COUNTY COUNCIL OF BEAUFORT COUNTY
PURCHASING DEPARTMENT

106 Industrial Village Road, Bldg 2, Post Office Drawer 1228
Beaufort, South Carolina 29901-1228

TO: Councilman Gerald Dawson, Chairman, Public Facilities Committee

FROM: Dave Thomas, CPPO, Purchasing Director *det*

SUBJ: Request to Purchase two Pickup Trucks from State Contract for Beaufort County's Traffic and Transportation Engineering Department

DATE: March 31, 2016

BACKGROUND: The Purchasing Department received a request from the Director of Traffic Engineering to purchase two Ford F Series pickup trucks from a State contract vendor. The new equipment is a replacement for two pickup trucks assigned to Traffic Engineering. Truck #21044, a 2002 Chevrolet Silverado, has 166,069 miles; the current repair cost to date for this vehicle is more than \$7,000.00 with an estimated future repair cost at over \$1500.00. Truck #21045, a 2002 Chevrolet Silverado, has 161,018 miles; the current repair cost to date for this vehicle is more than \$8,000.00 with an estimated future repair cost at over \$1,900.00. The cost to purchase both trucks is included in the current Traffic and Transportation Engineering budget. The department utilizes these pickup trucks to transport employees, supplies and small tools. The old vehicles will be sold on GovDeals.

<u>STATE CONTRACT VENDOR INFORMATION:</u>	<u>COST: F150/F250</u>	<u>TOTAL</u>
Vic Bailey Ford, Spartanburg, SC	\$27,404+ \$38,684	\$66,088.00*

*Price includes all applicable taxes, delivery and upgrades listed in the attachments.

cl **FUNDING:** Account # 10001241-54000

FOR ACTION: Public Facilities Committee meeting on April 18, 2016

RECOMMENDATION: The Purchasing Department recommends that the Public Facilities Committee approve the contract award of \$66,088.00 to purchase two 2016 Ford pickup trucks from the aforementioned vendor in support of Traffic and Transportation Engineering operations.

cc: Gary Kubic, County Administrator *GKubic*

First Vehicle Services
Beaufort County Division
P.O. Box 6016
Beaufort, SC 29902-6016

To: Andi Everett

Department: Traffic Engineering

Subject: Evaluation of Equipment #21044

Subject equipment was evaluated on Date: 3/30/16
Maintenance cost history is attached.

It is our opinion at First Vehicle Services that if the cost of repair exceeds one third of the assets value consideration for removal and or replacement should be taken. Yearly cost evaluation will accompany any evaluation requiring consideration.

Kelly Blue book value of this unit is \$1239.00

Total repair cost to date for the unit is \$7115.84

Estimate future and present repair cost are \$1524.82

(This cost does not include major component failures such as engine, transmission and drive train.)

This unit exceeds APWA guidelines for replacement, based on age (14 years), present condition and mileage (166069).

Brian Freeman, Region Maintenance Manager

Quality Assurance- FVS/Beaufort Co.

SUBJ: **2016 SCDOT Roadway Resurfacing Contract Award – IFB #040516E**

DATE: April 12, 2016

BACKGROUND. In FY 2016, Beaufort County has received \$5,667,823 in a one-time C Program funding distribution. As noted in the attached SCDOT 7/9/15 correspondence, this one time FY 2016 C Program distribution must be used for improvements on state-owned secondary roads. On September 16, 2015, The Beaufort County Transportation Committee (BCTC) selected 28 SCDOT roads, approximately 32 miles for resurfacing in 2016.

On April 5, 2016 Beaufort County received the following 2 bids for the asphalt resurfacing of the 28 SCDOT roads.

<u>Bidder</u>	<u>ADDRESS</u>	<u>TOTAL BID AMOUNT</u>
The Lane Construction Corporation	Beaufort, SC	\$ 5,599,857.20
Preferred Materials, Inc. (PMI)	Savannah, GA	\$ 6,160,331.00
Engineers Estimate		\$ 6,050,000

Lane Construction Corporation bid submittal has been reviewed and found to be reasonable. There is no apparent cause for rejecting their bid.

d **FUNDING.** This project would be funded from County non-recurring 2016 C Fund distribution of \$5,667,823. Engineering staff is also requesting a 10% project contingency totaling \$560,000 funded from the C Fund Acct 2342001C-54901 – Road Resurfacing & Improvement Account with its annual BCTC budget of \$1.5 million. This contingency, if needed, would be applied to the County's 25% mandated annual expenditure from the monthly recurring C Fund distribution.

Construction engineering inspections will be completed by F&ME from their previously approved contract award and funding from professional services account 2342001T-51160 for the Perryclear Bridge rehabilitation that was not used.

FOR ACTION: Public Facilities Committee Meeting on April 18, 2016.

RECOMMENDATION: The Public Facilities Committee approve and recommend to County Council approval of a contract award to the Lane Construction Corporation for the 2016 SCDOT Roadway Resurfacing Project of \$5,599,857.20 from the funding source listed above. Additionally, recommend approval of a 10% project contingency for a total project budget of \$6.1 million.

