for the review of permits for Small Wireless Facilities,

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE TOWN OF BLUFFTON, SOUTH CAROLINA, that The Code of Ordinances for the Town of Bluffton, South Carolina, is hereby amended by adding a new Article IV to Chapter 28 (Utilities) entitled "Small Wireless Facilities in Covered Areas," and which shall read as follows:

Sec. 28-50. - *Definitions.*

The following words or phrases, as used in this Article, shall have the following respective meanings as set forth in this Section unless context dictates otherwise:

"Antenna" means communication equipment that transmits or receives electromagnetic radio frequency signals used in the provision of Wireless Services.

"Applicable Codes" means uniform building, energy, electrical, plumbing, mechanical, gas, and fire codes in Title 6, Chapter 9 of the South Carolina Code of Laws, local amendments to those codes authorized by state law, and local codes or ordinances which impose requirements defined in Section 5 of this Ordinance including objective design and concealment standards to regulate location, context, material, color, stealth and concealment standards on a uniform and nondiscriminatory basis.

"Applicant" means any person who submits an Application to a Town and is a Wireless Services Provider or a Wireless Infrastructure Provider.

"Application" means a request submitted by an Applicant for a permit to (i) Collocate Small Wireless Facilities; or, (ii) construct, install, maintain, operate, replace or modify a Utility Pole or Wireless Support Structure.

"*Cable, Communications, Fiber or Electric Easement*" means an easement, granted to a cable or video service provider, a communications service provider (including without limitation a telephone utility), a fiber optics cable services provider, or an electric services provider created or authorized by state law to provide such services, that runs within a Rights-of-Way and is occupied by existing Utility Poles or Wireless Support Structures carrying electric distribution lines, wires, cable, conduit, fiber optic cable for telecommunications, cable or electric service or supporting municipal street lights, or security lights. The term Cable, Communications, Fiber or Electric Easement excludes easements for service drops or lines connecting the customer's premises to the cable, communications, fiber or electrical provider.

"Collocate" means to install, mount, maintain, modify, operate, or replace one or more Wireless Facilities on, under, within, or adjacent to an existing Wireless Support Structure or Utility Pole located in Covered Areas

within the jurisdiction of the Town. "*Collocation*" has a corresponding meaning.

"*Covered Areas*" means the surface of, and the space above and below, any public "Rights-of-Way," "ROW," "Town Rights-of-Way," "Public Rights-of-Way," and/or "Cable, Communications, Fiber or Electric Easement" as those terms are defined herein.

"Day" means calendar day unless the last day for the Town or an Applicant to take action under this Ordinance ends on a weekend, holiday, or time when all but Town emergency services are closed due to weather or some unforeseen situation.

"Decorative Pole" means a Utility Pole specially designed and placed for aesthetic purposes and on which no appurtenances or attachments, other than specially designed informational or directional signage or a temporary holiday or special event attachments, have been placed or are permitted to be placed according to nondiscriminatory municipal practices.

"*Design District"* means an area that is zoned, or otherwise designated by municipal ordinance, and for which the Town maintains and enforces unique design and aesthetic standards on a uniform and nondiscriminatory basis. The following areas are within the Design District: Highway Corridor Overlay District, as defined by the Chapter 23 of the Muni-Code (Unified Development Ordinance).

"*Fee"* means a one-time charge.

"*Historic District*" means an area that is zoned or otherwise designated as a Historic District under municipal, state or federal law and for which the Town maintains and enforces unique design and aesthetic standards on a uniform and nondiscriminatory basis. The following areas are within the Historic District: Old Town Bluffton Historic District as defined by the Official Zoning Map of the Town of Bluffton.

"*Micro Wireless Facility*" means a Small Wireless Facility that meets the following qualifications: (i) is not larger in dimension than 24 inches in length, 15 inches in width, and 12 inches in height; and, (ii) any exterior antenna is no longer than 11 inches.

"Person" means an individual, corporation, limited liability company, partnership, association, trust, or other entity or organization, including the Town.

"Rate" means a recurring charge.

"Rights-of-Way" or "ROW" or "Town Rights-of-Way" or "Public Rights-of-Way" means that area on, below, or above a public roadway, highway, street, sidewalk, alley dedicated to, managed or controlled by the Town, County or the State of South Carolina, but not including a federal interstate highway, in the Town.

"Small Wireless Facility" means a Wireless Facility that meets both of the following qualifications: (i) each antenna is located inside an enclosure of no more than six (6) cubic feet in volume, or, in the case of an antenna that has exposed elements, the antenna and all of its exposed elements could fit within an imaginary enclosure of not more than six (6) cubic feet; and (ii) all other wireless equipment associated with the facility is cumulatively no more than twenty-eight (28) cubic feet in volume. The following types of associated ancillary equipment are not included in the calculation of equipment volume: electric meter, concealment elements, telecommunications demarcation box, ground-based enclosures, grounding equipment, power transfer switch, cut-off switch, and vertical cable runs for the connection of power and other services.

"Supplemental Review Districts" means Design, Historic and Underground districts.

"Town-Owned Pole" means (i) a Utility Pole owned or operated by the Town in Covered Areas, including a Utility Pole that provides lighting or traffic

control functions, or other law enforcement functions, including light poles, traffic signals, and structures for signage, and (ii) a pole or similar structure owned or operated by the Town in a Covered Area that supports only Wireless Facilities. The term does not include a Utility Pole owned or operated by and accounted for as an asset of a municipal electric utility.

"Transmission Pole" means a pole or similar structure that is used in whole or in part to carry electric transmission (as opposed to distribution) lines.

"Underground District" means an area that is designated by ordinances, zoning regulations, state law, private deed restrictions, and other public or private restrictions, that prohibit installing above ground structures in a Covered Area and for which the Town maintains and enforces standards on a uniform and nondiscriminatory basis.

"Unified Development Ordinance Administrator" as defined under the Unified Development Ordinance as set forth in Chapter 23 of the Town of Bluffton Code of Ordinances and shall also include his or her designees. Unless the context requires otherwise, anytime administrator action is required, the Unified Development Ordinance Administrator shall have authority.

"Utility Pole" means a pole or similar structure that is used in whole or in part for the purpose of carrying electric distribution lines or cables or wires for telecommunications, cable or electric service, or for lighting, traffic control devices, traffic control or directional signage, or a similar function regardless of ownership, including Town-Owned Poles. Such term shall not include structures supporting only Wireless Facilities, nor shall it include Wireless Support Structures.

"Wireless Facility" means equipment at a fixed location that enables Wireless Services between user equipment and a communications network, including: (i) equipment associated with wireless communications; (ii) radio transceivers, antennas, coaxial or fiber-optic cable, regular and backup power

supplies, and comparable equipment, regardless of technological configuration. The term includes Small Wireless Facilities. The term does not include the structure or improvements on, under, or within which the equipment is Collocated, wireline backhaul facilities, coaxial or fiber optic cable that is between Wireless Support Structures or Utility Poles or coaxial or fiber optic cable that is otherwise not immediately adjacent to, or directly associated with, an Antenna.

"Wireless Infrastructure Provider" means any Person including a Person authorized to provide telecommunications service in the State, that builds, installs or maintains Utility Poles, wireless communication transmission equipment, Wireless Facilities or Wireless Support Structures.

"Wireless Services" means any services provided using licensed or unlicensed spectrum, including the use of Wi-Fi, whether at a fixed location or mobile, delivered to the public using Wireless Facilities.

"Wireless Services Provider" means a Person who provides Wireless Services.

"Wireless Support Structure" means a freestanding structure, such as a monopole or, other existing or proposed structure designed to support or capable of supporting Wireless Facilities. Such term shall not include a Utility Pole.

Section 2. *Purpose and Scope.*

(a) The purpose of this Ordinance is to provide policies and procedures for the placement of Small Wireless Facilities in Covered Areas within the jurisdiction of the Town.

(b) It is the intent of this Ordinance to establish uniform standards including, but not limited to:

(i) Prevention of interference with the use of streets, sidewalks, alleys, parkways, traffic light poles or other light poles, and other public ways and places;

(ii) Prevention of visual and physical obstructions and other conditions that are hazardous to vehicular and pedestrian traffic;
(iii) Prevention of interference with other facilities and operations of facilities lawfully located in Covered Areas or public property;
(iv) Preservation of the character of neighborhoods where facilities are installed; and,
(v) Preservation of the character of historic structures, or historic neighborhoods, including but not limited to such structures or neighborhoods listed on the National Register of Historic Places or locally designated Historic Districts.

Section 3. *Permitted Use; Application Process and Fees.*

(a) ***Permitted Use and Consent.*** Collocation of a Small Wireless Facility on an existing Utility Pole or Wireless Support Structure, or a new or modified Utility Pole or Wireless Support Structure installed in a Covered Area shall be a permitted use, except in Supplemental Review Districts where such facilities are a conditional use, subject to administrative review, conditions and other requirements in Section 5. In accord with Article VIII, Section 15 of the State Constitution and related municipal code and ordinance provisions, the Town consents to the use of Public Rights-of-Way by permit holders acting in compliance with this Ordinance.

(b) ***Permit Required.*** No person shall place a Small Wireless Facility in a Covered Area without first filing a Small Wireless Facility Application and obtaining a permit, except as otherwise provided in this Ordinance.

(c) ***Permit Applications.*** All Small Wireless Facility Applications filed pursuant to this Ordinance shall be on a form, paper or electronic, as required by the Town. The Applicant must designate portions of its Application materials that it reasonably believes contain proprietary or confidential

information as "proprietary" or "confidential" by clearly marking each page of such materials accordingly. All documents submitted as part of a small wireless facility application may be subject to public disclosure in accordance with state law. An application is not complete until all required information is provided.

(d) ***Application Requirements.*** The Small Wireless Facility permit Application shall be made by the Applicant, or its duly authorized representative as noted in a notarized statement from a Person with the Applicant with authority to make such an authorization, and shall contain, at minimum, the following:

(i) The Applicant's name, address, telephone number and e-mail address;

(ii) Facility owner's name, address, telephone number and email address, if different from Applicant;

(iii) Intended facility use: owner operated or owner leased capacity;

(iv) The names, addresses, telephone numbers, and e-mail addresses of all consultants, if any, acting on behalf of the Applicant with respect to the filing of the Application;

(v) A general description of the proposed scope of work for the Collocation of the Small Wireless Facility. The scope and detail of such description shall be appropriate to the nature and character of the work to be performed, with special emphasis on those matters, including but not limited to sub-surface utilities, likely to be affected or impacted by the work proposed;

(vi) Identification of any consultant that is acting on behalf of the Applicant and that is authorized to speak with the Town, or a designee of the Town, on the area of consultation for the Applicant even if the Applicant cannot be available;

(vii) Verification from an appropriate representative of the Applicant that the Small Wireless Facility shall comply with all Applicable Codes;

(viii) Verification of payment of the annual municipal consent or administrative fee for telecommunications companies to use Public Rights-of-Ways pursuant to Section 58-9-2230;

(ix) Verification of local business license, if applicable;

(x) Evidence the Applicant is duly authorized to do business in South Carolina;

(xi) Evidence the Applicant has received any necessary certificate of public convenience and necessity or other required authority from the South Carolina Public Service Commission or the Federal Communications Commission or evidence that it is not required;

(xii) A copy of an approved encroachment permit by the applicable governing agency, including but not limited to the South Carolina Department of Transportation and all documents required by the public authority as part of the encroachment permit application, if the proposed location is within a Right-of-Way; and,

(xiii) If the proposed location is outside of a Right-of-Way, a statement that the Applicant has a lease, attachment agreement or other authorization from the owner of the Utility Pole or structure proposed for Collocation.

(e) ***Routine Maintenance and Replacement.*** An Application shall not be required for:

(i) Routine maintenance;

(ii) The replacement of a Small Wireless Facility with another Small Wireless Facility that is substantially similar or smaller in size, weight, and height; or

(iii) The installation, placement, maintenance, operation, or replacement of Micro Wireless Facilities that are strung on cables between existing Utility Poles and/or Wireless Support Structures in compliance with the National Electrical Safety Code by a Wireless Services Provider or a Wireless Infrastructure Provider that is authorized to occupy the Public Rights-of-Way and that is remitting a consent, franchise, or administrative Fee pursuant to S.C. Code Ann. § 58-9-2230.

(f) ***Information Updates.*** Any amendment to information contained in a permit Application shall be submitted in writing to the Town within ten (10) business days after the change necessitating the amendment.

(g) ***Consolidated Application.*** An Applicant seeking to Collocate multiple Small Wireless Facilities may, at the Applicant's discretion, file a consolidated Application and receive a single permit for up to twenty (20) Small Wireless Facilities. Provided, however, the Town's denial of any site or sites within a single Application shall not affect other sites submitted in the same Application. The Town shall grant a permit for any and all sites in a single Application that it does not deny subject to the requirements of this Section.

(h) ***Application Fees.*** Unless otherwise provided by law, and except as to telecommunication companies exempted pursuant to S.C. Code § 58-9-2230, all Applications for permits pursuant to this Ordinance shall be accompanied by a Fee of $100.00 for each Small Wireless Facility, except that the Fee for Small Wireless Facilities addressed in a consolidated Application shall be $100.00 each for the first five Small Wireless Facilities and $50.00 for each additional Small Wireless Facility up to a maximum of twenty (20) Small Wireless Facilities. For clarity, any Applicant that pays either a franchise, consent Fee, or administrative Fee pursuant to the requirements of S.C. Code § 58-9-2230 shall not be required to pay any building permit Fee, zoning

permit Fee, encroachment Fee, degradation Fee, or any other Fee assessed on a telecommunications provider for its occupation of or work within the ROW.

(i) ***Interference with Public Safety Equipment.*** A Small Wireless Facility shall be operated and maintained in a manner that does not interfere with public safety (police, traffic control, fire and emergency services) equipment.

Section 4. *Action on Permit Application.*

(a) ***Review of Small Wireless Facility Applications.*** The Town shall review the Application for a Small Wireless Facility permit for conformity with applicable requirements of this Ordinance and all Applicable Codes, and may issue a permit on nondiscriminatory terms and conditions subject to the following requirements:

(i) Within ten (10) days of receiving an Application, the Town must determine and notify the Applicant whether the Application is complete; or if an Application is incomplete, the Town must specifically identify the missing information.

(ii) Make its final decision to approve or deny the Application within sixty (60) days of submission of a completed Application.

(iii) Notify the Applicant in writing of its final decision, and if the Application is denied, specify the basis for a denial, including citations to federal, state or local code provisions and/or statutes on which the denial was based.

(iv) Notwithstanding an initial denial, the Applicant may cure the deficiencies identified by the Town and resubmit the Application within thirty (30) days of the denial, and the Town shall approve or deny the revised Application within thirty (30) days of receipt of it. The subsequent review by the Town shall be limited to the deficiencies cited in the original denial.

(b) ***Review Deadline.*** If the Town fails to either approve or deny an application within the 60-day review period without the consent of the applicant, the applicant may provide notice that the time period has lapsed.

