Re: Naming of Lady's Island Park / Policy Statement – 10.

Dear Chairman McBride:

Pursuant to Beaufort County Policy, Statement #10, titled Beaufort County Policy for Naming and Renaming Landmarks, I am submitting for Community Services Committee consideration and approval the naming of the new Lady's Island Park, "The Coursen and Tate Memorial Park".

As required by Policy Statement #10, Sheriff Tanner, Councilman Sommerville and I submitted the proposed name for review and approval by the Beaufort County Historic Preservation Review Board (HPRB). The HPRB has approved the naming of the Lady's Island Park as "The Coursen and Tate Memorial Park".

As you may recall, on January 8, 2002, Lance Corporal Dana Lyle Tate and Corporal Dyke A. "A.J." Coursen were killed in a gun battle after responding to a domestic dispute call. In one very tragic moment, we lost two heroes. At the time of the shooting, both officers lived on Lady's Island.

Hopefully, your Committee will agree that after ten years, it is fitting and proper to honor and preserve their memory with this designation.

After the acceptance of this recommendation by your committee, it will move forward for consideration by the members of County Council.

Sincerely,

Gary Kubic
County Administrator

BEAUFORT COUNTY POLICY FOR NAMING AND RENAMING LANDMARKS

Beaufort County is blessed with a number of historic buildings, sites, and events that reflect our long and significant history. It is important when such sites are named or renamed that the historic names associated with these sites be retained. Changing the historic name of a landmark should be done only in extraordinary circumstances. If Council wishes to honor a distinguished citizen by naming an existing facility after them, the appropriate method would be to add "In Memory of (name)" to the existing name.

Prior to County Council approving the naming or renaming of any County site or landmark, the proposed name shall be submitted for review by the Beaufort County Historic Preservation Review Board (HPRB). The submittal shall include the proposed name change, the reason for the change, and any available historic information regarding the site and the proposed name. After reviewing the proposal, the HPRB shall forward its recommendation to County Council.

Criteria for Naming or Renaming Landmarks

Historic Names

- A. Citizens who have made a significant contribution to the history of Beaufort County, South Carolina, or the United States, and who have been deceased a minimum of 5 years.

Examples: elected officials, community leaders, educators, military heroes, and individuals involved in the arts or athletics, etc.

- B. Places that have played a significant role in the history of Beaufort County, South Carolina, or the United States.

Examples: battle sites, sites associated with early explorers, or the sites of significant buildings, bridges, boat landings, and ferries

- C. Events that have made a significant contribution to the broad patterns of our history.

Examples: events related to the Revolutionary or Civil Wars, civil rights movement, or maritime history of the County

Native American Names

Names associated with the long habitation of Native Americans in the Beaufort County area.

Examples: rivers, islands, settlements, and indian towns.

Natural Features

Names associated with nature that are indigenous to Beaufort County.

Examples: animals, birds, flowers, trees, marshes, and geological features.

Adopted this 22nd day of June, 1998.

SUBJ: Beaufort County Policy for Naming and Renaming Landmarks
(Policy Statement – 10)

Dear Board Members:

I am writing on behalf of Sheriff Tanner, Councilman Sommerville and the members of Beaufort County Council to request that you review and approve the naming of the recently built Lady's Island Park located on Springfield Road, "The Coursen and Tate Memorial Park".

On January 8, 2002, Lance Corporal Dana Lyle Tate and Corporal Dyke A. "A.J." Coursen were killed in a gun battle after responding to a domestic dispute call. In one very tragic moment, we lost two heroes. At the time of the shooting both officers lived on Lady's Island.

Hopefully, you will agree that after ten years, it is fitting and proper to honor and preserve their memory with this designation.

If you have any questions regarding this request, please contact Sheriff Tanner at (843) 255-3191 or myself at (843) 255-2026.

I eagerly await your favorable decision.