July 9, 2015

Mr. Irvin Campbell, Chairman
Beaufort County Transportation Committee
68 Oak View Road
Hilton Head, South Carolina 29926

RE: State Fiscal Year 2015/2016 C Fund Revenue

Dear Chairman Campbell:

The South Carolina General Assembly recently passed legislation (H.4230), which resulted in the authorization of \$216,329,114 in additional one-time (non-recurring) funding for the CTC program. Individual CTC's portion of the additional funding is determined in accordance with the allocation formula stipulated in S. C. Code Ann. Section 12-28-2740 (the C-Fund law). Beaufort's portion is projected to be \$5,667,823. This money is to be divided into two different categories since it will be made available to the CTC at different times in lump sum payments. The first amount of \$1,847,100, specified as a one-time appropriation, is planned to be made available to the CTC by the end of August. It is anticipated the second amount of \$3,820,723, described as a forecasted additional distribution, will be made available to the CTC later this fall once the state closes the accounting books for SFY14-15. Our office will notify the Committee later this year when the forecasted additional distribution will be made available to the statewide CTC fund account and subsequently released to the individual CTCs.

The new legislation specifies CTCs shall utilize all the non-recurring funds for use on the state-owned secondary road system for paving, rehabilitation, resurfacing, and/or reconstruction, and bridge repair, replacement, or reconstruction. No funds from this allocation shall be used for any road, bridge, or highway that is not part of the state owned system. In order to try to assist the CTCs in identifying potential projects, the South Carolina Department of Transportation (SCDOT) has evaluated the secondary roads and bridges in your county using objective and quantifiable factors in a similar manner as we do to identify candidate projects for our own ACT 114 compliant resurfacing program. This list is not meant to bind the CTC, but to simply provide a starting point for the CTCs to consider as you begin your deliberations on selecting resurfacing projects. A list of potential bridge replacement candidates will be provided upon request. SCDOT will gladly review the list with the Committee and assist in making a recommendation for the CTC's approval. Please contact your local SCDOT engineer, for assistance or guidance in the selection process if needed. In order to properly account for the expenditure of funds on the state system for the recurring and non-recurring, our office has revised the SCDOT Programming Request Form. The CTC can now indicate the correct funding category when programming work on the state system. Please find this revised form enclosed for your use.

Mr. Irvin Campbell
Page 2
July 9, 2015

In addition to the non-recurring funding, it is projected that the Committee will also receive \$1,865,700 from the normal (recurring) apportionment for State Fiscal Year (SFY) 2015/2016 to be made available to the Committee in similar monthly distributions as in past years. It is calculated that Beaufort CTC will also receive \$354,557 this SFY for their portion of the donor bonus funds. These funds are to be expended in accordance with the requirements outlined in the C-Fund law.

For paving, rehabilitation, resurfacing, and/or reconstruction programming requests on the state system, SCDOT's administrative charges are 1 percent of the project bid price for engineering services and 6 percent for the construction engineering and inspection services. Please ensure that these amounts are included in the programming requests if SCDOT is administering the projects. These percentages are in line with a recent analysis of SCDOT's costs for these types of projects. The lump sum amounts will constitute full payment for the engineering services. SCDOT would absorb additional costs if these expenses exceed the lump sum price. Similarly should the charges be less than the lump sum price, a credit would not be allowable. If major changes or revisions, either increasing or decreasing the project costs, are required due to unforeseen circumstances, a request by the CTC, or local community action, then necessary adjustments would be made.

If another governmental entity besides SCDOT is managing the work for the non-recurring funds, please ensure that the Committee notifies our office in writing of the proposed project including the state secondary road numbers. This notification can be accomplished through a Request for Programing form or through a letter from you. This is necessary in order to verify prior to expending any funds that the work to be accomplished is in accordance with the requirements of the state law.

The CTC's dedication to the community is greatly appreciated. SCDOT looks forward to working with the Committee to improve the quality of transportation elements in the county. Please do not hesitate to contact me at 803-737-0230 if you have any questions or need additional information.

Sincerely,

Herbert J. Cooper, P.E.
Local Program Administrator

**BEAUFORT COUNTY TRANSPORTATION COMMITTEE
MINUTES OF MEETING ON SEPTEMBER 16, 2015**

A regular meeting of the Beaufort County Transportation Committee (BCTC) was held on September 16, 2015 in the Conference Room of the Beaufort County Engineering Department located at 104 Industrial Village Road, Building 3, Beaufort, South Carolina.

MEMBERS PRESENT: Irv Campbell, Scott Marshall, Jeffrey Gardner, Mark McCain, Joseph Stroman, Oliver Brown

MEMBERS ABSENT: J. Craig Forrest, Lynn Russo, Vacant Districts 8 & 11

OTHERS PRESENT: Rob McFee, Director of County Engineering
Darrin Shoemaker, Town Hilton Head Traffic Engineer
Karen Jarrett, Town of Bluffton Traffic Engineer
Wendell Mulligan, SCDOT Resident Maintenance Engineer
Michael Pitts & Roger Sears SCDOT, Columbia, SC
County Councilman Gerald Dawson
Residents of Sheldon Township

Chairman Campbell called the meeting to order at approximately 6:00 p.m.