(c) ***Review of Eligible Facilities Requests.*** Notwithstanding any other provisions of this Ordinance, the Town shall approve and may not deny Applications that constitute eligible facilities requests for modification of an eligible support structure that does not substantially change the physical dimensions of such structure as provided in 47 CFR 1.40001, within sixty (60) days according to the procedures established under 47 CFR 1.40001(c).

(d) ***Compensation.*** Subject to the limitations set forth in Section 3(h) herein, every permit shall include as a condition the Applicant's agreement to pay such lawful franchise Fees, business license taxes, administrative Fees and consent Fees as are permitted under applicable South Carolina and federal law. The Applicant shall also pay all applicable ad valorem taxes, service Fees, sales taxes, or other taxes and Fees as may now or hereafter be lawfully imposed on other businesses within the Town.

Section 5. *Requirements for Small Wireless Facilities in Covered Areas.*

(a) ***Administrative Review.*** The Town shall perform an administrative review of permit Applications including the location or installation of new, modified, or replacement Utility Poles and/or Wireless Support Structures and the attachment of Wireless Facilities and equipment on Utility Poles or Wireless Support Structures. Review factors, in addition to location, shall include the size, shape, color, texture, and materials of the structures and attachments.

(i) The Town may require a proposed Wireless Facility be designed to not be significantly more readily apparent or plainly visible (to a reasonable person of ordinary sensibilities) from Covered Areas than existing utility structures, poles and equipment located

within two hundred (200) linear feet on the same Covered Area as the subject Utility Pole or Wireless Support Structure.

(ii) Where Small Wireless Facilities are determined to be appropriate, the use of reasonable stealth and concealment treatments, low profile equipment and control boxes, and screening may be required to avoid material negative impacts on the character and visual aesthetics of the area. However, such requirements may be waived by the Unified Development Ordinance Administrator upon a showing that the particular location of a Small Wireless Facility does not warrant stealth or concealment treatments or imposes an excessive expense. The waiver shall be granted or denied within forty-five (45) days after the date of the request.

(iii) Supplemental Review Districts may be subject to a higher level of review.

(b) *Maximum Size of Permitted Use.*

(i) The height of an Antenna of a Collocated Small Wireless Facility shall be limited to the greater of ten (10) feet above (a) the height of an existing or modified Utility Pole or Wireless Support Structure; or (b) the height of a new Utility Pole or Wireless Support Structure as provided in (ii) below.

(ii) The height of a new or modified Utility Pole, or Wireless Support Structure is limited to the greater of (a) the tallest Utility Pole, excluding Transmission Poles, or Wireless Support Structure located in the same Covered Area, measured from grade, in place within two hundred (200) linear feet on the same Covered Area as the subject Utility Pole or Wireless Support Structure as of the effective date of this Ordinance; or (b) in the absence of any such Utility Pole or Wireless Support Structure, either (i) forty (40) feet

in any area zoned exclusively for single family residential use, unless a waiver is granted for good cause shown, or (ii) fifty (50) feet in any other area.

(iii) Collocation is not allowed on a Decorative Pole less than twenty (20) feet in height.

(c) ***Supplemental Review Districts.*** Collocated Small Wireless Facilitates and new or modified Utility Poles or Wireless Support Structures located in Supplemental Review Districts shall be a conditional use and subject to the design and aesthetic requirements and review processes for structures specified in this Ordinance establishing the Supplemental Review District(s) in addition to the requirement of this Ordinance, provided that the Town will work in good faith with the Applicant to accommodate the installation of Collocated Small Wireless Facilities and new or modified Utility Poles or Wireless Support Structures in Supplemental Review Districts to the fullest extent practicable. The Town reserves its right to maintain and implement the following types of Supplemental Review Districts.

(i) ***Underground Districts***. A Wireless Services Provider or a Wireless Infrastructure Provider shall comply with nondiscriminatory requirements that prohibit electric utilities, telecommunications or cable providers from installing above-ground structures in the Covered Area in these districts. Nothing in this section shall prohibit the use or replacement of existing Utility Poles or Wireless Support Structures in Underground Districts for the Collocation of Small Wireless Facilities subject to administrative review by the Unified Development Ordinance Administrator, appropriate design and concealment and a finding that such use does not increase the height by more than three (3) feet.

(ii) ***Historic and Design Districts.*** As a condition for approval of new Small Wireless Facilities or new Wireless Support Structure in a Historic District or a Design District, the Town may require that a Wireless Services Provider or a Wireless Infrastructure Provider comply with the design and aesthetic standards of the Historic District or Design District to minimize the impact to the aesthetics in a Historic District or on a Design District's Decorative Poles. If design and concealment treatments are determined on review by the Town to be insufficient to mitigate harm to the Historic District or Design District, the Application may be denied.

This section may not be construed to limit the authority of the Town to enforce historic preservation zoning regulations consistent with the preservation of local zoning authority under 47 U.S.C. Section 332(c)(7), the requirements for facility modifications under 47 U.S.C. Section 1455(a), or the National Historic Preservation Act of 1966 (54 U.S.C. Section 300101 et seq.), and the regulations adopted to implement those laws.

(d) ***Appeals, Special Exceptions and Variance Requirements***. Appeals of administrative decisions and requests for special exceptions and variances from the provisions of this Ordinance, when strict application would result in an unnecessary hardship or in the inability to deploy needed Small Wireless Facilities, shall be heard and decided by the Board of Zoning Appeals or equivalent board for architectural, design or historical district reviews. An applicant seeking a Special Exception to construct a new Decorative Pole, Utility Pole or other Wireless Support Structure to Collocate a Small Wireless Facility in an Underground District shall demonstrate, including certification through an engineer, that it has diligently attempted to locate the proposed Decorative Pole, Utility Pole, Wireless Support Structure, or Small Wireless Facility outside of the Underground District and that placement of the Decorative Pole, Utility Pole, Wireless Support Structure, or Small Wireless

Facility within the Underground District is necessary to provide the needed wireless coverage or capacity, and one or more of the following conditions exist supporting a Special Exception:

(i) No existing Utility Pole or Wireless Support Structure is located within the location search radius or to the extent a Utility Pole or Wireless Support Structure is located within the search radius, such Utility Pole or Wireless Support Structure:

a. Is not available for Collocation under commercially reasonable rates, terms, and conditions;

b. Cannot accommodate the Collocation of the Small Wireless Facility and meet the technical requirements necessary to deliver adequate wireless service coverage or capacity; or

c. Would require modifications exceeding the three (3) feet height limitation imposed in section 5(c)(i).

(ii) The only available option to deliver adequate wireless service coverage or capacity in the search radius requires modifications to an existing Utility Pole or Wireless Support Structure exceeding the three (3) feet height limitation imposed in section 5(c)(i) or the installation of a new Utility Pole or Wireless Support Structure for Collocation of a Small Wireless Facility, or

(iii) The applicant has demonstrated other circumstances that, in the reasonable discretion of the applicable review authority, warrant a special exception or variance.

The Applicant shall abide by the design, stealth and concealment treatments imposed as conditions of the special exception.

(e) ***Existing Supplemental Review Districts.*** Nothing in this Ordinance shall prohibit or otherwise limit the Town from establishing additional Supplemental Review Districts, provided however, that facilities and structures for which a permit was approved or deemed approved pursuant to

this Ordinance prior to the establishment of the additional Supplemental Review District remain subject to the provisions of this Ordinance, including routine maintenance and replacement of those facilities and structures as set out in Section 3(e)(i) and (ii) of this Ordinance, and not to any provisions otherwise applicable to the additional Supplemental Review District. If a Wireless Services Provider or a Wireless Infrastructure Provider voluntarily replaces such facilities in a manner that does not comply with Section 3(e)(ii) of this Ordinance, or if a Wireless Services Provider or a Wireless Infrastructure Provider voluntarily relocates such facilities, such replacement or relocation is subject to the then-existing provisions and requirements of the additional Supplemental Review District.

(f) ***Repair of Damage***. A Wireless Services Provider or a Wireless Infrastructure Provider shall repair all damage to a Town Right-of-Way directly caused by the activities of the Wireless Services Provider or the Wireless Infrastructure Provider, while occupying, installing, repairing, or maintaining Wireless Facilities, Wireless Support Structures, Town Utility Poles, or Utility Poles and to return the Right-of-Way to its functional equivalence before the damage. If the Wireless Services Provider or the Wireless Infrastructure Provider fails to make the repairs required by the Town within forty-five (45) days after written notice, unless the Town and the Wireless Services Provider or the Wireless Infrastructure Provider agree in writing to a longer time period, the Town may undertake those repairs and charge the applicable party the reasonable and documented cost of the repairs. The Town may maintain an action to recover the costs of the repairs.

Section 6. *Effect of Permit*.

(a) ***Authority Granted: No Property Right or Other Interest Created.*** A permit from the Town authorizes an Applicant to undertake only certain activities in accordance with the Ordinance, and does not create a property

right or grant any authority whatsoever to the Applicant to impinge upon the rights of others who may already have an interest in the Covered Area.

(b) ***Duration.*** Unless construction has actually begun and is diligently pursued to completion at that point, no permit for construction issued under this Ordinance shall be valid for a period longer than twelve (12) months unless both Town and Applicant agree to a reasonable extension and all required Fees are paid for the term regardless of construction. The inability of the Applicant to obtain electrical power or backhaul transport services to serve the Wireless Facility such that it is operational within the twelve (12) months due to the action or inaction of third-party utility providers shall not result in the invalidity of the permit.

Section 7. *Removal, Relocation or Modification of a Small Wireless Facility in the ROW.*

(a) ***Notice***. Within ninety (90) days following written notice from the Town, a Wireless Services Provider or a Wireless Infrastructure Provider shall, at its own expense, protect, support, temporarily or permanently disconnect, remove, relocate, change or alter the position of any Wireless Facilities or Wireless Support Structures within the Rights-of-Way whenever the Town, in its reasonable discretion, has determined that such removal, relocation, change or alteration, is reasonably necessary for the construction, repair, maintenance, or installation of any Town improvement in or upon, or the operations of the Town in or upon, the Rights-of-Way.

(b) ***Emergency Removal or Relocation of Facilities.*** The Town retains the right to cut or move any Wireless Facility or Wireless Support Structure located within its Rights-of-Way as the Town, in its reasonable discretion, may determine to be necessary, appropriate, or useful in response to any public health or safety emergency. If circumstances permit, the Town shall notify the Wireless Services Provider or the Wireless Infrastructure Provider and provide opportunity to move its own Wireless Facilities or Wireless Support Structure

prior to the Town cutting or removing a Wireless Facility or Wireless Support Structure and the Town shall notify the Wireless Services Provider or the Wireless Infrastructure Provider after cutting or removing a Wireless Facility.

(c) ***Abandonment of Facilities.*** Upon abandonment of a Wireless Facility or Wireless Support Structure within the Town Rights-of-Way, the Wireless Services Provider or the Wireless Infrastructure Provider shall notify the Town within ninety (90) days of such abandonment. Following receipt of such notice the Town may direct the Wireless Services Provider or the Wireless Infrastructure Provider to remove all or any portion of the Wireless Facility or Wireless Support Structure if the Town, in its sole discretion, determines that such removal will be in the best interests of the public health, safety, and welfare.

(d) ***Abandonment by Inaction.*** At any point when a Wireless Services Provider or a Wireless Infrastructure Provider fails to pay any required Fee, or annual payment to the Town, and fails to respond within sixty (60) days to a written inquiry from the Town as to whether the Wireless Services Provider or the Wireless Infrastructure Provider intends to continue to operate a Wireless Facility or Wireless Support Structure, for whatever reason, the Wireless Facility shall be deemed abandoned and the Town may, at its sole option, remove all or any portion of the Wireless Facility or Wireless Support Structure, or take other action as authorized by law, including recovery of actual costs incurred in removing the Wireless Facility or Wireless Support Structure.

Section 8. *Attachment to Town-Owned Utility Poles in the Covered Areas.*

(a) ***Annual Rate.*** The rate to place a Small Wireless Facility on a Town-Owned Pole in Covered Areas shall be fifty ($50.00) dollars per year per wooden pole or two hundred ($200.00) dollars per year for all other Town-Owned Poles. This rate is in addition to reimbursement to the Town for any expenses for make-ready work. The Town reserves the right to require a pole

attachment agreement to further define the terms and conditions of attachments to Town-Owned Poles. The rates specified in this section shall not apply to poles owned, or operated and accounted for as an asset of, a municipal electric utility.

(b) ***Cease Payment***. A Wireless Services Provider or a Wireless Infrastructure Provider is authorized to remove its facilities at any time from a Town-Owned Pole in Covered Areas and cease paying the annual rate to the Town as of the next due date for payment following the removal.

(c) ***Make-Ready.*** For Town-owned Utility Poles in Covered Areas, the Applicant shall reimburse the Town for expenses for any reasonable make-ready work. The Town shall provide a good faith estimate for any make-ready work necessary to enable the pole to support the requested Small Wireless Facility, including pole replacement if necessary, within sixty (60) days after receipt of a completed request. Make-ready work including any pole replacement shall be completed within sixty (60) days of written acceptance of the good faith estimate by the Wireless Services Provider or the Wireless Infrastructure Provider.

(d) ***Municipal Utilities Excluded.*** Nothing in this section shall be construed to affect the authority of a municipal electric utility to deny, limit, restrict, or determine the rates, Fees, terms, and conditions for the use of or attachment to a Utility Pole owned, or operated and accounted for as an asset of, a municipal electric utility.

Section 9. S*everability*.

In the event any title, subtitle, section, subsection, subdivision, paragraph, subparagraph, item, sentence, clause, phrase, or work of this Ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or adjudication shall not affect the remaining portions of the Ordinance which shall remain in full force and effect as if the portion so

declared or adjudged invalid or unconstitutional was not originally a part of this Ordinance.

Proposed Motion for Formal Items X.4 – Consideration of Approval of an Ordinance to the Town of Bluffton Code of Ordinances, Chapter 28 – Utilities, Article 4 – Small Wireless Facilities in Covered Areas – First Reading

"I move to approve First Reading of An Ordinance Amending Chapter 28 Of The Code Of Ordinances For The Town Of Bluffton, South Carolina, Utilities, By Adopting Article 4 – Small Wireless Facilities in Covered Areas – First Reading."

TOWN COUNCIL

STAFF REPORT
Executive Office

MEETING DATE:	May 12, 2020
PROJECT:	Consideration of an Ordinance to Amend the Town of Bluffton Code of Ordinances, Chapter 13, *Public Property*, Article II, *Public Park, Dock and Boat Landing Rules*, to Modify the Names and Rules Pertaining to the Use of Certain Town-Operated Properties, First Reading – Scott Marshall, Deputy Town Manager
PROJECT MANAGER:	Scott Marshall, Deputy Town Manager

RECOMMENDATION:

Request Town Council's consideration of the ordinance at Attachment 1, which changes the reference to "Park at 68 Boundary Street" to "Martin Family Park" and modifies the rules for the same park regarding use of alcohol on the property. The ordinance also amends the name of the public park at Buckwalter Place Multi-County Industrial Park.

