SUBJ: Recommendation of Contract Award for RFP# 120413 Old Savannah Highway Medians Landscaping Services

DATE: March 31, 2014

BACKGROUND: On December 4, 2013, Beaufort County received three proposals for landscaping services of the Old Savannah Highway Medians. This service includes the cost of project design, site preparation/grading, a four-month hand-watering program to facilitate plant establishment, cost of plants and installation of plants, cost of pine straw and mulch with installation. The evaluation committee consisting of Linda Bridges, Planning Administrator for the Town of Port Royal, Amanda Flake, Beaufort County Natural Resources Planner, and Robert Merchant, Beaufort County Long Range Planner met on December 19, 2013 and interviewed each of the firms that submitted proposals. The evaluation committee met again on January 8, 2014 and completed their final ranking (see attachment). Of the three firms, The Greenery has considerably more experience in similar types of projects, specifically including the installation of plant materials in a busy highway median. The firm carefully considered how they will stage the install of plant materials in a manner that will minimize traffic disruptions and insure worker safety. Although, the cost of The Greenery's proposal is \$3,043 or 5% more than Southern Palmetto Landscapes, Inc., and \$8,643 or 16% more than Moss Chemical and Landscaping, the quantity of plant materials and pine straw in The Greenery's proposal far surpassed the other two firms (see the attached plant comparison chart). Please see below the three firms that submitted bids for this project, and the final ranking.

FIRMS FINAL RANKING:

1. The Greenery, Inc., Hilton Head Island, SC
2. Southern Palmetto Landscapes, Ridgeland, SC
3. Moss Chemical and Landscaping, Bluffton, SC

BEST AND FINAL OFFERS:

\$61,883
\$58,840
\$53,240

FUNDING: Reforestation Trust Fund, Account 20120011-51160, \$315,000 available funding

FOR ACTION: Joint Public Facilities and Finance Committee meeting occurring March 31, 2014

RECOMMENDATION: The Purchasing Department recommends that the Public Facilities and Finance Committees approve the contract award to The Greenery, Inc., in the amount of \$61,883 for the Old Savannah Highway Medians Landscaping Services from the funding source listed above.