Agenda was reviewed and no additions or deletions were noted.

Motion to approve September 16, 2015 agenda and minutes from May 20, 2015 meeting was made and seconded. Motion passed unanimously.

Public Comment. Mr. Edger Williams, representing residents from Sheldon Township had submitted a request to Mr. Stroman asking about the timeline for paving of several dirt roads in their community and the selection process for road paving and resurfacing. These roads were Wimbee Landing Road, George Williams Road, Twickenham Road, Butler Farm Road and Old Country Road. Mr. McFee reviewed the rating sheets for these roads with the committee and provided the following update.

Wimbee Landing Road from Community Center Road to Keans Neck Road has been approved for paving. Remaining section from Community Center to Kinloch Road is scheduled for paving in 2017.

George Williams Road – Ranked #92 of 212 dirt roads. George Williams Road is not scheduled for paving in the current 4 year program. George Williams Road is off of Kelly Road which is a County dirt road that is scheduled for paving in Contract 51. Contract 51 could be advertised for bid in late 2016 or early 2017.

Mr. Williams also asked about the status of the SCDOT resurfacing the Keans Neck Road. Mr. Mulligan will update status when he presents SCDOT projects.

New Business.

2016 SCDOT Road Resurfacing Project. The County Engineering Department with the assistance of Mr. Mulligan and municipality staff has produced a listing of 31 SCDOT roadways that are recommended for resurfacing. The attached listing was provided by Mr. McFee and reviewed with the committee. For FY2015/2016, the General Assembly has authorized a one-time (non-recurring) funding for the CTC program. The BCTC will receive \$5.6 million for this one-time funding and it has been specified that this funding must be spent on state-owned secondary roads. The BCTC annual recurring distribution for FY 2015/2016 will be \$1.8 million with an additional \$350,000 for the donor bonus funds. The County Engineering Department would advertise the roads for resurfacing and administer the project.

Motion. Mr. McCain made the motion to approve and accept the recommended SCDOT roads presented in order for staff to move forward with letting resurfacing project for a future bid. The motion was seconded by Mr. Brown. The motion passed unanimously.

COUNTY COUNCIL OF BEAUFORT COUNTY
PURCHASING DEPARTMENT

102 Industrial Village Road, Bldg 3 Post Office Drawer 1228
Beaufort, South Carolina 29901-1228

TO: Councilman Gerald Dawson, Chairman, Public Facilities Committee

FROM: Dave Thomas, CPPO, Purchasing Director *DT*

SUBJECT: Beaufort County AV Equipment and Installation Services (RFP #111215) for
Buckwalter Community Center

DATE: April 7, 2016

BACKGROUND: Mashburn Construction Company contract amount of \$5,561,076 included an allowance of \$160,000 for Audio Visual equipment and installation services. A change order crediting the \$160,000 back to the County has been issued to Mashburn. The county will award this work directly.

Beaufort County issued a Request for Proposals from qualified firms to provide Audio Visual Equipment and Installation Services. A selection committee consisting of the PALS Deputy Director, Broadcast Manager and CIP Construction Manager reviewed the original proposals and invited the three proposers to interview. Based on these interviews and the evaluation criteria the selection committee eliminated Summit Systems Inc., and requested best and final offers from Productions Unlimited Inc., and Stage Front Presentation Systems. On the basis of recent and similar experience, quicker response time for service calls, consistency of County wide equipment, quality of equipment and an additional year warranty (total 2 years) it is recommended to award the contract to Stage Front Presentation Systems. The amount of the award will be \$202,928 and differs from the proposed amount by omitting redundant speaker wiring as a cost saving measure.

RFP RESPONSES:

Cost for Services (taxes included)

- | | |
|---|---------------------------|
| 1. Productions Unlimited Inc., Greer, SC | \$192,844 (1-yr warranty) |
| 2. Stage Front Presentation Systems, Savannah, GA | \$213,052 (2-yr warranty) |
| 3. Summit Systems, Inc., Buford, GA | \$200,234 (2-yr warranty) |

DT **FUNDING:** \$160,000 from project budget account #40090011-54606. \$42,928 from PALS impact fees account #26520011-54450

FOR ACTION: Public Facilities Committee meeting on April 18, 2016

RECOMMENDATION: The Purchasing Department recommends that Public Facilities Committee approves and recommends to County Council the contract award to the aforementioned vendor for a total amount of \$202,828.

CC: Gary Kubic, County Administrator *GK*
Josh Gruber, Deputy Administrator/Special Counsel
Alicia Holland, Assistant County Administrator, Finance *CL*
Shannon Loper, Interim PALS Director *for PALS*