BACKGROUND/DISCUSSION:

On August 13, 2019, Town Council approved amendments to the Town of Bluffton Code of Ordinances to consolidate and update rules for all existing Town-operated parks.

Since that time, the completion of several capital projects as well as several other pending capital projects necessitated the review of parks and facilities that the Town offers for rental. In a Workshop on March 17, 2020, Town Council conducted such a review.

The results of the March 17 Workshop included the following actionable direction to Staff:

1. Town Council Direction: Place the Martin Family Park on the Town of Bluffton Master Fee Schedule in Fiscal Year 21 and make it a rentable property.
    a. Staff Response: The Martin Family Park is included on the on the Master Fee Schedule in the Fiscal Year 2021 Consolidated Budget for consideration. The fees proposed by Staff in the Master Fee Schedule are identical to those of the Field of Dreams at Oscar Frazier Park.
2. Town Council Direction: Modify the existing strict prohibition of alcohol at Martin Family Park, to the allowance of alcohol in conjunction with the issuance of a special events permit.
    a. Staff Response: Amendments to the Town of Bluffton Code of Ordinances, which are presented for consideration in the Ordinance at Attachment 1, include striking paragraph 13.42(c), which reads "The possession of an open container and/or the consumption of alcohol is strictly prohibited." With the omission of this language in paragraph 13.42, the language in paragraph 13.37(c) prevails, which reads "The possession of an open container and/or the consumption of alcohol is prohibited except as permitted in Chapter 22, Article IV."

3. Town Council Direction: Place the Public Park at Buckwalter Place Multi-County Industrial Park (sans the Veterans Memorial) on the Town of Bluffton Master Fee Schedule in Fiscal Year 21 and make it a rentable property.
    a. Staff Response: The Public Park at Buckwalter Place Multi-County Industrial Park is included on the Master Fee Schedule in the Fiscal Year 2021 Consolidated Budget for consideration. The fees proposed by Staff in the Master Fee Schedule are identical to those of the Field of Dreams at Oscar Frazier Park.

Other housekeeping items included in the Ordinance presented for consideration include:

1. Amending paragraph 13.42 by striking "Park at 68 Boundary Street" and adding "Martin Family Park." This action is consistent with Town Council's previously adopted Resolution on August 13, 2019 memorializing this property in honor of the family of Jacob and ida Martin.
2. Amending paragraph 13.48 by striking "Buckwalter Place Veterans Memorial Park," and adding "Public Park at Buckwalter Place Multi-County Industrial Park." The name of this park has not yet been formally designated. Leaving it labeled as the Veterans Memorial Park may create confusion to prospective renters of the property since the Veterans Memorial itself will not be available for rent.

NEXT STEPS:

1. Upon approval of first reading, ordinance will be presented to Town Council for second and final reading as early as June 9, 2020.
2. Town Council will be asked to consider changes to the Town of Bluffton Master Fee Schedule to accommodate the ability to rent the Martin Family Park and the Public Park at Buckwalter Place Multi-County Industrial Park as part of the Fiscal Year 21 Consolidated Budget.

ATTACHMENTS:

1. Ordinance to Amend the Town of Bluffton Code of Ordinances, Chapter 13, *Public Property*, Article II, *Public Park, Dock and Boat Landing Rules*, to Modify Rules Pertaining to the Use of Certain Town-Operated Properties
2. Town of Bluffton Code of Ordinances, Chapter 13, *Public Property*, Article II, *Public Park, Dock and Boat Landing Rules* as currently codified

ORDINANCE NO. 2020 –

TOWN OF BLUFFTON, SOUTH CAROLINA

CONSIDERATION OF AN ORDINANCE TO AMEND THE TOWN OF BLUFFTON CODE OF ORDINANCES, CHAPTER 13, *PUBLIC PROPERTY*, ARTICLE II, *PUBLIC PARK, DOCK AND BOAT LANDING RULES*, TO MODIFY THE NAMES AND RULES PERTAINING TO THE USE OF CERTAIN TOWN-OPERATED PROPERTIES

WHEREAS, the Town of Bluffton desires to improve the general safety, welfare, health and properties of the citizens of the Town of Bluffton; and,

WHEREAS, to establish the necessary provisions to accomplish the above, the Town of Bluffton has the authority to enact resolutions, ordinances, regulations, and procedures pursuant to Section 5-7-140 of the South Carolina Code of Laws, 1976, as amended; and,

WHEREAS, the Town of Bluffton Town Council shall from time to time examine ordinances to ensure that they are properly regarded, enforced, sufficient and satisfactory to the needs of the community and can further suggest amendments as Town Council deems appropriate; and,

WHEREAS, the Town of Bluffton Town Council desires to amend Chapter 13, Public Property, Article II, Public Park, Dock and Boat Landing Rules in order to correctly identify the public park at 68 Boundary Street as the Martin Family Park and to modify the rules with regard to use of the Martin Family Park; and

WHEREAS, the Town of Bluffton Town Council desires to amend Chapter 13, Public Property, Article II, Public Park, Dock and Boat Landing Rules in order to correctly identify the public park at Buckwalter Place Multi-County Industrial Park.

NOW, THEREFORE, BE IT ORDERED AND ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF BLUFFTON, SOUTH CAROLINA, in accordance with the foregoing, the Town hereby amends the Code of Ordinances for the Town of Bluffton as follows:

SECTION 1. AMENDMENT. The Town of Bluffton hereby amends Chapter 13 of the Code of Ordinances for the Town of Bluffton, South Carolina, by modifying paragraphs 13.42 and 13.48 as shown in Exhibit "A" attached hereto and fully incorporated herein by reference.

SECTION 2. REPEAL OF CONFLICTING ORDINANCES. All ordinances or parts of ordinances that are inconsistent with this Ordinance are hereby repealed to the extent of such inconsistency.

ARTICLE II. - PUBLIC PARK, DOCK AND BOAT LANDING RULES[1]

Footnotes:

--- (**1**) ---

Editor's note— Ord. No. 2019-11 , § 1(Exh. A), adopted August 13, 2019, set out provisions intended for use as §§ 13-17—13-31. To preserve the style of this Code, and at the editor's discretion, these provisions have been included as §§ 13-37—13-51.

Sec. 13-37. - General prohibitions.

The following prohibited activities apply to all public parks, docks and boat landings. Further restriction of these activities may vary by property as noted in subsequent paragraphs of this article.

(1) *Camping.* No overnight camping of any type shall be permitted.

(2) *Litter.* Littering is prohibited per Section 22-43. All garbage, other solid waste, trash or offensive matter must be disposed of in receptacles designated for such use. When such receptacles are full, patrons must remove items from the premises upon exiting.

(3) *Alcohol.* The possession of an open container and/or the consumption of alcohol is prohibited except as permitted in Chapter 22, Article IV.

(4) *Solicitation.* It is prohibited that any person or group of persons sells, solicits sales or offers distribution of any merchandise, handbill or pamphlet unless otherwise approved in writing by the Town Manager.

(5) *Fireworks.* The discharge of fireworks is prohibited except as provided for in Chapter 14, Article IV.

(6) *Fires.* Fires are not permitted. Exceptions to this prohibition are only allowed in accordance with Section 13-10 and Chapter 14.

(7) *Weapons.* Possession, discharging or brandishing a firearm or other weapon is prohibited, with the exception of law enforcement personnel in the normal course of duty.

(8) *Hunting.* Hunting is strictly prohibited.

(9) *Pets.* Pets must be under restraint at all times and in full compliance with Chapter 4. Pet waste must be picked up and disposed of in pet waste containers.

(10) *Parking.* Motorized vehicles and parking are allowed only in designated areas.

(11) *Structural alterations.* No person or agency shall build, maintain, extend or make structural alterations to any Town park, dock or boat landing without first obtaining a written permit to do so from the Town Manager.

(Ord. No. 2019-11 , § 1(Exh. A), 8-13-2019)

Sec. 13-38. - Oyster Factory Park.

(a) *Hours of operation.* Open for public use from sunrise to sunset, unless a special events permit has been issued by the Town of Bluffton in accordance with Chapter 22, Article IV. Exceptions to this are the boat ramp and dock, which shall be available for use 24 hours per day.

(b) *Grilling.* No grilling allowed underneath the pavilion.

(c) *Unattended vehicles.* Vehicles, trailers, or boats stored more than 24 hours are subject to removal at owner's expense.

(d) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(e) *Dock rules.*

(1) *Smoking.* Smoking, as defined in Section 18-159 is prohibited. All provisions of Chapter 18, Article VII shall apply, to include penalties as set forth in Section 18-165 which shall prevail over Section 13-49.

(2) *Blocking and congesting of Town docks.* To ensure public use and avoid extensive occupancy, congestion or blocking of Town docks, the Town Manager is authorized to post signs limiting the time to three hours during which a vessel may be docked or gear may be placed at or on any Town dock. When the loading or unloading operation is complete, the vessel shall move to the extreme end of the main dock.

(3) *Maximum docking time of three hours.* A vessel shall not be allowed to dock for more than three cumulative hours in a 24-hour period. Exceptions to this rule may be granted by the Town Manager on a case-by-case basis.

(4) *Vessels needing repair.* Vessels needing engine repairs shall moor to the extreme end of the main dock and shall get under way as soon as repairs are made, but in no case shall this period exceed 24 hours. In such cases, the vessel operator must contact the Town police department at (843) 706-4550 to register the vessel occupancy of dock in excess of three hours.

(5) *Obstructing access.* It is unlawful to obstruct any pier, dock, wharf, boat ramp, or the access area to the facilities. Any vessel, vehicle, or other object which obstructs any of the facilities or the access to them may be removed entirely at the risk and expense of the owner.

(6) *Fishing.* Fishing is allowed from the dock as long as it does not interfere with the docking of watercraft, or the loading and unloading of passengers. Boaters shall have priority of use of the dock.

(7) *Priority of emergency vehicles.* Emergency vehicles shall have priority over all other vehicles at all Town docks, landings and piers.

(8) *Securing vessels.* Every vessel tying up at any Town dock shall be fastened thereto with such lines, at least from both bow and stern, and in such manner as to ensure the security of such vessel. Tethering one or more vessels to another vessel is prohibited.

(9) *Fueling vessels.* No person shall fuel any vessel on Town docks with any petroleum product directly from a tank wagon or truck.

(10) *Motor vehicles on dock.* No person shall drive any motor vehicle upon any Town dock.

(11) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(12) *Damages.* Any damage to the floating or main dock by a vessel or person shall be paid for by the owner or the responsible person. Such payment shall be the actual amount of the damage and paid to the Town.

(13) *Sewage discharge.* Discharge of raw, untreated sewage from any watercraft is prohibited.

(14) *Storage and disposal of toxic substances.* Storage and disposal of new or used batteries, oil or lubrication containers, fuel containers, solvents, toxic cleaners, paint cans, and other harmful materials or substances on the dock is prohibited.

(f) *Landing/boat ramp rules.*

(1) *Launching and recovery.* Use of the boat landing for launching and recovery of vessels shall be on a first-come, first-served basis.

(2) *Unattended or abandoned vehicles and watercraft.* The following shall apply to unattended or abandoned watercraft in access areas of landings:

a. It is unlawful to obstruct any pier, dock, wharf, boat ramp or the access areas to the facilities.

b. Any vessel, vehicle or other object left unattended which obstructs any of the facilities or the access to them may be removed entirely at the risk and expense of the owner.

c. The Town Manager is empowered to remove any watercraft, vessel, or vehicle that has been abandoned. A watercraft, vessel, or vehicle will be deemed abandoned if it is left unattended at a public boat landing for more than 24 hours unless express permission is obtained from the Town Manager.

(3) *Oystermen, crabbers, commercial fishermen, and other commercial uses.* Oystermen, crabbers, other commercial fishermen, and other commercial users may use the Town's public landings where permitted to launch and unload their boats. However, they must manage their launching and unloading operations so that whenever another citizen needs to use the landing to get into or out of the water, the other citizen will have no longer than a 15-minute wait for the commercial vehicles and boats to clear space on the landing.

(4) *Parking of vehicles and watercraft.* The use of access ways and public boat landings shall be for placement in the water and the retrieving of boats from the water.

a. It shall be unlawful for any person or owner to allow the parking, stopping, or leave standing, whether attended or unattended, any vehicle, obstruction, or watercraft in or on any public boat landing:

1. That is blocking, obstructing, or limiting the use of dock or access area;

2. For any purpose not related to public access for fishing and boating, loading and unloading boating passengers, supplies, boats and boating gear, or other similar purposes; or

3. Contrary to any posted notice prohibiting parking in a given area.

b. Under no circumstance shall any vehicle be parked at a public boat landing for more than 24 consecutive hours without express permission from the Town Manager.

(5) *Fishing at public boat landings.* Fishing is allowed at public boat landings as long as it does not interfere with the launching or recovery of watercraft, or the loading and unloading of passengers. Boaters shall have priority of use of the public boat landing.

(6) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(7) *Government and emergency agency use.* The Town Manager may utilize any public boat landing for any governmental use at his discretion. Other governmental agencies wishing to utilize a public boat landing for purposes other than emergency services such as medical services, law enforcement, fire control, search and rescue, or for the ordinary use of the boat landing as set forth above, must obtain approval for that use from the Town Manager.

ATTACHMENT 2

ARTICLE II. - PUBLIC PARK, DOCK AND BOAT LANDING RULES[1]

Footnotes:

--- (**1**) ---

Editor's note— Ord. No. 2019-11 , § 1(Exh. A), adopted August 13, 2019, set out provisions intended for use as §§ 13-17—13-31. To preserve the style of this Code, and at the editor's discretion, these provisions have been included as §§ 13-37—13-51.

Sec. 13-37. - General prohibitions.

The following prohibited activities apply to all public parks, docks and boat landings. Further restriction of these activities may vary by property as noted in subsequent paragraphs of this article.

(1) *Camping.* No overnight camping of any type shall be permitted.

(2) *Litter.* Littering is prohibited per Section 22-43. All garbage, other solid waste, trash or offensive matter must be disposed of in receptacles designated for such use. When such receptacles are full, patrons must remove items from the premises upon exiting.

(3) *Alcohol.* The possession of an open container and/or the consumption of alcohol is prohibited except as permitted in Chapter 22, Article IV.

(4) *Solicitation.* It is prohibited that any person or group of persons sells, solicits sales or offers distribution of any merchandise, handbill or pamphlet unless otherwise approved in writing by the Town Manager.

(5) *Fireworks.* The discharge of fireworks is prohibited except as provided for in Chapter 14, Article IV.

(6) *Fires.* Fires are not permitted. Exceptions to this prohibition are only allowed in accordance with Section 13-10 and Chapter 14.

(7) *Weapons.* Possession, discharging or brandishing a firearm or other weapon is prohibited, with the exception of law enforcement personnel in the normal course of duty.

(8) *Hunting.* Hunting is strictly prohibited.

(9) *Pets.* Pets must be under restraint at all times and in full compliance with Chapter 4. Pet waste must be picked up and disposed of in pet waste containers.

(10) *Parking.* Motorized vehicles and parking are allowed only in designated areas.

(11) *Structural alterations.* No person or agency shall build, maintain, extend or make structural alterations to any Town park, dock or boat landing without first obtaining a written permit to do so from the Town Manager.

(Ord. No. 2019-11 , § 1(Exh. A), 8-13-2019)

Sec. 13-38. - Oyster Factory Park.

(a) *Hours of operation.* Open for public use from sunrise to sunset, unless a special events permit has been issued by the Town of Bluffton in accordance with Chapter 22, Article IV. Exceptions to this are the boat ramp and dock, which shall be available for use 24 hours per day.

(b) *Grilling.* No grilling allowed underneath the pavilion.

(c) *Unattended vehicles.* Vehicles, trailers, or boats stored more than 24 hours are subject to removal at owner's expense.

(d) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(e) *Dock rules.*

(1) *Smoking.* Smoking, as defined in Section 18-159 is prohibited. All provisions of Chapter 18, Article VII shall apply, to include penalties as set forth in Section 18-165 which shall prevail over Section 13-49.

(2) *Blocking and congesting of Town docks.* To ensure public use and avoid extensive occupancy, congestion or blocking of Town docks, the Town Manager is authorized to post signs limiting the time to three hours during which a vessel may be docked or gear may be placed at or on any Town dock. When the loading or unloading operation is complete, the vessel shall move to the extreme end of the main dock.

(3) *Maximum docking time of three hours.* A vessel shall not be allowed to dock for more than three cumulative hours in a 24-hour period. Exceptions to this rule may be granted by the Town Manager on a case-by-case basis.

(4) *Vessels needing repair.* Vessels needing engine repairs shall moor to the extreme end of the main dock and shall get under way as soon as repairs are made, but in no case shall this period exceed 24 hours. In such cases, the vessel operator must contact the Town police department at (843) 706-4550 to register the vessel occupancy of dock in excess of three hours.

(5) *Obstructing access.* It is unlawful to obstruct any pier, dock, wharf, boat ramp, or the access area to the facilities. Any vessel, vehicle, or other object which obstructs any of the facilities or the access to them may be removed entirely at the risk and expense of the owner.

(6) *Fishing.* Fishing is allowed from the dock as long as it does not interfere with the docking of watercraft, or the loading and unloading of passengers. Boaters shall have priority of use of the dock.

(7) *Priority of emergency vehicles.* Emergency vehicles shall have priority over all other vehicles at all Town docks, landings and piers.

(8) *Securing vessels.* Every vessel tying up at any Town dock shall be fastened thereto with such lines, at least from both bow and stern, and in such manner as to ensure the security of such vessel. Tethering one or more vessels to another vessel is prohibited.

(9) *Fueling vessels.* No person shall fuel any vessel on Town docks with any petroleum product directly from a tank wagon or truck.

(10) *Motor vehicles on dock.* No person shall drive any motor vehicle upon any Town dock.

(11) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(12) *Damages.* Any damage to the floating or main dock by a vessel or person shall be paid for by the owner or the responsible person. Such payment shall be the actual amount of the damage and paid to the Town.

(13) *Sewage discharge.* Discharge of raw, untreated sewage from any watercraft is prohibited.

(14) *Storage and disposal of toxic substances.* Storage and disposal of new or used batteries, oil or lubrication containers, fuel containers, solvents, toxic cleaners, paint cans, and other harmful materials or substances on the dock is prohibited.

(f) *Landing/boat ramp rules.*

(1) *Launching and recovery.* Use of the boat landing for launching and recovery of vessels shall be on a first-come, first-served basis.

(2) *Unattended or abandoned vehicles and watercraft.* The following shall apply to unattended or abandoned watercraft in access areas of landings:

a. It is unlawful to obstruct any pier, dock, wharf, boat ramp or the access areas to the facilities.

b. Any vessel, vehicle or other object left unattended which obstructs any of the facilities or the access to them may be removed entirely at the risk and expense of the owner.

c. The Town Manager is empowered to remove any watercraft, vessel, or vehicle that has been abandoned. A watercraft, vessel, or vehicle will be deemed abandoned if it is left unattended at a public boat landing for more than 24 hours unless express permission is obtained from the Town Manager.

(3) *Oystermen, crabbers, commercial fishermen, and other commercial uses.* Oystermen, crabbers, other commercial fishermen, and other commercial users may use the Town's public landings where permitted to launch and unload their boats. However, they must manage their launching and unloading operations so that whenever another citizen needs to use the landing to get into or out of the water, the other citizen will have no longer than a 15-minute wait for the commercial vehicles and boats to clear space on the landing.

(4) *Parking of vehicles and watercraft.* The use of access ways and public boat landings shall be for placement in the water and the retrieving of boats from the water.

a. It shall be unlawful for any person or owner to allow the parking, stopping, or leave standing, whether attended or unattended, any vehicle, obstruction, or watercraft in or on any public boat landing:

1. That is blocking, obstructing, or limiting the use of dock or access area;

2. For any purpose not related to public access for fishing and boating, loading and unloading boating passengers, supplies, boats and boating gear, or other similar purposes; or

3. Contrary to any posted notice prohibiting parking in a given area.

b. Under no circumstance shall any vehicle be parked at a public boat landing for more than 24 consecutive hours without express permission from the Town Manager.

(5) *Fishing at public boat landings.* Fishing is allowed at public boat landings as long as it does not interfere with the launching or recovery of watercraft, or the loading and unloading of passengers. Boaters shall have priority of use of the public boat landing.

(6) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(7) *Government and emergency agency use.* The Town Manager may utilize any public boat landing for any governmental use at his discretion. Other governmental agencies wishing to utilize a public boat landing for purposes other than emergency services such as medical services, law enforcement, fire control, search and rescue, or for the ordinary use of the boat landing as set forth above, must obtain approval for that use from the Town Manager.

ATTACHMENT 2

(a) *Hours.* Hours of operation shall be from sunrise to 10:00 p.m. Occupying the dock after 10:00 p.m. and prior to sunrise is prohibited.

(b) *Smoking.* Smoking, as defined in Section 18-159 is prohibited. All provisions of Chapter 18, Article VII shall apply, to include penalties as set forth in Section 18-165 which shall prevail over Section 13-49.

(c) *Blocking and congesting of Town docks.* To ensure public use and avoid extensive occupancy, congestion or blocking of Town docks, the Town Manager is authorized to post signs limiting the time to three hours during which a vessel may be docked or gear may be placed at or on any Town dock. When the loading or unloading operation is complete, the vessel shall move to the extreme end of the main dock.

(d) *Maximum vessel size.* Vessels exceeding 60 feet in length, from stern to bow, are prohibited, whether they are privately owned or designated for commercial use.

(e) *Barges.* Barges used for ferrying supplies and equipment are prohibited from using the dock, whether they are empty or carrying a payload.

(f) *Prohibited uses.* The dock shall not be used as a point of commerce, rental or sale of kayaks, paddleboards, wave runners or any other recreational water vehicle or apparatus.

(g) *Commercial use.* Allowed commercial uses include, but are not limited to loading and unloading of passengers and temporary docking of commercial fishing vessels for the purpose of loading or unloading personnel or cargo. In no case may a commercial vessel be docked for a period longer than 15 minutes.

(h) *Alcohol.* The possession of an open container and/or the consumption of alcohol is strictly prohibited.

(i) *Fishing.* Fishing is allowed from the dock as long as it does not interfere with the docking of watercraft, or the loading and unloading of passengers. Boaters shall have priority of use of the dock.

(j) *Maximum docking time of three hours.* A vessel shall not be allowed to dock for more than three cumulative hours in a 24-hour period. Exceptions to this rule may be granted by the Town Manager on a case-by-case basis.

(k) *Vessels needing repair.* Vessels needing engine repairs shall moor to the extreme end of the main dock in the area designated for docking and shall get under way as soon as repairs are made, but in no case shall this period exceed 24 hours. In such cases, the vessel operator must contact the Town police department at (843) 706-4550 to register the vessel occupancy of dock in excess of three hours.

(l) *Obstruction of the dock.* It is unlawful to obstruct the dock. Any vessel, vehicle, or other object which obstructs any of the facilities or the access to them may be removed entirely at the risk and expense of the owner.

(m) *Emergency vehicles.* Emergency vehicles shall have priority over all other vehicles at all Town docks, landings and piers.

(n) *Securing vessels.* Every vessel tying up at any Town dock shall be fastened thereto with such lines, at least from both bow and stern, and in such manner as to ensure the security of such vessel. Tethering one or more vessels to another vessel is prohibited.

(o) *Fueling vessels.* No person shall fuel any vessel on Town docks with any petroleum product directly from a tank wagon or truck.

(p) *Motor vehicles on dock.* No person shall drive any motor vehicle upon any Town dock.

(q) *Skateboards and bicycles.* Skateboarding, rollerblading, roller skating, use of manually powered scooters and bicycles shall not be permitted on docks, landings, piers and walkways.

(r) *Fireworks.* The discharge of fireworks is strictly prohibited.

(s) *Damages.* Any damage to the floating or main dock by a vessel or person shall be paid for by the owner or the responsible person. Such payment shall be the actual amount of the damage and paid to the Town.

(t) *Sewage discharge.* Discharge of raw, untreated sewage from any watercraft is prohibited.

(u) *Storage and disposal of toxic substances.* Storage and disposal of new or used batteries, oil or lubrication containers, fuel containers, solvents, toxic cleaners, paint cans, and other harmful materials or substances on the dock is prohibited.

Dear Chief Chapman, I am a paramedic that works for Beaufort County EMS primarily in Bluffton. I wanted to let you know how much I appreciated the officers that were there to help me and my partner last night on 4/5/2020. We could not be more grateful for the willingness to jump right in and help us keep a patient alive. They followed all instructions perfectly and were professional as always. They went above and beyond to help us. We truly are all one big family in public service, and it's the bad calls like these that prove it. Unfortunately, I didn't catch any officers names, (we had a lot going on fast) but if you would like to contact me I would be more than happy to provide the address where the incident occurred so you can properly send my heartfelt thank you to all of them. I hope you're staying healthy! Lindsay Tuten Paramedic / FTO / BCEMS

TOWN COUNCIL

STAFF REPORT
Municipal Court Department

MEETING DATE:	May 12, 2020
PROJECT:	March Activity Report
PROJECT MANAGER:	Lisa Cunningham, Clerk of Court

Court Summary

Town of Bluffton Municipal Court convenes every Tuesday, typically with a morning session and an afternoon session. In March, 2020 a total of six sessions were scheduled to include a Jury Selection which was postponed after the State of Emergency was declared. Therefore, any pending court hearings after March 17th were rescheduled to minimize the spread of COVID-19.

Municipal Court currently has 814 cases pending which is a combination of 704 criminal/traffic cases, 58 jury trial request, and 52 defendants enrolled in alternative programs.

Indigent Defense cases

Town of Bluffton currently contracts with the 14th Circuit Public Defenders Office to provide Indigent Defense Counsel to all defendants who meet the Annual Federal Poverty Guidelines. Year to date our Indigent Defense Attorney has 133 cases which is a combination of 105 pending and 28 disposed on the docket as of March 2020.

Alternative Programs

Defendants are sometimes offered the opportunity to complete Alternative Programs in lieu of convictions on their traffic and/or criminal record.

There are currently 13 active participates in the Conditional Discharge Program. The Conditional Discharge Program requires the completion of 40 hours of community service as well as a drug and alcohol program. Participants must also pay a program fee of $150.00 upon completion.

There are currently 16 active participants in the Alive@25 classes which are offered through the National Safety Council. Alive@25 classes are for traffic offenders under 25 years of age who have never had a traffic infraction and the current charge pending carries no more than 4 points.

Traffic Education Program referred to as TEP has 14 active participates. The TEP Program cost is $280.00 plus the cost of online driving class. It is designed for offenders who have pending moving violations except for Driving under the Influence, Driving under Unlawful Alcohol Concentration, and Reckless Driving.

Alcohol Education Program referred to as AEP has 0 active participants. AEP is only inclusive for alcohol related charges such as minor in procession of alcohol or false identification for

offenders between the ages of 17-21. AEP costs $250.00 plus the cost of online driving class and alcohol education classes.

Pre-Trial Intervention referred to as PTI has 9 active participants. PTI is a program for first-time offenders charged with non-violent crimes all charges are accepted in the program except for Driving Under Influence (DUI) or Driving under Unlawful Alcohol Concentration (DUAC). Program cost $350.00 plus the cost of online driving class, counseling and/or drug testing.

TEP, AEP, and PTI are directly managed through the Solicitors office. The Court provides a referral and the Solicitors Office provides a completion or termination report upon completion date.

DIVISION/STAFF UPDATES

Project Management

Thirty-five (35) CIP projects are currently in progress. Two new parks, one parking area, one sidewalk project, one street lighting project and several improvements to existing public facilities were completed prior to the end of 2019. Additional CIP projects including Wright Family Park, Calhoun Street Dock, BIS Phase 5 sewer, BIS Phase 5 sidewalks and Jason Able Sewer extension are currently under construction. The LEC Expansion, Pritchard Street Sewer and the Boundary Street Lighting projects are expected to start construction in the summer of 2020.

Watershed Management

Watershed Management welcomed Dan Rybak to the team on 4/20/20. Dan's title is Stormwater Project Manager. In this role, he will evaluate, coordinate, and manage stormwater drainage improvement projects and water quality improvement projects.

1. Southern Lowcountry Regional Board (SoLoCo)

a. Southern Lowcountry Regional Stormwater Ordinance and Design Manual

- Via concurrence of the Mayor and direction by the Town Manager, staff has participated in the SoLoCo Technical Working Group to develop a regional stormwater model ordinance and design manual and investigate the viability of a regional stormwater authority.
- **Next Steps**
  - Final documents have been delivered to the jurisdictions for adoption. Municipal adoption by each jurisdiction will follow.

b. Sea Level Rise Task Force

- Following Beaufort County's presentation and request for regional participation at the 10/22/19 SoLoCo meeting, staff is attending the Sea Level Rise Task Force meetings to discuss a possible No Fill Ordinance and county-wide adaptation strategies.
- **Next Steps**
  - Bi-weekly meetings continue to discuss projected impacts of sea level rise on the region with a focus on ways that local government can respond through policies, ordinances and projects to mitigate the projected impacts of sea level rise.

2. Joint Councils Meeting for Watershed Management Initiatives

- BJWSA developed their CIP list for FY2020 sewer projects which does not include any projects in the County's jurisdiction in the May River Headwaters without cost-sharing.
- Following the Joint Councils Meeting with BJWSA, held on 2/25/20, staff from

Beaufort County and Town of Bluffton met to discuss sewer extension scope and strategy on 2/27/20.

- Staff from the Town, County, and BJWSA met via Zoom 3/27/20 to confirm project scope, cost, and potential project manager. the last project cost estimate to extend, connect, and abandon septic in the Stoney Creek project area is $4.7 million (B. Chemsak email 7/22/19) but they anticipate those numbers increasing to $5.5 million. The proposal is 1/3 cost-share, so the Town's portion would be approximately $1.83 million. Beaufort County has not formally agreed or committed any funding.
- **Next Steps**
  - Ensure BJWSA and Beaufort County have committed funds in FY21 to begin sewer extension. Both entities have stated that due to the current COVID-19 financial impacts, they may not be able to confirm funding for several months.

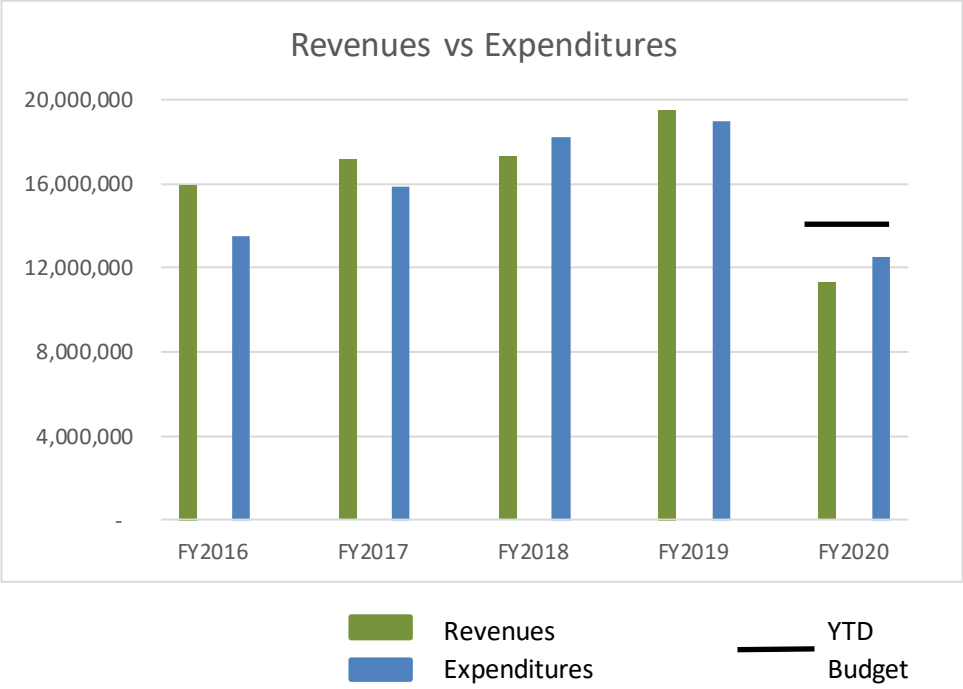
TOWN COUNCIL

STAFF REPORT
Finance & Administration Department

MEETING DATE:	May 12, 2020
PROJECT:	Consent Agenda: Year-to-date Financial Report
PROJECT MANAGER:	Chris Forster, MPA, CPFO, CGFM, Director of Finance & Administration

General Fund Financial Overview:

The chart below shows the revenue collections and expenditures trend for the last four full years and FY2020 year-to-date (YTD) through March 2020. Revenues have been higher than expenditures the last four full years except for FY2018 which reflects a budgeted use of fund balance transferred to the Capital Improvements program fund for the Town Hall renovation project.



FY2020 YTD through March shows revenues and expenditures below the YTD budget amount. Many License and Permit Fee (Franchise, MASC Insurance, etc.) revenues are not received until the end of the fourth fiscal quarter and annual expenditures are not due until the end of the second fiscal quarter.

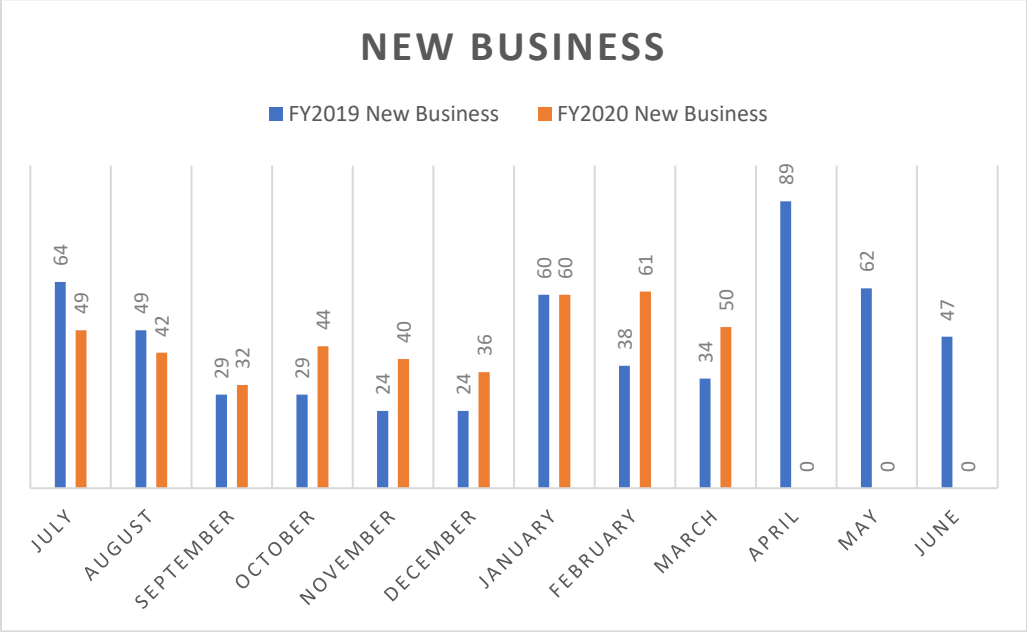
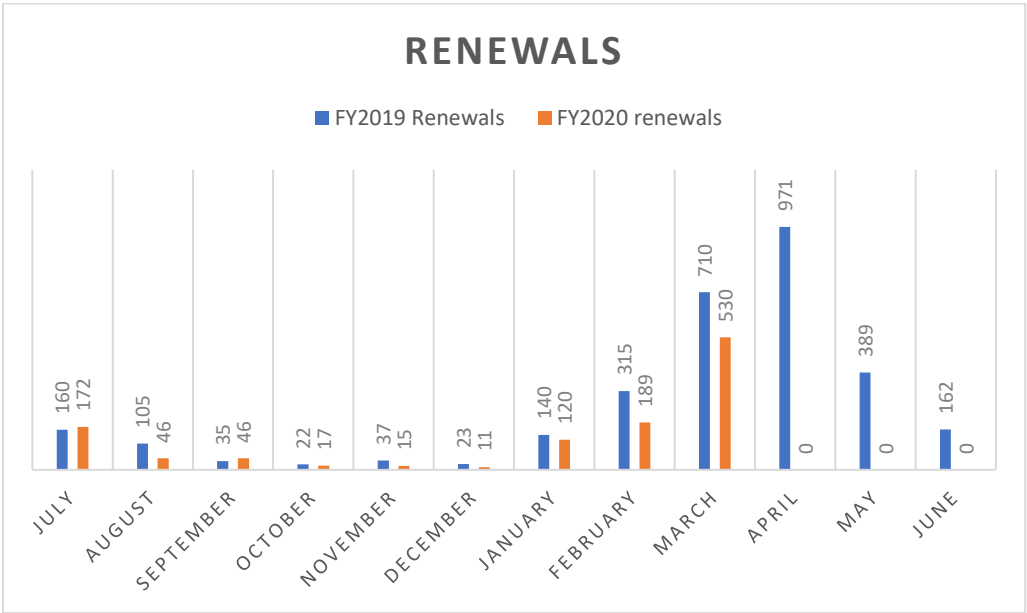
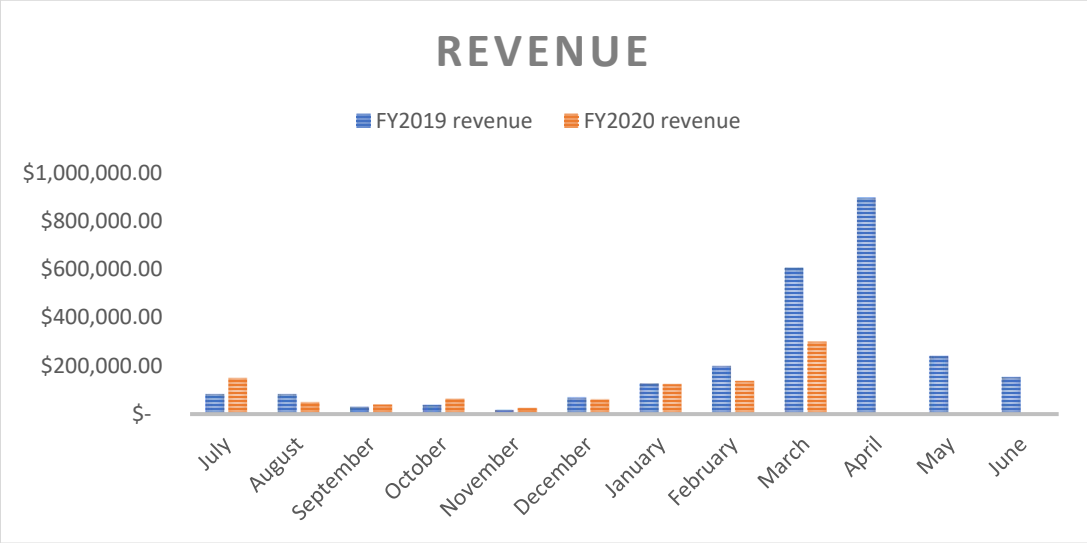
Business License Statistics:

Business License applications for FY2020 through March total 1560 (414 new business and 530 renewals) compared to FY2019's total of 1,898 (351 new business and 1,547 renewals).





Business license renewals have decreased by 25% and revenue collections declined by 51% for the month of March when comparing to last year due to the impacts of COVID-19. The Town did see an increase in new businesses of 47%.



The amended ordinance that went into effect January 1st, 2019 included additional incentives for new businesses and businesses with multiple locations within the Town. In February, fifteen (15) businesses qualified for the Town's incentives, with one of those businesses qualifying for more than one, for a total revenue reduction of $9,577 in fiscal year 2020.

ANNX-07-19-013330 07/10/2019 Annexation Petition Active Kevin Icard

Applicant: Walter J Nester III **Owner:** Bishop of Charleston

PLAN DESCRIPTION: Request for an Ordinance for the Annexation of the Saint Gregory the Great property consisting of approximately 62.80 Acres of land located at 323 Fording Island Road and identified as Beaufort County Tax Map Nos. R600 022 000 0125 0000 & R660 022 000 1120 0000, into the Town of Bluffton Corporate Limits.
STATUS: Town Council approved the "Intent to Annex", First Reading of the Annexation Ordinance at their August 12, 2019 meeting. The Applicant previously requested to place this application on hold so they can prepare updated materials to reflect the Town's desire for them to pursue incorporating the property into the Buckwalter Planned Unit Development Concept Plan Development Agreement as a new planning tract instead of General-Mixed use as requested. To bring the property into Buckwalter, amendments to the Planned Unit Development, Concept Plan, and Development Agreement are necessary which will require the submittal of additional applications and materials. Applicant submitted revised materials and the necessary additional applications on February 21, 2020. Staff is currently reviewing the materials and applications for clarity, content, and completeness. Once Staff's notes and comments are addressed, the request will be placed on the next available regularly scheduled Planning Commission agenda as a workshop item.

STATUS 04/01/2019: The Development Plan is APPROVED per the revised Project Narrative and parking table dated March 12, 2019 provided by the Applicant. The following Conditions are attached to Development Plan Approval:
1. Per UDO 4.4.2. E.1., Any restaurant use must have frontage on Calhoun Street and will not be allowed to front Bridge Street.
2. Any restaurant use will require all parking to be on site. No street parking or shared parking may be used for satisfaction of parking requirements for restaurant use.
3. Any increases in building square footage or changes in use from the Applicants Project Narrative Dated March 12, 2019 that result in an increase in required parking for the site, based on UDO Table 5.15.7.C.1.a Parking Spaces, will not be allowed without an Amendment to the Development Plan and/or Certificate of Appropriateness HD.
STATUS 11/13/2019: A Development Plan Amendment has been submitted for review. The Amendment proposes a re-configuration and reduction in buildings, from 5 buildings to 3 buildings.
STATUS 01/23/2020: Comments on the Final Plan Amendment were reviewed at the Dec. 18 Meeting of the DRC. Revisions are required for approval. Awaiting re-submittal.

Zoning Map Amendment

ZONE-07-19-013331	07/10/2019		Zoning Action	Active	Kevin Icard

Applicant: Walter J Nester III **Owner:** Bishop of Charleston

PLAN DESCRIPTION: Request for an Ordinance to amend the Town of Bluffton Zoning Map as well as the Buckwalter Planned Unit Development text to incorporate the Saint Gregory the Great property consisting of approximately 62.80 Acres of land located at 323 Fording Island Road and identified as Beaufort County Tax Map Nos. R600 022 000 0125 0000 & R660 022 000 1120 0000 as a portion of the Buckwalter Planned Unit Development and add any necessary text to identify terms and conditions such as designation of the property as the Saint Gregory the Great Land Use Tract, allowed land uses for the Land Use Tract, special provisions, etc. as necessary.
STATUS: Town Council approved the “Intent to Annex”, First Reading of the Annexation Ordinance at their August 12, 2019 meeting. The Applicant previously requested to place this application on hold so they can prepare updated materials to reflect the Town’s desire for them to pursue incorporating the property into the Buckwalter Planned Unit Development Concept Plan Development Agreement as a new planning tract instead of General-Mixed use as requested. To bring the property into Buckwalter, amendments to the Planned Unit Development, Concept Plan, and Development Agreement are necessary which will require the submittal of additional applications and materials. Applicant submitted revised materials and the necessary additional applications on February 21, 2020. Staff is currently reviewing the materials and applications for clarity, content, and completeness. Once Staff’s notes and comments are addressed, the request will be placed on the next available regularly scheduled Planning Commission agenda as a workshop item.

TOWN COUNCIL

STAFF REPORT

Finance & Administration Department

MEETING DATE:	May 12, 2020
PROJECT:	Consideration of a Resolution Approving the Town of Bluffton Assessment District Roll for Tax Year 2020
PROJECT MANAGER:	Chris Forster, MPA, CPFO, CGFM, Director of Finance & Administration

RECOMMENDATION: Town Council adopts a Resolution approving the Assessment District Roll for Tax Year 2020 (Attachment 1).

BACKGROUND: On November 9, 2005, the Town of Bluffton Town Council established the Assessment District through the adoption of Town Ordinance No. 2005-25.

The Assessment District applies to certain areas within the previously established and approved Town of Bluffton Tax Increment Finance (TIF) District. A portion of the redevelopment projects in the TIF District are improvements that will be constructed within the Assessment District. All residential lots/units platted and recorded within the Assessment District are assessed a fee of $75 per lot/unit. The Assessment District Roll is updated each year to reflect newly recorded lots and changes in ownership.

Staff worked with Beaufort County to create the Assessment District Roll for the 2020 tax bills. The total number of lots/units in the 2020 Assessment District is 4,374 with a revenue projection of $328,050. The funds are pledged for future debt service and are a part of debt service fund balance.

ATTACHMENTS:

1. Resolution Approving the Town of Bluffton Assessment District Roll for Tax Year 2020:
    a. Exhibit A – Town of Bluffton 2020 Assessment District Roll.
2. Proposed Motion.

RESOLUTION

APPROVING THE TOWN OF BLUFFTON ASSESSMENT DISTRICT ROLL FOR TAX YEAR 2020

WHEREAS, the Town Council (the "Town Council") of the Town of Bluffton, South Carolina (the "Town") by Ordinance No. 2005-25 enacted on November 9, 2005 (the "Ordinance"), authorized the creation of the Town of Bluffton Assessment District (the "District"); and

WHEREAS, pursuant to the Ordinance, the Town Council approved an annual assessment of $75 per lot/unit within the District to be imposed at the time a subdivision plat including such lot is recorded; and

WHEREAS, the Town Council has caused the preparation of the attached Assessment District Roll for tax year 2020 which comprises the parcel numbers and addresses of lots/units within the subdivisions which have or are to be recorded (the "Assessment Roll").

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL AS FOLLOWS:

1. The Town Council hereby approves, confirms and adopts the 2020 Assessment District Roll attached as "Exhibit A" hereto.

THIS RESOLUTION SHALL BE EFFECTIVE IMMEDIATELY UPON ADOPTION.

SIGNED, SEALED AND DELIVERED AS OF THIS 12th DAY OF MAY, 2020.

Proposed Motion

Consideration of a Resolution Approving the Town of Bluffton Assessment District Roll for Tax Year 2020

"I move to approve the Resolution Approving the Town of Bluffton Assessment District Roll for Tax Year 2020."

TOWN COUNCIL

STAFF REPORT
Engineering Department

MEETING DATE:	May 12, 2020
PROJECT:	Consideration of Proposed Outdoor Lighting Agreement with Dominion Energy Relating to the Second Phase of Street Lighting for Boundary Street – Bryan McIlwee, Director of Engineering
PROJECT MANAGER:	Bryan McIlwee, Director of Engineering

RECOMMENDATION:

Staff recommends that Town Council authorize the Town Manager to execute an Agreement (Attachment 1) with Dominion Energy to provide and install 15 light fixtures for the second phase of the Boundary Street Lighting Improvements Project. The Agreement includes the following up-front cost and lease terms:

FUND (Project Cost)

1)	Purchase and Installation of fifteen light poles	$25,875.00
2)	Receptacle use fee at each pole (Fixed Rate Billed Monthly)	$ 0.00
3)	CAIC/Labor and Materials	$ 5,908.13
		$31,783.13

GENERAL FUND (Operating Cost)

4)	10-Year Lease ($405.66/month x 12 months/yr. x 10yrs)	$48,679.20

Total Agreement **$80,462.33**

BACKGROUND/DISCUSSION:

As part of the adopted Old Town Master Plan and the Calhoun Street and Adjacent Area Study, streetlights are recommended along side streets to provide illumination of the roadways and sidewalks to improve pedestrian safety and walkability. This project includes portions of Boundary Street from Maiden Lane to Bridge Street along both sides of the Right of Way. Phase I was completed earlier this year providing lights from May River Road to Maiden Lane. This project will be a continuation of Phase I providing the same Shepherds Crook lights utilized in the previous phase. The proposed lighting will be located along the Boundary Street Right of Way and will serve as an important safety feature for residents and visitors who live and visit this area of the Historic District. This Agreement will allow for a lease to provide for the installation, operation and maintenance of the area lighting by Dominion, while allowing the Town to utilize the poles for mounting of camera equipment and decorations.

NEXT STEPS:

1. Execution of Dominion Agreement
2. Obtain required easements
3. Install lighting in FY 21

SUMMARY:

The approval of this street lighting agreement is consistent with Chapter 9 of the Comprehensive Plan and Strategic Focus Areas within the FY 2019-2020 Strategic Action Plan. As a result, Town Staff recommends that Town Council authorize the Town Manager execute the Lighting Agreement and Staff to take such actions as are necessary to complete this lighting project.

AGREEMENT COVERING AREA LIGHTING

Town of Bluffton
Boundary Street Streetscape Lighting (Phase II)
Bluffton, SC 29910

THIS AGREEMENT is entered into and effective this 9th day of January 2020, by and between **Town of Bluffton**, "Customer" and Dominion Energy South Carolina, Inc., "Company".

In consideration of the mutual covenants and agreements herein contained, the same to be well and truly kept and performed, the sums of money to be paid, and the services to be rendered, the parties hereto covenant and agree with each other as follows, namely:

ARTICLE I

LIGHTING SERVICE: Company shall provide lighting service from dusk (one half (1/2) hour after sunset) to dawn (one half (1/2) hour before sunrise) each night during the Agreement period for a total of approximately four thousand (4000) hours of lighting per year. Customer agrees that lighting provided is ornamental in nature and is not designed for security or public safety. Company does not guarantee lighting level for security or public safety purposes. Customer agrees that lighting is not designed in accordance with the Illuminating Engineering Society (IES) recommended maintained luminance and illumination values for roadways and area lighting.

ARTICLE II

RATE: Customer shall be billed in accordance with Company's "Underground Street Lighting" Rate 18. Customer's current monthly lighting charges, based on Company's current rate 18, for this project will total **$375.15** plus S.C. sales tax and all other applicable fees. Customer will also be billed a monthly energy charge for receptacle usage in accordance with Company's "General Service", Rate 9, attached hereto and incorporated herein by reference, which is currently $0.11608. The energy charge is calculated on an unmetered basis. The pole mounted receptacle usage is based on estimated yearly usage equalized for a monthly charge. The Company reserves the right to meter one or more of the pole mounted receptacles. Based on the above, Customer's monthly lighting energy charges shall be $23.51 for pole mounted receptacle plus a Basic Facilities Charge (BDC) of $7.00 per month. The lighting rate, energy charge and the BFC are subject to change upon periodic review by the South Carolina Public Service Commission (PSC), in the manner prescribed by law. Additionally, this Agreement and all services rendered hereunder are subject to Company's "General Terms and Conditions" as approved by the Commission as they may now exist or may be amended in the future. The "General Terms and Conditions" as they currently exist are made a part of this Agreement as attached.

Billing Rate	Item	Qty	Input Watts	Converted KWH	Cost per Unit	Monthly Charge
18	100W-Metal Halide Shepherd Fixture	15			$25.01	$375.15
9	Receptacle Energy	15	150	202.50	$0.11608	$23.51
9	Basic Facility Charge(BFC)	1			$7.00	$7.00
Total Monthly Charge						$405.66

DocuSign Envelope ID: 8B0F6CD9-2C32-43C3-B466-C022D61B7CB2

ARTICLE III

AID-TO-CONSTRUCTION: **Customer has requested, and Company has agreed to install facilities. Total upfront aid to construction $31,783.13. Detailed as follows: Total 15 special order Shepherd Poles with Receptacles. Fifteen (15) 16' Breakaway direct buried poles $25,875.00. CIAC/Labor and material $5,908.13.**

CONDUIT: Company has agreed to install all required lighting conduit to all locations and to Company specifications as part of the NSSF (non-standard service fund) funding agreement.

ARTICLE IV

INSTALLATION AND MAINTENANCE: Customer is responsible for locating and marking all facilities (irrigation, water, sewer, drainage, etc.) in areas where digging will take place if not part of the Palmetto Utility Protection Service (PUPS). Company is not responsible for any damage to Customer owned utilities such as irrigation, sewer, cable, water taps, etc. that have not been located or have been mis-located. Customer is responsible for obtaining all applicable authorizations and permissions from any governmental entities related to luminaires, poles, and/or related equipment. Customer is also responsible for compliance with, and informing Company of, any governmental ordinances as they may relate to lighting. Customer is responsible for and will pay to Company any and all costs associated with the removal, relocation or exchange of luminaires, poles and/or related equipment that are determined to be non-compliant by governmental entities. Company agrees to provide and install underground wiring and appurtenances **for fifteen (15) 100-watt metal halide Shepherd luminaires mounted on fifteen (15) 16' Shepherd direct buried aluminum poles. This lighting installation will located on Boundary Street Phase II lighting from Maiden Lane to Bridge St. Bluffton, South Carolina. The delivery voltage to this fixture shall be 120v. At all times, Company will maintain ownership of luminaires only. The Customer, Town of Bluffton will maintain ownership of all poles and will be responsible for the ordering and supplying of replacement poles, arms and receptacles as needed to Company**. **Customer will be required to reimburse Company of any labor cost associated with replacing poles and or repairing receptacles as needed.** Customer must notify Company of any non-functioning or mal-functioning luminaires. Company will not be responsible for any landscape or pavement replacement that may be necessary as a result of the Company installing the lighting facility or any landscape or pavement replacement that may be necessary as a result of the Company performing maintenance on the lighting facility. Customer will maintain a reasonable working distance around luminaires and poles.

_____
Customer Initial/Date

ARTICLE V

REPLACEMENT AND MAINTENANCE - ORDINARY: Company shall perform all ordinary replacement and maintenance on the equipment and appurtenances. This shall include the replacement of lamps, photocells, conductor, and conduit and electrical connections. The replacement lamps shall be limited to Company's standard **100-watt Metal Halide** and the replacement photocells shall be limited to Company's standard twist-lock photocell. Non-standard equipment replacement may be delayed until such equipment can be ordered and delivered to Company, as non-standard equipment is not kept in Company inventory. Company shall retain ownership of these facilities excluding poles located on Customer's premises. If Customer elects, for any reason, to require removal or relocation of Company facilities, Customer is required to reimburse Company for all costs incurred by Company as a result of such removal or relocation. If action is taken by a governmental entity that requires the removal or relocation of Company's facilities,

Customer is required to reimburse Company for all costs incurred by Company as a result of such removal or relocation.

ARTICLE VI

REPLACEMENT AND MAINTENANCE - EXTRAORDINARY: Company is responsible for the replacement and maintenance of extraordinary equipment and appurtenances, which shall include the replacement of the luminaires and poles and other associated equipment due to normal wear and tear. All replacement poles and receptacles will be ordered and supplied by Customer. In the event of accidental damage or vandalism, Company shall bill Customer and hold Customer responsible for all extraordinary replacement and maintenance work that is not recovered by Company from third parties tortfeasors. If Customer elects, for any reason, to require removal or relocation of Company facilities, Customer is required to reimburse Company for all costs incurred by Company as a result of such removal or relocation. If action is taken by a governmental entity that requires the removal or relocation of Company's facilities, Customer is required to reimburse Company for all costs incurred by Company as a result of such removal or relocation.

ARTICLE VII

TERM: This contract shall continue for the full initial term of ten (10) years and continues thereafter from year to year until terminated by at least thirty (30) days prior written notice by either Party to the other of its intention to terminate.

ARTICLE VIII

TERMINATION FOR DEFAULT BY CUSTOMER: The occurrence of any one or more of the following events by Customer shall constitute a default by Customer: 1) bankruptcy; 2) non-payment; 3) dissolution of business entity; 4) discontinuation of access; or 5) unauthorized modification of equipment. In the event of default, Company reserves the right to terminate this Agreement. Should Customer terminate prior to the end of the initial term of this Agreement, an early termination charge outlined in Article IX shall apply.

ARTICLE IX

EARLY TERMINATION CHARGE: Should Customer terminate this Agreement for any reason, either during the initial term or any extension thereof, unless waived as provided for herein, Customer shall pay to Company a termination charge excluding fuel for the remainder of the contract term; plus the sum of the original cost of the installed equipment, less accumulated depreciation through the effective termination date, plus removal and disposal costs, plus environmental remediation costs, less any applicable salvage values, the total cost of which shall not be less than zero. Company may waive a portion or all of the termination charge where (1) a successor agreement is executed prior to termination of this Agreement, (2) Customer is able to furnish Company with satisfactory evidence that a successor customer will occupy the premises within a reasonable time and contract for substantially the same service facilities, or (3) the facilities for serving have been fully depreciated.

ARTICLE X

LIMITATION OF LIABILITY: THE PARTIES AGREE, AS AN ESSENTIAL CONDITION OF THIS AGREEMENT, THAT COMPANY SHALL HAVE NO LIABILITY TO CUSTOMER OR TO ANY THIRD PARTY AS A RESULT OF THE SERVICES PROVIDED HEREUNDER OR COMPANY'S INSTALLATION, OPERATION, MAINTENANCE, OR REMOVAL OF THE LUMINAIRES, POLES, CONDUCTORS OR OTHER APPURTENANCES ASSOCIATED WITH THE LIGHTING FACILITIES EXCEPT TO THE EXTENT OF COMPANY'S NEGLIGENCE. CUSTOMER AGREES TO INDEMNIFY COMPANY IN THE EVENT THAT A THIRD PARTY SHOULD BRING A CLAIM AGAINST COMPANY ARISING OUT OF THE SERVICES PROVIDED HEREUNDER OR COMPANY'S INSTALLATION, OPERATION, MAINTENANCE, OR REMOVAL OF THE LUMINAIRES, POLES, CONDUCTORS OR OTHER APPURTENANCES ASSOCIATED WITH THE LIGHTING FACILITIES.

DocuSign Envelope ID: 8B0F6CD9-2C32-43C3-B466-C022D61B7CB2

IN NO EVENT WILL COMPANY BE LIABLE FOR INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES. THE LIABILITY OF COMPANY SHALL IN NO EVENT EXCEED THE AMOUNT PAID BY CUSTOMER TO COMPANY DURING THE TWELVE MONTHS PRECEDING THE EVENT WHICH GIVES RISE TO THE UNDERLYING CLAIM.

ARTICLE XI

WARRANTIES: COMPANY MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY TYPE, EXPRESS OR IMPLIED, EXCEPT AS SPECIFICALLY STATED IN THIS AGREEMENT. WITHOUT LIMITING THE FOREGOING, COMPANY EXPLICITLY DISCLAIMS ANY WARRANTY REGARDNG THE SERVICES PROVIDED HEREUNDER OR COMPANY'S INSTALLATION, OPERATION, MAINTENANCE, OR REMOVAL OF THE LUMINAIRES, POLES, CONDUCTORS OR OTHER APPURTENANCES ASSOCIATED WITH THE LIGHTING FACILITIES REGARDING THE SUITABILITY, PRACTICALITY, VIABILITY, OR FUNCTIONALITY OF THE PRODUCTS AND SERVICES PROVIDED HEREUNDER, EXCEPT AS SPECIFICALLY STATED HEREIN. COMPANY SPECIFICALLY DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES WILL INCREASE SAFETY OR REDUCE THE POSSIBILITY OF CRIMINAL ACTIVITY. THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE SPECIFICALLY DISCLAIMED.

ARTICLE XII

RIGHT OF WAY**:** Customer hereby grants Company free access and right of way to maintain install and remove any and all luminaires, poles, conductors and other appurtenances associated with the lighting facilities contained within this Agreement.

ARTICLE XIII

CUSTOMER MODIFICATIONS: No modifications to luminaires, poles or related equipment may be made by Customer without prior written approval from Company. Company assumes no liability if luminaires, poles or related equipment are modified in any manner by Customer.

ARTICLE XIV

ASSIGNMENT: No assignment of this Agreement, in whole or in part by Customer, will be made without the prior written consent of Company (and shall not relieve the assigning Party from liability hereunder), which consent will not be unreasonably withheld or delayed.

ARTICLE XV

AMENDMENT: This Agreement may not be amended except by written agreement signed by an authorized representative of each Party.

ARTICLE XVI

REPRESENTATION**:** Each Party to the Agreement represents and warrants that it has full and complete authority to enter into and perform its respective obligations under this Agreement. Any person who executes this Agreement on behalf of either Party represents and warrants that he or she has full and complete authority to do so and that such represented Party shall be bound thereby.

ARTICLE XVII

COVENANTS: This Agreement is an entire contract, each stipulation thereto being a part of the consideration for every other, and the terms, covenants, and conditions thereof inure to the benefit of and bind the successors and assigns of each of the parties hereto, as well as the parties themselves.

ARTICLE XVIII

ENTIRE UNDERSTANDING: This Agreement contains the entire understanding of the Parties and supersedes all prior oral or written representation(s) concerning the subject matter hereof.

RECOMMENDED MOTION LANGUAGE

"I make a motion to authorize the Town Manager to enter into the Agreement with Dominion Energy covering the Phase II street lighting of the Boundary Street Lighting Project. The Agreement includes a commitment from the Town of Bluffton for $31,783.13 for materials and labor, and $48,679.20 for the cost of a 10-year lighting lease."

TOWN COUNCIL

STAFF REPORT
Engineering Department

MEETING DATE:	May 12, 2020
PROJECT:	Consideration of Proposed Contractual Agreement Relating to Residential Solid Waste and Recycling Collection Services
PROJECT MANAGER:	Bryan McIlwee, Director of Engineering

RECOMMENDATION:

Staff recommends that Town Council authorize the Town Manager to execute a contract with Waste Management for the purpose of residential solid waste and recycling collection services.

BACKGROUND/DISCUSSION:

The Town entered a contract (2010-54) with Waste Management on September 1, 2010 to provide residential waste and recycling collection services. The term of the initial contract was for three (3) years with an ability to renew for an additional two (2) year term. In June 2014, a third amendment to the contract was executed which extended the term of the agreement until June 30, 2018 with an automatic extension to June 30, 2020 unless either party provided 180-day written notice to not extend beyond June 30, 2018. No notice was given by either party; therefore, the current contract was extended and will expire June 30, 2020.

REQUEST FOR PROPOSAL RESULTS:

A Request for Proposals was posted for 30 days requesting proposals from interested and qualified firms with past, proven, positive experiences in providing weekly residential curbside solid waste pickup and weekly or bi-weekly residential curbside recycling pickup under a fixed price contract. Three submittals were received on the due date of March 24, 2020 from Waste Management of Georgia, Inc. (Waste Management), Republic Services of South Carolina (Republic Services), and Waste Pro of South Carolina (Waste Pro). Due to the large file sizes of the submittals, these are not included as attachments to the staff report packet but can be made available upon request.

Upon receipt of the submittals, an Evaluation Committee evaluated the submittals for methodology, experience, schedule and cost. The Evaluation Committee determined that Waste Management provided the best value on criteria listed above: methodology, experience, schedule, and cost. It is the intention of Staff to select Waste Management to provide the residential solid waste and recycling collection services for the Town.

Upon Town Council selection of bi-weekly recycling pick up at the April Town Council meeting, Staff has worked with the Town Manager to negotiate the final terms of the contract. The following are a few items of note:

Contract Term

The Agreement shall be effective from July 1, 2020 for a period of five (5) years, through June 30, 2025, with the option to renew for one (1) additional 5-year period.

Fee

Waste Management Alternate Service Price Proposal:

- Weekly Collection, Residential MSW, 96-gallon cart:
  $6.09/residential unit per month; **negotiated to $6.00/residential unit per month**
- Bi-weekly Collection, Recyclables, 96-gallon cart:
  $5.01/residential unit per month; **negotiated to $4.50/residential unit per month**
- Total cost for alternate service:
  $11.10/residential unit per month; **negotiated to $10.50/residential unit per month**
- Rates for Years 2 through 5 shall escalate annually based on the Consumer Price Index for Water, Sewer and Trash with a cap of 2.75% annually.
- The Town reserves the right to change Residential Recycling pickup to a smaller container on a weekly basis upon mutual agreement and an agreed adjustment to Waste Management's compensation.

Partnership, sponsorship or support for community development initiatives

- Special Olympics
- United Way of the Lowcountry
- Relay for Life
- May River Clean Up
- Boys and Girls Clubs of the Lowcountry
- 43 Key Seconds
- Christmas Parade

Public Education

- Upon delivery of Recycling Carts, shall affix a customized flyer to each cart with recycling instructions, a list of Program Recyclables and a list of common contaminants.
- Recycling best practices and schedule issued prior to the transition to bi-weekly recycling services;
- Quarterly social media posts in conjunction with the Town;
- When Residential MSW or Program Recyclables are improperly prepared (to individual Residential Units).

Value added items proposed by Waste Management:

Bagster, Dumpster in a Bag program, a cost-effective, on-demand waste management solution that is lightweight, easy to transport, and smaller and more manageable than a large roll-off dumpster.

Carts

- Residential MSW carts and Recycling Carts shall be of differing colors, which could mean the body of the carts are the same color with lids of different colors. For example, green carts with green lids for Residential MSW and green carts with yellow lids stamped "Recycling Only" for Recycling.
  NOTE: Carts will not have a recycling sticker or label affixed to the lid but rather a flyer attached to the cart upon delivery as described above. A permanent "in-mold label" is an available option but it would require the manufacturing of lids at an additional cost of approximately $1.80/lid paid out over 12 months which equates to $1,500/month for the Town for year 1 of the contract. If market conditions would ever change and Waste Management was unable to accept certain recyclables, the lids would need to be changed at a cost of approximately $20/home which equates to an additional $200,000 expense. The customizable flyers provide a cheaper and more flexible option for public education.
- All carts will remain the property of Waste Management.
- Waste Management shall replace any lost or damaged carts without charge to the Town or Residential Unit except for that Residential Unit known to have willfully removed or damaged a cart may be charged a fee to repair or replace the damaged cart not to exceed the actual cost of the cart.
- Waste Management shall, upon request, provide Residential Units additional cart(s) for Residential MSW or Recycling at the prevailing contractual rates.

Customer Service

- Waste Management shall serve as the first point of contact for customers regarding the Residential Solid Waste Collection and Recycling Services via a local or toll-free telephone number and by e-mail to customers who wish to request starting new service, an additional service, ask a question, or register a complaint.
- Waste Management staff will be available to receive and address requests and complaints during regular business hours, Monday through Friday. After hours, weekends, and holidays Waste Management must make available a message service to record citizen requests and complaints. Waste Management will ensure that its employees service the public in a courteous, helpful, and impartial manner. It is the Town's goal that complaints be resolved within 24 hours of receipt by Waste Management.
- Waste Management shall promptly investigate and courteously resolve all complaints of missed pick-ups and shall arrange for collection of valid missed pick-ups within twenty-four (24) hours after a complaint or notification is received. In the event this occurs on a day preceding a holiday or weekend, the complaint shall be serviced on the next working day.
- In the event of valid complaints for other incidents, including, but not limited to, spillage of broken glass during collection of recyclables; items of MSW and/or recyclables dropped during collection; that are not cleaned up by the collection crew,

Waste Management shall promptly arrange for clean-up within twenty-four (24) hours after a complaint or notification is received.

- Waste Management shall maintain a daily log of complaints received. A copy of this log shall be furnished to the Town monthly report.
- Waste Management shall notify the Town and all customers about route changes, including but not limited to days of collection, two weeks prior to any such changes by placing a flyer on the cart or other notification.

Backdoor Service

- At no additional cost, Waste Management shall provide additional service for residents who are determined by the Town to live in a residence in which no individual is physically capable of taking garbage to the curb.

Recordkeeping and Reporting

- Waste Management shall be responsible for maintaining and submitting monthly and annual reports to the Town.
- Waste Management shall conduct an annual customer service survey and include in the annual report.

NEXT STEPS:

1. Execution of Contract
2. Service under new contract begins July 1, 2020

TOWN COUNCIL

STAFF REPORT

Executive Office

MEETING DATE:	May 12, 2020
ISSUE:	Consideration of a Resolution to Approve Renewal of the Memorandum of Understanding with Cornerstone Church to Provide Public Parking in the Bluffton Historic District
PROJECT MANAGER:	Scott Marshall, MPA, ICMA-CM Deputy Town Manager

RECOMMENDATION:

Request Town Council's consideration of the Resolution at Attachment 1, approving the Town Manager or designee to enter into an agreement to amend the MOU with Cornerstone Church to provide public parking in the Historic District. The amendment will effectively renew the MOU for an additional year.

BACKGROUND/DISCUSSION:

The Calhoun Street and Adjacent Areas Study, approved in February 2016, aided the final urban design plan for the Calhoun Street corridor. The need for additional parking opportunities to service the growing visitor and worker population was a finding of the Study. Town Council reviewed and authorized Staff to facilitate shared parking agreements with entities within the Historic District which have existing parking facilities.

In the spring of 2016, as part of the annual budget submission process, Council was informed of the opportunity for a shared parking agreement with Cornerstone Church, at the corner of Calhoun Street and May River Road and provided direction to Staff to pursue.

The Town subsequently entered into an MOU with Cornerstone Church to provide 50 public parking spaces at all times, except during Sunday services and at other annual events sponsored by the church, at a cost to the Town of $1,000 per month. The terms of the initial MOU were for two years, effective as of June 14, 2016, and are renewable annually upon mutual consent.

A series of Town Council-approved amendments have ensured that this agreement remains active under the original financial terms.

Amendment #3 to the MOU, found as Exhibit "A" to Attachment 1, has been drafted and agreed to by Cornerstone Church. The amendment will extend the MOU for an additional year under the original financial terms.

NEXT STEPS:

Pending Town Council approval of the Resolution at Attachment 1, Staff will execute the amendment to the MOU with Cornerstone Church.

Memorandum of Understanding

I. Background

Adopted in 2006 by the Town of Bluffton Town Council, the Old Town Master Plan presents a comprehensive set of guiding design principles and urban design directives. It further provides policy guidance for the Town of Bluffton Historic District, hereafter referred to as the Historic District. In this regard, the Old Town Master Plan advises that the Town create walkable streets, enhance the tree canopy, and manage stormwater runoff by mimicking natural stormwater systems. It provides that the Town and community craft unique projects with the intent of preserving and enhancing the Bluffton character.

The Calhoun Street and Adjacent Area Study (Study) was approved in February 2016 and is a compilation of several elements that led ultimately to a final urban design plan for the Calhoun Street corridor. This Study serves as a guide in directing Capital Improvement Projects and applicable policy decisions. The need for additional parking opportunities to service the growing visitor and worker population within the Historic District was a finding in the Study. Bluffton's Town Council reviewed and authorized Staff to facilitate shared parking agreements with entities within the Historic District which have existing parking facilities. This Memorandum of Understanding is the realization of the goal to provide opportunities for additional parking options.

II. Parties to the Memorandum

The **Town of Bluffton** is an incorporated town in Beaufort County, South Carolina.

Cornerstone Church is a 501(c)3 non-profit church located in the Town of Bluffton.

III. Purpose of this Memorandum

The Parties hereto intend this MOU to constitute an outline of the major terms, conditions and understandings of the Parties, which may be set forth more thoroughly in a definitive agreement between the Parties relating to the subject matter of this MOU; however, this MOU shall not and is not intended to be a binding and enforceable agreement of the Parties. This MOU reflects the mutual understandings of the Parties regarding those actions, permits, approvals and/or agreements lawful and necessary to accomplish the creation of a shared parking agreement to establish a public parking area for the general public visiting and working in the Bluffton Historic District. The Parties intend to actively participate and to work together collaboratively, in good faith and with due diligence, to negotiate the terms of the development of the Project. These undertakings are personal to the Parties and neither this MOU nor its terms shall be assigned to any other person or entity without the unanimous consent of the Parties.

IV. Mutual Goals

Goal 1: The parties to this memorandum have the shared goal of facilitating a shared parking agreement to establish a public parking area for the general public visiting and working in the Historic District.

Goal 2: Additionally, the parties to this memorandum have recognized that the establishment and use of a public parking area requires funds to improve and maintain the parking infrastructure.

Goal 3: Additionally, the parties to this memorandum seek to form a private/public partnership to provide a solution to the challenge of adequate parking for visitors and workers within the Historic District.

V. Parties Roles and Responsibilities

Cornerstone Church shall provide:

- Public access and use of the entire church parking lot located nearest to Calhoun Street (see Exhibit A), including visitors and employees in the Historic District, via an initial two-year commercial lease agreement renewable annually upon the same terms and conditions in the Town of Bluffton's sole discretion, which lease agreement shall be recorded in the Office of the Register of Deeds for Beaufort County, South Carolina;
- Parking will be open to the public at all times except during the following times:
    - Sunday morning from 8:30am through 12:30pm
    - Bluffton Village Festival (May)
    - Christmas at Cornerstone Festival (December)
- Provision of liability insurance.

The Town of Bluffton shall provide;

- An annual rental fee of Twelve Thousand and No/100 ($12,000.00) payable in four equal quarterly installments of Three Thousand and No/100 ($3,000) Dollars to Cornerstone Church.
- An amount of $750 annually for the specific purpose of reimbursing Cornerstone Church for the additional expense of adding the Town of Bluffton as an additional insured as specified in item VI.C. of this agreement.
- Provision of public parking signs at the entrance to and within the designated parking area;
- Improvement of the existing grass parking area to a gravel base; and
- Quarterly maintenance of the parking area including gravel (as needed), leveling of the existing gravel base and reset curb stops (as needed)

VI. Conditions

A. The Town of Bluffton and Cornerstone Church agree to notify each jurisdiction immediately of:

ATTACHMENT 2

a. Any major change in the financial condition of either entity in the course of the year, and

b. Any proposed major change in the intended expenditure of the monies.

B. Nothing in this MOU is intended to, nor shall be deemed to, constitute an agent or an agency of each organization. No representation will be made by The Town of Bluffton and Cornerstone Church that would create an apparent agency; and The Town of Bluffton and Cornerstone Church shall have no power to act for each entity in any manner or to create debts or obligations that would be binding upon each organization; and each organization shall not be responsible for any obligation or expenses of either entity.

C. *As a material condition to the terms of the proposed lease agreement, the Town agrees to undertake all customary maintenance responsibilities for the Leased Area. The Church shall maintain a commercial general liability policy of insurance providing coverage against liability for personal and bodily injury, death and property damage having limits of not less than Three Million Dollars per person and per occurrence. Such insurance shall name the Town as an additional insured as for any liability or occurrence arising in the Leased Area.*

D. The Town of Bluffton and Cornerstone Church agree that by acceptance of public funds provided herein, The Town of Bluffton act as a "public body" as defined in the S.C. Freedom of Information Act (§30-4-10 et seq), S.C. Code of Laws for 1976 as amended with respect to the expenditure of those funds, and all activities regarding the expenditure of these funds must be in compliance with said Act.

TOWN COUNCIL

STAFF REPORT

Executive Office

MEETING DATE:	May 12, 2020
ISSUE:	Consideration of a Resolution to Renew the Bluffton Ambassador Program Memorandum of Agreement with the University of South Carolina – Beaufort
PROJECT MANAGER:	Scott Marshall, MPA, ICMA-CM Deputy Town Manager

RECOMMENDATION:

Town Council consideration of the Resolution presented as Attachment 1 which expresses formal support for the renewal of the Bluffton Ambassador Memorandum of Understanding between the Town of Bluffton and the University of South Carolina-Beaufort (USCB).

BACKGROUND/DISCUSSION:

1. At the February 8, 2017 Strategic Planning Workshop, Town Council identified a desire to develop a program for Bluffton similar in nature to the Hilton Head Island Ambassador Program. When the 2017-18 Town of Bluffton Strategic Plan was revised by Resolution on June 13, 2017, it added an Action Agenda item to establish such a program in support of the Community Quality of Life Strategic Focus Area.
2. USCB staff administers the program and submits invoices to the Town for reimbursement of expenses per the original MOU between the Town and USCB adopted in December, 2017, a copy of which is found at Attachment 2. In order to continue administering the program, we must annually renew the MOU, with specified budgetary expectations. Exhibit "A" to the Resolution at Attachment 1 contains the amendment required to fund the Bluffton Ambassador Program for Fiscal Year 2021. The Bluffton Ambassador annual budgetary need, as identified by USCB staff, is $17,500. The Fiscal Year 2021 Consolidated Budget, as submitted for consideration, has sufficient funds in a budget line-item to support the Bluffton Ambassador Program.
3. To date, USCB has graduated over 170 Bluffton Ambassadors. Attachment 3 contains a summary of the program's performance, to include evaluations and student comments regarding their experience with the program. Staff assessment of this program is that there is a positive return on investment with recommended continuation.

NEXT STEPS:

Upon adoption of the Resolution presented as Attachment 1, Staff will sign the MOU amendment and coordinate with USCB Staff to ratify it.

RESOLUTION

TO RENEW THE BLUFFTON AMBASSADOR PROGRAM MEMORANDUM OF UNDERSTANDING WITH THE UNIVERSITY OF SOUTH CAROLINA-BEAUFORT

WHEREAS, at its June 13, 2017 meeting, the Town Council of the Town of Bluffton adopted a revision to the Town's Strategic Plan Action Agenda to include the addition of an action item entitled "USCB Ambassador Program;" and

WHEREAS, a Memorandum of Understanding between the Town of Bluffton and the University of South Carolina-Beaufort was ratified in December, 2017 for the purposes of creating and administering a USCB Bluffton Ambassador Program; and

WHEREAS, the success of this program has already produced more than 170 Bluffton Ambassadors; and

WHEREAS, in order to continue the Bluffton Ambassador Program, which requires reimbursement for program expenses pursuant to the Memorandum of Understanding, the Town and the University of South Carolina-Beaufort must renew the Memorandum of Understanding through annual execution of an amendment; and

WHEREAS, the programmed amount for USCB Bluffton Ambassador expenses for Fiscal Year 2020 is included in the Town of Bluffton Fiscal Year 2021 Consolidated Budget; and

WHEREAS, it is the collective will of the Town Council of the Town of Bluffton that the Bluffton Ambassador Program be continued into and through Fiscal Year 2021.

NOW, THEREFORE, BE IT RESOLVED that the Town Council of the Town of Bluffton affirms on this day, **May 12, 2020**, its support of Amendment #3 to the Memorandum of Understanding No. 2018-034 between the Town of Bluffton and the University of South Carolina-Beaufort, presented as "Exhibit A."

April 2, 2020

Dear Mayor Sulka, Honorable Council Members and Manager Orlando:

I am delighted to submit our 2020-21 budget for the Bluffton Ambassador Program in the amount of $17,500. During the past year, USCB's Center for Event Management and Hospitality Training developed and launched the Bluffton Ambassador program. Modeled after the successful Island Ambassador program, which passed the 2,000-certified mark this year, the Bluffton Ambassador program included a two-hour seminar and referenced items for further learning. The topics included Bluffton's history, amenities, governance and future planning. It ended with what it means to be a Blufftonian. The seminar was tailored to each audience and updated with current information every time it was offered. Each attendee also received a detailed Bluffton Ambassador pocket guide. This is a 44-page printed publication with local information that supplements what is taught in the seminar. Attendees also received a Bluffton Ambassador folder, pin and notepad. The launch of the program was exceptionally well received. This fiscal year we certified 170 Bluffton Ambassadors, including local realtors, merchants and hospitality employees. Reviews of the program from attendees were overwhelmingly positive, and demand for future sessions is strong.

We are happy to be a part of Bluffton's success in maintaining the essence and culture of the town while it is undergoing the explosive population growth that is shaping the area. We look forward to working with the Town to continue to offer this valuable resource to Blufftonians in the future.

Very truly yours,

Keri A. Olivetti, Director
USCB Center for Event Management and Hospitality Training

Su Gibson, Assistant Director
USCB Center for Event Management and Hospitality Training

MISSION STATEMENT OF BLUFFTON AMBASSADOR PROGRAM

Bluffton Ambasador Program Memorandum of Understanding Between the Town of Bluffton, the University of South Carolina, and the University of South Carolina Beaufort

This Memorandum of Understanding (hereinafter "Agreement") is made and entered into this 19th day of December, 2017 by and between the University of South Carolina, a public university of the State of South Carolina (hereinafter "USC"), University of South Carolina Beaufort, an institution of the USC system (hereinafter "USCB"), and the Town of Bluffton, a political subdivision of the State of South Carolina (hereinafter "Town"). USCB and the Town may be collectively referred to herein as the "Parties."

WHEREAS, Bluffton is a unique southeastern coastal community, whose blend of historical features coupled with growth and economic vitality lend themselves to be communicated through formal presentation; and

WHEREAS, such formal presentation shall bear the appropriate title of Bluffton Ambassador Program (hereafter "Program"); and;

WHEREAS, USCB is an ever-growing university with the capability to develop and deliver the content of the Program; and

WHEREAS, through partnership with USCB, the Town will be able to deliver important information about the Town to residents, community stewards, guests and stakeholders in the Town's continued success; and

WHEREAS, the Program will be a collaboration between the Town and USCB's Center for Event Management and Hospitality Training; and

WHEREAS, such collaboration and partnership provides an opportunity for a mutually beneficial relationship for the Town and USCB.

NOW, THEREFORE, for due and valuable consideration, the parties agree as follows:

1. Terms of the Agreement:

    a. The initial term (the "***Initial Term***") of this Agreement shall commence on July 1, 2017, and shall continue for a period of one year with the Initial Term endingon June 30, 2018.

b. This Agreement will then automatically renew on an annual basis for one-year terms (the "***Extension Terms***") commencing on July 1 of each successive year, unless modified or terminated in accordance with this Agreement;

c. At least ninety (90) days prior to the end of the Initial Term or any Extension Term thereafter, the parties shall review the Program and, **through the written mutual agreement, the Agreement may be modified to support continuation of the Program.**

2. Bluffton Ambassador Program Content: The Program will be an educational program with the goal of informing residents, community stewards, guests and stakeholders in the Town's continued success about the community of Bluffton. The Program will be two to three hours in length and will cover the following topics:

   a. History of the Town of Bluffton.

   b. Town of Bluffton Vision and Mission.

   c. Governmental Structure of the Town of Bluffton.

   d. Town of Bluffton Strategic Priorities.

   e. Culture of the Town Bluffton, i.e., why Bluffton is the "Heart of the Low Country".

   f. Importance and ecological impact of the May River and surrounding watersheds.

   g. Opportunities for civic engagement in the Town of Bluffton.

3. USCB Responsibilities: USCB will provide the following professional services in relation to this agreement:

   a. Development of the Bluffton Ambassador Program: USCB will develop the Bluffton Ambassadors program through the use of all necessary research, focus groups, consultant meetings, content development, video production, photo management with all necessary rights being secured as well as any additional services necessary for professional program development;

   b. Updates of the Bluffton Ambassador Program: USCB will annualy assess and update the Program's content to incorporate the latest available data (such as statistics and demographics) as well as the Town's current Strategic Priorities, initiatives in action, and accomplishments for the previous year;

c. Program Presentation: USCB will present the Bluffton Ambassador Program using professional educators at the discretion of USCB, subject to Town approval. USCB will present a minimum of three complete Bluffton Ambassador programs during the Agreement's initial term and any subsequent renewal terms;

d. Certification: USCB will certify all individuals who complete the Program as "Bluffton Ambassadors."

e. Records: USCB will maintain a master list of all individuals who attend all or a portion of any Program presentation, as well as the master list of all certified Bluffton Ambassadors.

f. Evaluations: USCB will develop a suitable evaluation instrument to be utilized at each Program presentation. USCB will maintain a summary of all evaluations, review the evaluations and utilize the evaluations to improve the Program.

g. Coordination: USCB will work with the Town in developing, promoting, and presenting the Program, communicating with Town on all aspects of the Program, and promoting the Program as a collaboration between USCB and the Town.

4. Town Responsibilities: The Town will provide the following funding and professional services in relation to this agreement:

a. Funding for Initial Term: The Town shall provide up to Thirty Thousand ($30,000) dollars for expenses associated with the Program for the initial term of this Agreement pursuant to the budget attached hereto as "Exhibit A." The financial arrangement shall be on a reimbursable system wherein USCB shall provide invoices and the Town shall reimburse USCB at their next financial cycle which shall be at a minimum schedule of quarterly.

b. Funding for Extension Terms. At least ninety (90) days prior to the expiration of the Initial Term and each Extension Term thereafter, USCB and Town Staff shall coordinate and agree upon a proposed budget to continue the Program for the next term, which proposed budget shall be submitted to Bluffton Town Council for review and approval. With approval of the continuation, through the written mutual agreement, the Agreement will be modified to support continuation of the Program.

c. Expertise and Information: To the extent allowed by law, Town Staff and Volunteers agree to cooperate with USCB in providing all relevant information concerning the Town of Bluffton, the functioning of its Government, the history

of its community, the ecology of the surrounding area, and all other relevant information at its disposal as requested by USCB.

d. Marketing: The Town will assist in the marketing of the Program using it various tools as it deems necessary.

e. Coordination: To the extent allowed by law, the Town will work with USCB in sharing contacts and support of the Program with key individuals and organizations in the Bluffton Community with information needed to develop the Program, to include introductions, support of the program, and assistance with promoting the Program.

5. General Terms and Conditions:

a. The Town Manager, his designee, or USCB may terminate this Agreement with ninety (90) days written notice, in whole or in part, at any time for the convenience of the Town or UCB. If this Agreement is terminated for the convenience of the Town, the Town will reimburse USCB for incurred expenses up to the date of termination.

b. The parties hereto intend that no master/servant, employer/employee, or principal/agent relationship will be created by this Agreement. Nothing contained herein creates any relationship between the Town and USCB other than that which is expressly stated herein. The Town is interested only in the results to be achieved under this Agreement. The conduct and control of USCB's agents and employees and methods utilized in fulfilling its obligations hereunder shall lay solely and exclusively with USCB. USCB's agents or employees shall not be considered employees of the Town for any purpose. No person employed by USCB shall have any benefits, status, or right of employment with the Town.

BLUFFTON AMBASSADOR SEMINAR COMMENTS

3/22/2019 –Town of Bluffton

Share one fact that you learned during this seminar:

- I didn't know where the Card house was.
- Dolphins strand feed on their right side because that's what their mom taught them.
- Tidal slough
- Great course to help with people new to the area.

Additional Comments to better serve your needs:

- New organization chart
- Council pictures

8/12/2019 – Palmetto Bluff

Share One fact that you learned during this seminar:

- I learned about the 8 original structures still standing. About how the dolphins strand feed. More about the Oyster Factory.
- Bluffton is not just rich in history but also surrounded with people who have a good heart.
- The reason for the burning of Bluffton (spies(?) were leaving from Bluffton to survey troops on the island.) There is a heart in Bluffton.
- I learned that there's 2 churches survived during the burning of Bluffton and some houses too, like the Card.
- The oldest know/remaining structure in Bluffton is the Card House, built in 1825.

Additional Comments to better serve your needs:

- This was great! Thank you! I think there's no need to add or change course. Everything is incredible.
- Thank you for this seminar. As part of the Cultural Student Exchange Program, I've learned a lot of things.
- Thank you very much!

Additional Comments on how seminar could better serve your educational needs:

- Fantastic!
- Better arrange seating would go a long way. It would also be nice to have a worksheet to fill out and lists of facts in the handouts! Overall, it was exceptional!
- Great presenter & presentation! Learned a lot of things to share.
- Great job

- Add a more interactive component with other local speakers and town leaders.
- Great job
- Wonderful
- Informative – thank you!
- This should be an all-day in-depth program, not a 2 hr lecture.

2/12/2020 Old Town Bluffton Merchants

Additional Comments on how seminar could better serve your educational needs:

- Maybe reduce presentation to 60 minutes and do without break.
- Thank you so much!
- Condense presentation
- I liked that you asked for feedback from the locals. Great info, so happy I came. We enjoyed this!
- **VIM** would be a nice addition to the non-profits.
- Spend more time talking about opportunities to get involved—contacts—representatives from organizations
- I think this was great! Loved every moment
- Introduce to "Pocket Guide" at the beginning and Add Volunteers in Medicine on the non-profit sheet.
- I am a new resident, and was happy to have this overview. I learned about all the things I needed to learn more about. So now I have my homework assignment.
- Use a Microphone
- Suggestions: Bluffton is one of only a few Arts & Cultural Districts in SC.

WORKING TOGETHER FOR A GREATER FUTURE

bluffton

" I GIVE THANKS THAT I WAS BORN RIGHT HERE IN BLUFFTON, IN SOUTH CAROLINA, IN THE UNITED STATES OF AMERICA. I WAS FORTUNATE TO BE RAISED UP IN A TOWN WHERE EVERYONE KNEW EACH OTHER. WE HAD OUR FAMILIES, NO MATTER HOW FINANCIALLY DISADVANTAGED A FAMILY MIGHT HAVE BEEN, THEY WERE STILL PROUD OF EACH OTHER AND THE WHOLE FAMILY. NOTHING OR NOBODY INTERFERED WITH FAMILY. "
